The Peel Sessions Ken Garner,2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC s studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man s passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we d contacted via a card pinned to the Virgin record shop noticeboard We d had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn t have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me

American-Soviet Cultural Diplomacy Cadra Peterson McDaniel, 2014-11-18 *American Soviet Cultural Diplomacy* The Bolshoi Ballet's American Premiere is the first full length examination of a Soviet cultural diplomatic effort Following the

signing of an American Soviet cultural exchange agreement in the late 1950s Soviet officials resolved to utilize the Bolshoi Ballet's planned 1959 American tour to awe audiences with Soviet choreographers' great accomplishments and Soviet performers' superb abilities. Relying on extensive research, Cadra Peterson McDaniel examines whether the objectives behind Soviet cultural exchange and the specific aims of the Bolshoi Ballet's 1959 American tour provided evidence of a thaw in American Soviet relations. Interwoven throughout this study is an examination of the Soviets' competing efforts to create ballets encapsulating Communist ideas while simultaneously reinterpreting pre-revolutionary ballets so that these works were ideologically acceptable. McDaniel investigates the rationale behind the creation of the Bolshoi's repertoire and the Soviet leadership's objectives and interpretation of the tour's success as well as American response to the tour. The repertoire included the four ballets *Romeo and Juliet*, *Swan Lake*, *Giselle*, and *The Stone Flower* and two Highlights Programs which included excerpts from various pre and post-revolutionary ballets, operas, and dance suites. How the Americans and the Soviets understood the Bolshoi's success provides insight into how each side conceptualized the role of the arts in society and in political transformation. *American Soviet Cultural Diplomacy: The Bolshoi Ballet's American Premiere* demonstrates the ballet's role in Soviet foreign policy, a shift to artful warfare, and thus emphasizes the significance of studying cultural exchange as a key aspect of Soviet foreign policy and analyzes the continued importance of the arts in twenty-first century Russian politics.
