See Hear Now A Sonic Drawing Five:

See Hear Now Michael Brewster, 2002 For the past three decades light space artist Michael Brewster has been making sound based sculptures His use of sound as a medium enables him to stimulate audiences with a fresh awareness of their own ability to engage with works of art Brewster s sound based installations have been reproduced on the accompanying CD ROM A perfect match between sight and sound Experimental Music Since 1970 Jennie Gottschalk, 2016-08-11 What is experimental music today Recent attempts to define or identify examples of experimental music have been cautious and subjective offering very little guidance to anyone with an interest in this field of activity Is experimental music a historical event that refers only to John Cage and his influence or does it have a greater spread and longevity The development of this musical practice over the last 45 years merits a fresh definition and discussion An experimental approach is not identifiable in specific sounds or techniques and its scope would be drastically limited if it were judged on the basis of social or aesthetic groupings or self identifications of composers
