Ramsey, 2022-06-21 Walking through Psalm 23 phrase by phrase therapist and author K J Ramsey explores the landscape of our fear trauma and faith When she stepped through her own wilderness of spiritual abuse and religious trauma K J discovered that courage is not the absence of anxiety but the practice of trusting we will be held and loved no matter what How can we cultivate courage when fear overshadows our lives How do we hear the Voice of Love when hate and harm shout loud This book offers an honest path to finding that there is still a Good Shepherd who is always following you Braiding contemplative storytelling theological reflection and practical neuroscience Ramsey reveals a route into connection and joy that begins right where you are *The Lord is My Courage* is for the deconstructing and the dreamers the afraid and the amazed for those whose fear has not been fully shepherded but who can't seem to stop listening for their Good Shepherd's Voice *For Me to Live Is Christ* Joel R. Beeke, 2025-08-05 Since the time of the Reformation and especially during the era of the Puritans Christians have derived great benefit from reading edifying sermons Christians today would do well to imitate godly saints of the past by supplementing their devotional diet with preaching in print As Joel R Beeke says Though books of sermons do not tend to sell well today unlike in Puritan times when nearly all their books were repackaged sermons the reading of edifying sermons can still be a great blessing to God's children today This book presents thirty six choice sermons from a veteran preacher who has also spent his career training ministers to faithfully preach God's Word These sermons cover a wide range of texts from Genesis to Revelation and treat a host of pertinent topics Nevertheless one grand theme

resounds from each of them Jesus Christ and how to live in Him by Him and out of Him Each is spiritually beneficial meant to help readers grow in spiritual maturation to the glory of the triune God Like Paul the goal of every faithful preacher is to proclaim nothing but Jesus Christ and Him crucified 1 Cor 2 2 This volume is evidence that Beeke s two favorite things in life are to know Christ and to preach Christ And as you read by the Spirit s grace your love for Christ will deepen so that you shout from the heart For me to live is Christ

A Table in the Presence of My Enemies Matthew Wade Umbarger, 2024-06-25 Psalm 23 the most beloved of the Psalms contains a perplexing riddle What can it possibly mean that God prepares a table in the presence of the psalmist s enemies Matthew Umbarger proposes that Psalm 23 5 makes the most sense when read according to its cultural context of prebattle covenant banquets Beginning with ancient Mesopotamian mythology Umbarger traces a conceptual trajectory of the prebattle banquet motif that reaches its zenith in the apocalyptic banquets of Second Temple Period literature and the eucharistic theology of the early church

Lost Shepherd Mark Fugitt, 2023-08-15 You are not the first sheep to follow the Shepherd and you will not be the last For 3 000 years people of faith have found meaning and comfort in the 23rd Psalm This widely known song has had an impact across time and culture But in the twenty first century this psalm appears idle For many it only serves as a short reading at the end of funerals How did this happen Most books about Psalm 23 focus only on the author s interpretation Many are wonderful yet they offer only perspectives of modern Christians *Lost Shepherd* seeks to enrich the meaning of a passage many Christians believe is almost too familiar to appreciate This book is the perfect cure to

break Psalm 23 out of the category of nostalgia and return it to relevance in our daily lives by looking far into the past. Lost Shepherd allows you to stand with the sheep who have gone before, revealing a better look into the face of our Shepherd. Each chapter examines a line from the psalm and discusses how it has encouraged devotion over the centuries and continues to feed our souls today. Rediscover lost interpretations and consider how Psalm 23 can form your spirit, serving as a source of wisdom for a new generation of Christians.
