personal experience but narrated in poetry with metaphoric undertones Because there is no one or nothing specific actually referenced in the book the reader is given a unique opportunity the gift of choice The book is divided into four sections with each section taking you into a different direction First we go West in search of gold Out West I examine the harsh reality experienced through unrequited love After the heartbreak we head East to examine ourselves There we discover a nest of undesirable feelings we either don t know exist or flat out ignore Stumbling South is exactly as it sounds I use this section to explore society and the effects it has in our lives Finally we head North to discover the silver lining that exists within all of us Saving The Liar is a one of a kind story Deep but to the point Enjoy 6-Chord Songbook: Hits Collection Wise

Bernard Brown,2018-04-27 Voices of the heart is a collection of poems and lyrical bits of real life emotions pains joys moments and dreams captured in words This collection of poetry spans over 45 years I wrote my first poem as I can recall when I was but a teenager I remember seeing some beautiful red birds in the trees it was a thing of beauty and in those days I did not have a camera Through the years as things touched my heart are bothered me I wrote about them At that time I only wrote about it so I can remember it and had no inkling of composing a book poetry but after writing so many poems through the years of my good and bad experiences and now that I'm retired and live in the woods by the lake and sits on my porch much of the time it came into my spirit and I decided to clean some of my bits up and put them together

for everyone who wish to share them I call my collection Voices of the Heart This collection of poems concerns mostly my life for the last 45 years through the joys pains and strife two marriages six meaningful relationships six children four different women undergraduate and graduate degrees from two colleges one is south and one in the Midwests and having reside in three states My life has always been a journey never a destination I am about 60 now my thoughts are still beyond the familiar I often think about getting my doctorate degrees build a house in the mountains and making more memories I cherish every fleeting moment and appreciate life like its no tomorrow every day
