**Dr. Susan Love's Breast Book** Susan M. Love, 2023-11-07 The Bible New York Times and the seminal work LA Times offering the most authoritative guidance through all stages of breast cancer diagnosis and recovery fully revised and updated While the amount of information regarding a breast cancer diagnosis is vaster than ever online and off what continues to be missing is the explanation behind the options Most of the data online on medical sites is generic and often comes from the same source Then there are the patient sites as well as many social media outlets that provide peer to peer support and information This is important for emotional support but still leaves out the full range of options and the reasons for them The Breast Book is where people go for a deeper understanding of how to make the best possible choices for their particular situations Now in its seventh edition the Breast Book has been fully revised to incorporate all the most recent developments in prevention treatments and research This new edition covers New treatments including new drugs vaccines hormonal treatment and drugs with longer duration 10 years for the estrogen positive tumors The increasing focus on where cells live both locally immune system hormones etc and systemically stress etc Prevention several new drugs have been added to the list of chemoprevention drugs In addition preventative surgery has received increased attention Increased data on alternative approaches such as stress reduction and exercise in reducing recurrence Increased understanding of the immune system and how it either controls or promotes the cancer Risks for survivors Genetics Special groups Men with breast cancer are demanding a louder voice in the conversation and research

*Melancholy, Love, and Time* Peter G. Toohey, 2010-03-11 Ancient literature features many powerful narratives of madness depression melancholy lovesickness simple boredom and the effects of such psychological states upon individual sufferers Peter Toohey turns his attention to representations of these emotional states in the Classical Hellenistic and especially the Roman imperial periods in a study that illuminates the cultural and aesthetic significance of this emotionally charged literature His probing analysis shows that a shifting representation of these afflicted states and the concomitant sense of isolation from one's social affinities and surroundings manifests a developing sense of the self and self consciousness in the ancient world This book makes important contributions to a variety of disciplines including classical studies comparative literature literary and art history history of medicine history of emotions psychiatry and psychology Peter Toohey is Professor and Department Head of Greek and Roman Studies at the University of Calgary Canada

**Women in Love** D. H. Lawrence, 1987-05-21 Seen by Lawrence as his most accomplished book but subject to the initial prudery and incomprehension that met most of his fiction *Women in Love* examines the regenerative and destructive aspects of human passion as illustrated by its depiction of Ursula and Gudrun Brangwen who first appeared in *The Rainbow* and their relationships with Gerald Crich and Rupert Birkin Set against the backdrop of a world consuming itself in war the novel creates an instructive vision of humanity's dance with life and death This text is the famous first *Women in Love* the unexpurgated version preferred by Lawrence himself which was rejected by every publisher because of the banning of *The Rainbow* in 1915 More positive in tone than the revised version published in his lifetime with different central relationships and a radically different ending it is now viewed by many as Lawrence's masterpiece

**BOOK JACKET**

If Only Love Jalene Haines, 2021-07-30 Child abuse was once a taboo subject which families neighbors schools church staff and membership worked diligently to maintain secrecy Passage of the Child Abuse Prevention and Treatment Act CAPTA in 1974 marked the nation's first major step forward in addressing issues related to child abuse Following this states had mandatory reporting laws for persons aware of such abuse This book covers the subject of child abuse prior to CAPTA Even though members of a family and community may have been aware of such abuse they chose not to be involved Occasionally someone might speak up about such abuse but without agencies to intervene the child's abuse routinely increased in severity For individuals like Jalene the victim of child abuse and domestic violence there were no agencies to assist her pleas for help In 1982 the Domestic Protection Act came into place when it came to protect individuals from domestic violence However domestic violence in the church remained strong and without resources According to statistics in 2017 in the Christian community one

in every four women experiences family violence As the awareness and incidence of domestic violence increases many pastors still adhere to the philosophy that spouses are to remain married because they took a vow before God Some pastors find themselves ill equipped to deal with the crisis of domestic violence There is very little if any training provided in the majority of seminaries on family violence This book also discusses the topic of parental alienation syndrome PAS which added another layer of sorrow to the author of this book PAS is a term to describe psychological manipulation or undue influence of a child by a parent against the other parent preventing an ongoing relationship between the victimized parent and their child
