Love And Longing In The Near North:

Love and Longing in the Near North John Peter Kooistra, 2000 Love in a Dark Place Geoffrey Douglas, 2025-05-13
October 2017 north of Boston The body of a 60 year old drug addict and former prostitute is pulled from the Shawsheen River The only person questioned is a former lover from decades before now an aging English professor at a nearby college The death is ruled accidental August 1984 Atlantic City Ten casinos are taking in 5 million a day the Bruno crime family following a deadly mob war is in control of the city s rackets loan sharking protection fight fixing high end prostitution Among its most prized assets is a 28 year old 1 000 a night escort named Sarah beautiful and spirited but deeply guarded tethered to her mob bosses by an unknowable secret Harry Hopper a local news reporter known for his deep digs into the resort s darkest corners comes to know her and is soon obsessed with the shadows she casts then with Sarah herself The two become lovers But the secrets don t yield And the dangers are too great The years pass There is an ending Then a new beginning but in a very different world **The Middle English Mystics** Wolfgang Riehle, 2019-06-26 Originally published as an English translation in 1981 The Middle English Mystics is a crucial contribution to the study of the literature of English mysticism This book surveys and analyses the language of metaphor in the writings of such mystics as Richard Rolle Walter Hilton Julian of Norwich and in such anonymous works as The Cloud of Unknowing and the Ancrene Wisse The main emphasis of this comparative and stylistic study is not theological but rather the means by which theological concepts are communicated through language The book sets the English mystics in perspective by establishing their place in the European mystical movement of the Middle Ages It shows how intricate the relationship between English and continental mysticism really is The book suggests that there is clear links between English and German female mysticism yet the mysticism is in the main due not so much to specific influences as to the common background of Christian theology and mysticism *Nordic Sagas as Children's Literature* Velma Bourgeois Richmond, 2023-08-23 This book examines translations of Icelandic sagas and the Victorian and Edwardian children s literature they inspired some of which are canonical while others are forgotten It covers authors like William Morris Henry Wadsworth Longfellow Thomas Gray Walter Scott H Rider Haggard W H Auden John Greenleaf Whittier and more In lavish volumes and modest schoolbooks British and American writers claimed Nordic heritage and explored Nordic traditions The sagas offered a rich and wide ranging source for these authors Volsunga saga s Sigurd the dragon slayer King Olaf s saga of opposing Nordic Gods and Christianity Frithiof s model of headstrong youth beset with unfair opposition and lost love Grettir and Njal tell of men who accepted fate and met conflict and enemies unflinchingly Aslaug Gudrida Hallberga and Hervar exerted remarkable influence and Eric the Red and Leif the Lucky provided Americans with a Nordic heritage of discovery **A Dictionary of Archaic and Provincial Words, Obsolete Phrases, Proverbs, and Ancient Customs from the Fourteenth Century** James Orchard Halliwell, 1847 **In Love with the World** Yongey Mingyur Rinpoche, Helen Tworckov, 2019-05-07 A rare intimate account of a world renowned Buddhist

monk's near death experience and the life changing wisdom he gained from it One of the most inspiring books I have ever read Pema Chodron author of When Things Fall Apart This book has the potential to change the reader's life forever George Saunders author of Lincoln in the Bardo At thirty six years old Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries Then one night telling no one he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat following the ancient practice of holy mendicants His goal was to throw off his titles and roles in order to explore the deepest aspects of his being He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for In Love with the World Vivid compelling This book is a rarity in spiritual literature Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of Radical Acceptance and True Refuge In Love with the World is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of A Path with Heart This book makes me think enlightenment is possible Russell Brand An Echo in the Mountains Nicholas Bradley, 2020-09-23 From the 1960s until his death in 2000 Al Purdy was one of the most prominent writers in Canada famous for his frank language and his boisterous personality He travelled the country and wrote about its people and places from Newfoundland to Vancouver Island A central figure in the CanLit explosion of the sixties and seventies Purdy has been called the best the most and the last Canadian poet But Purdy's Canada no longer exists A changing country and shifting attitudes toward Canadian literature demand new perspectives on Purdy's impact and accomplishments An Echo in the Mountains reassesses Purdy's works the shape of his career and his literary legacy grappling with the question of how to read Purdy today a century after his birth and in a new era of Canadian literature Contributors to the volume examine Purdy's critical reception explore little known documents and textual problems and analyze his representations of Canadian history and Indigenous peoples and cultures They show that much remains to be discovered and understood about the poet and his immense body of work The first sustained examination of Al Purdy's works in over a decade An Echo in the Mountains showcases the critical challenges and rewards of rereading an iconic and influential Canadian writer A-I James Orchard Halliwell-Phillips, 1855 A Dictionary of Archaic and Provincial Words,

A Middle English Bibliography John Manning Booker, 1912 **A Dictionary of Archaic and Provincial Words** James Orchard Halliwell-Phillipps, 1865 *A Dictionary of Archaic & Provincial Words, Obsolete Phrases, Proverbs & Ancient Customs, from the Fourteenth Century* James Orchard Halliwell-Phillipps, 1852 **A Dictionary of Archaic and Provincial Words** James Orchard Halliwell, 2018-12-14 So far I may be permitted to speak without intrenching on the limits of criticism A work containing more than 50 000 words many of which have never appeared even in scattered glossaries and illustrated with very few exceptions by original authorities much contain valuable material for the philologist even if disfigured by errors With respect to the latter contingency I am not acquainted with any glossary comprising merely a few hundred words which does not contain blunders although in many instances the careful attention of the editor has been specially directed to the task Can I then anticipate that in a field so vast that no single life would suffice for a minute examination of every object I could have escaped proportionate liabilities That such may be pointed out I have little doubt notwithstanding the pains to prevent their occurrence but it will be manifestly unfair to make them the test of merit or thence to pronounce a judgement on the accuracy of the whole **Love and Poetry in the Middle East** Atef Alshaer, 2021-12-30 Love has been

an important trope in the literature of the region we now call the Middle East from ancient times to modern This book analyses love poetry in various ancient and contemporary languages of the Middle East including Akkadian ancient Egyptian Classical and Modern Standard Arabic Persian Hebrew Turkish and Kurdish including literary materials that have been discovered and highlighted for the first time Together the chapters reflect and explore the discursive evolution of the theme of love and the sensibilities styles and techniques used to convey it They chart the way in which poems in ancient poetry give way to complex and varied reflections of human sentiments in the medieval languages and on to the modern period which in turn reflects the complexities and nuances of present times Offering a snapshot of the diverse literary languages and their relationship to the theme of love the book will be of interest to scholars of Near and Middle Eastern Literature and Culture

Early Modern Japanese Literature Haruo Shirane, 2008 This abridged edition of Haruo Shirane's popular anthology *Early Modern Japanese Literature* retains the essential texts that have made the original volume such a valuable resource The book introduces English speaking readers to prose fiction genres including dangibon kibyoshi satiric picture books sharebon books of wit and fashion yomihon kokkeibon books of humor gokan bound books and ninjobon books of romance and sentiment It also features poetic genres such as waka haiku senryu and kyoka and plays ranging from Chikamatsu's puppet plays to nineteenth century kabuki Readers will continue to benefit from the anthology's selection of significant essays treatises literary criticism folk stories and other noncanonical works as well as the numerous prints that accompanied these works They will also find Shirane's introductions and critical commentary which guide the reader through the allusive and often elliptical nature of these incredible selections **North-west Passage**, 2008 *Love and Women in Early*

Chinese Fiction Daniel Hsieh, 2009-03-02 In traditional China upper class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings It was not until the mid Tang a generation or two after the An Lushan rebellion that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of zhiguai and chuanqi fiction The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization This book examines the repertoire of chuanqi and zhiguai written during the Six Dynasties and Tang periods and analyzes the key themes topics and approaches found in these tales which range from expressions of male fantasy sympathy fear and anxiety to philosophical debate on the place of the feminine in patriarchal Chinese society Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen for example in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as *The Peony Pavilion* and *Dream of the Red Chamber* **Catalog of Copyright Entries** ,1928
