Love and revolution Matt York, 2023-03-21 Based on award winning research *Love and revolution* brings classical and contemporary anarchist thought into a mutually beneficial dialogue with a global cross section of ecological anti capitalist feminist and anti racist activists discussing real life examples of the loving caring relations that underpin many contemporary struggles Such a revolutionary love is discovered to be a common embodied experience among the activists contributing to this collective vision manifested as a radical solidarity as political direct action as long term processes of struggle and as a deeply relational more than human ethics This book provides an essential resource for all those interested in building a free society grounded in solidarity and care and offers a timely contribution to contemporary movement discourse
