Healing the Hurt in Your Marriage Gary Rosberg, Barbara Rosberg, 2004 Beyond discouragement anger and resentment to forgiveness Cover

Pathway to Intimacy Carol Welch, 2008-02 Does your marriage need a tune up Are the pressures of life pulling you apart Have you gotten so busy with your lives that you have forgotten about your dreams What you need is a little bit of faith and a great big change of perspective What you need is a fresh word from God Most of you believe Psalms 119 105 Thy word is a lamp unto my feet and a light unto my path But all too often the reality is that we don't really understand God's will and we don't know his plan for our marriage If I have hit the nail on the head take courage take hope and take this book home with you In it you will discover the pathway of God's Living Word Pathway to Intimacy will teach you how to seek God's will for your marriage how to find answers in God's Word how to empower your relationship with renewed love and how to intertwine God in your marriage My God can change your perspective and empower you to change your circumstances My God has a word for your marriage and once you hear that word you will never be the same again

Choose Change... Linda Limbers Mitchell, 2002-01-06 You may have heard the old story about the frog If you put a frog in some cool water he'll be quite comfortable If you slowly heat the water the frog will not jump out even if the water starts to boil because during the slow process of bringing it to a boil the frog adjusts He will be boiled alive because he has become comfortable with his surroundings Don't be comfortable You can change before your crisis becomes too difficult Don't wait until you are boiled alive Choose Change Before Change Chooses You is a simple systematic process to change your life before you are forced to do so by people and circumstances over which you have no

control. Most people will not change until it becomes more uncomfortable to be where they are than it is to get where they are going. This is a practical thirteen week process to make living your life what it was meant to be: fulfilling, joyful, and on purpose.

Marriage and Violence Frances E. Dolan, 2010-11-24 Marriage is often described as a melding of two people into one. But what or who must be lost, fragmented, or buried in that process? We have inherited a model of marriage so flawed, Frances E. Dolan contends, that its logical consequence is conflict. Dolan ranges over sixteenth and seventeenth century Puritan advice literature, sensational accounts of true crime, and late twentieth century marriage manuals and films about battered women who kill their abusers. She reads the inevitable *Taming of the Shrew* against William Byrd's diary of life on his Virginia plantation, Noel Coward's *Private Lives*, and Barbara Ehrenreich's assessment in *Nickel and Dimed* of the relationship between marriage and housework. She traces the connections between Phillippa Gregory's best-selling novel *The Other Boleyn Girl* and documents about Anne Boleyn's fatal marriage and her daughter Elizabeth I's much-debated virginity. By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time, she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person. When two fractious individuals assert their conflicting wills, resolution can be achieved only when one spouse absorbs, subordinates, or eliminates the other. In an era when marriage remains hotly contested, this book draws our attention to one of the histories that bears on the present: a history in which marriage promises both intimate connection and fierce conflict, both companionship and competition.
