Harry LeVine, 2019-10-11. *Amyotrophic lateral sclerosis (ALS) or Lou Gehrig's disease* is a neurodegenerative disease that affects the motor neurons that drive voluntary movement. Those diagnosed with ALS experience difficulty moving and speaking, and as the condition worsens, difficulty swallowing and breathing. Beyond this definition, however, what do those affected by ALS need to know? In addition to covering causes, signs, and symptoms, diagnosis, and treatment options, this book delves into issues that are less commonly addressed but still critical to understand, such as effects on loved ones and caregivers. Case illustrations highlight key themes discussed in the book and are accompanied by insightful analyses and recommendations. *Lou Gehrig's Disease* Sylvia Engdahl, 2012-04-13. *Lou Gehrig's Disease or Amyotrophic Lateral Sclerosis* attacks nerve cells and pathways in the brain and spinal cord. Patients in the later stages of the disease become totally paralyzed, yet in most cases, their minds are still alert and sharp. Readers are provided with essential information on ALS. This book also serves as a historical survey by providing information on the controversies surrounding its causes. Compelling first-person narratives by people coping with ALS give readers a first-hand experience. Patients, family members, or caregivers explain the condition from their own experience, including famed scientist Stephen Hawking. The symptoms, causes, treatments, and potential cures are explained in detail. Essential to anyone trying to learn about diseases and conditions, the alternative treatments are explored. Each essay is carefully edited and presented with an introduction so that

they are accessible for student researchers and readers ALS Meets Christ Carol Ferguson,2020-01-15 Three little letters that will change your life forever Lou Gehrig also known as the Iron Horse had an outstanding record in his years as a professional baseball player 2 130 consecutive games played 493 home runs and 2 721 hits All of this came before he was diagnosed with ALS at the age of thirty six In his farewell speech to his fans and teammates he made a startling comment Today I consider myself the luckiest man on the face of the earth I have been in ballparks for seventeen years and have never received anything but kindness and encouragement ALS became known as Lou Gehrig s Disease because of his positive way of dealing with it He died two years after his diagnosis but he set the bar high for those living with ALS today Fourteen years ago Carol Ferguson was diagnosed with ALS a disease with a life expectancy of two to three years In ALS Meets Christ she shares her story about how the Lord has kept her alive and content in spite of this disease You or your loved one may be struggling with fear and discouragement after a diagnosis but you are not alone in your struggles The Lord wants to walk this journey with you He understands your pain and suffering and he wants you to set your mind on Him In ALS Meets Christ Carol offers encouragement and practical advice for those who are currently dealing with various challenges of ALS and trying to learn how to cope **Healthscouter Als** Katrina Robinson,2009-08 For the most honest objective opinion HealthScouter provides a patient s view of the most common medical problems Including hundreds of quotes questions and answers from patients themselves this guide provides comprehensive information about a single condition for from perspective that matters the patient s perspective Understand how current patients approach their medical challenges and help overcome your own This reference will help you see through obscure medical jargon and limited treatment options and empower you to better understand the issues that really matter Diagnosis Symptoms What to Expect Treatment Options Medical Terminology **I Watch and I Cry: A Brain in a Chair** Michael Spencer,2011-10-05 This book is about the journey of dealing with ALS Lou Gehrig s Disease My wife Kenni Spencer contacted this evil disease in 2009 and none of us even knew what it was nor what to expect As with all terminal diseases the print journey is usually defined in words of hope thankfulness and new experiences STOP this book is about the real face of ALS It charts the known s the unknowns the fears the hopelessness and the frustrations This book shares the rawness and frankness of the ALS disease journey It shares the whole dynamics that this disease manifests itself within the family structure This book the true face of ALS Lou Gehrig s Disease is not to enjoy but to clarify and understand the reality of it s impact There is this huge degree of hopelessness for ALS victims I am hoping that by writing this book and explaining the journey some bits of hope can be realized for futures to come
