The Occult I Ching

Maja D'Aoust, 2019-12-10 An illustrated guide to the occult history serpent magic and practical application of the I Ching Reveals how the sacred language of the original eight trigrams of the I Ching was discovered by a wisdom serpent known as Fu Xi Explores how the I Ching formed the basis of the earliest Taoist philosophies its complex correlation with human DNA and its relationship with artificial intelligence Provides new contemporary analysis of each of the 64 hexagrams their changing lines and archetypes of the I Ching Includes original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience One of the oldest books in the world the I Ching has been used in China for millennia to open a dialogue with divinity gain insight and wisdom and pull aside the curtain of reality to reveal the light of the heavens Yet despite its popularity over thousands of years few understand its mysterious origins symbolism or occult connections In this illustrated guide Maja D Aoust applies her significant experience as a professional practitioner and scholar of the I Ching to provide a history of the oracle explain the mechanisms at work behind it and offer a new experiential approach to its interpretation The author begins by examining the discovery of the I Ching by the first mythical emperor of China Fu Xi a divine being with the body of a serpent She reveals how Fu Xi s eight original trigrams also called the Ba Gua provided a sacred language of symbols that allowed for communication between the diviner and the spirit world Using the I Ching s principles of cosmology as a basis the shamans of ancient China developed the earliest Taoist philosophies of nature medicine martial arts and mathematics as well as ecstatic practices war strategies birth and death rituals agricultural systems and alchemical studies D Aoust further shows how the I Ching relates to the mathematical sequences of biology and human DNA examining the correlation between the serpent s tail and the double

helix She reveals how the ways the oracle connects with your own inner knowing parallel the ways in which DNA repairs itself Providing a new analysis of each of the 64 hexagrams and their changing lines and archetypes the author explores each hexagram s meanings in depth alongside original artwork highlighting the serpent magic within the system and tools to help you interpret the I Ching based on your own individual experience Revealing how the oracle holds complex networks of meaning that language alone fails to capture D Aoust offers a new understanding of the Book of Changes and its many hidden lessons

The Secret Computer of the Ancient Gods John C. Compton,2022-08-19 The I Ching Project was inaugurated in 1986 when the initial research on an ancient Tibetan Mandala revealed a trigram relationship with the I Ching the Chinese book of changes For the past 30 years the author has conducted a private research project delving deeply into Tantric Buddhist symbolism and the commentaries of the I Ching The author s research work has revealed and conclusively proves the existence of a lost civilisation whose mathematical and scientific knowledge not only equalled but surpassed its Greek and Egyptian contemporaries This book contains a series of commentaries research notes and illustrations selected from the author s amazing research work which will astonish practitioners philosophers and scholars of the ancient art of divination The author demonstrates and show that the scribes of this civilization retained their knowledge and wisdom for posterity within a computerized time capsule of pictographic images His work proves that the I Ching is not only a book of divination but a profound book of mathematics and science It also incorporates the original binary code which can now be attributed to the ancient authors of the I Ching some 4000 years ago
