

An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is not visible, but the lighting suggests a low sun. The text is overlaid on the right side of the image.

There is an instinct in a woman to
love most her own child – and an
instinct to make any child who
needs her love, her own.

One Heart One Love Pamchingla R Khayi, One Heart One Love by Pamchingla R Khayi is an exploration of love s spiritual and emotional dimensions and its pivotal role in human happiness The book delves into the dual nature of human emotions love which embodies patience and kindness and hate characterized by negativity and cruelty Through biblical references and personal insights Khayi discusses various types of love including divine familial and romantic love and emphasizes that all forms of love stem from a single source Khayi argues that true happiness is intricately linked to our relationship with God

positing that alienation from divine love leads to spiritual and emotional voids Each chapter builds on this central theme examining how love influences every aspect of life from personal relationships and moral decisions to our ultimate fulfillment and purpose The book is both a theological treatise and a practical guide encouraging readers to cultivate a deep loving relationship with God as the foundation for all other relationships Through a blend of scriptural analysis and poignant narratives Khayi invites readers to reflect on the transformative power of love and its capacity to heal connect and restore One Heart One Love serves as a reminder that in the quest for happiness and meaning love is both the journey and the destination with divine love at its core
