The University Prints University Prints (Boston, Mass.),1907 **Historical Dictionary of Neoclassical Art and Architecture** Allison Lee Palmer,2020-05-15 Neoclassicism refers to the revival of classical art and architecture beginning in Europe in the 1750s until around 1830 with late neoclassicism lingering through the 1870s It is a highly complex movement that brought together seemingly disparate issues into a new and culturally rich era one that was unified under a broad

interest in classical antiquity The movement was born in Italy and France and spread across Europe to Russia and the United States It was motivated by a desire to use ideas from antiquity to help address modern social economic and political issues in Europe and neoclassicism came to be viewed as a style and philosophy that offered a sense of purpose and dignity to art following the new enlightened thinking This second edition of Historical Dictionary of Neoclassical Art and Architecture contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries cover late Baroque and Rococo tendencies found in the early 18th century and span the century to include artists who moved from neoclassicism to early romanticism This book is an excellent resource for students researchers and anyone wanting to know more about neoclassical art and architecture *Bazille: Purity, Pose, and Painting in the 1860s*, 1998
