Love One Day At A Time:

Success & Happiness One Day at a Time; an instructional manual for your life , *Walking and Talking with Jesus One Day at a Time* Pauline Romano,2020-03-10 I have always loved writing poetry and I have always written poems for my family and friends for different special occasions in a rhyming format But ever since I was baptized and became a Christian I felt this urge in my heart to put into words how good it makes me feel as I talk with Jesus every day I read my Bible every day and I love the New Testament I always read a small booklet called Our Daily Bread which has scriptures and a short one page story for each day of the month I was inspired by this little book I really enjoy reading it I m hoping my book will make it easier for the working people to get in a little time to talk to our Lord and Savior every day On their way to work they ride the bus or if they carpool or maybe even during their lunchbreak I also hope to reach retired people who might be at home alone and might find some comfort by reading my book It might also help them learn where a few passages are in the Bible

Treasure Hidden Pedrameh Manoochehri, 2019-06-14 Before He entered my world and transformed it miraculously I went about my days giving no thought to my Maker I was a high school art teacher back then While I worked hard to impact my students and school for good I also enjoyed weekend happy hours and a pot habit On a couple of occasions just before I came to know the Lord I could easily have killed myself or someone else driving drunk This was a warning from God that my life was about to change drastically No one evangelized me I had warning dreams One seared the image of a brightly lit cross and crown into my mind's eye In another my friend warned me I would come to know the love of Christ I thought to myself But I'm not religious Nevertheless by the Holy Spirit's leading and touch my heart was awakened to realize I love Jesus for some reason deeply Thus began my journey learning who He is in love and in justice Proverbs 4:23 states Keep your heart with all vigilance for from it flow the springs of life The question concluding this book and reflection on faith is this How do you choose to spend your heart in all the limits that shape life What does my love speak of life and how do I spend my love I know that God's love spoke eternal life over me a sinner and He spent all His love on man's salvation He purchased such grace in the ultimate sacrifice Now how will I purchase Him my treasure How do I spend all I have buying my field

Forever... One Day at A Time Gail Winegar, 2010-03 Forever One Day at a Time Laugh cry and muse over Winegar's unique perspective as you travel through culture shock jungle vines and language barriers from the vantage point of a missionary There are nasty looking dogs everywhere Flea bitten tick infested sore covered scroungy bags of bones They scratch incessantly leaving scanty patches of tuft clinging to their vile bodies

Rummaging through piles of litter they tear open garbage bags that are stacked on the street or thrown out of a car window I can't help but wonder why my dog Delbert got to be in the circumstances he is in instead of like one of these revolting beasts I can picture him now stretching out for a nap on our leather chaise lounge or scratching at the pantry door for a treat While visiting the Embera Indian village in Panama I asked Dee how Heavenly Father determined where we were born We were in a canoe on a remote spot of the Canal a million miles from nowhere I couldn't imagine how awful it would be to be born there Moments later we watched as some little boys climbed a tree along the bank and shouted with glee as they leapt into the river Dee turned to me and said Do you think those boys would trade places with anyone The vivid imagery and refreshing perception make FOREVER ONE DAY AT A TIME a book you will not soon forget *One Day at a Time* Pasquale De Marco, 2025-05-09 One Day at a Time by Pasquale De Marco is a practical guide to help you embrace the present moment cultivate resilience and find purpose and meaning in your life Through personal stories and evidence based practices Pasquale De Marco shows you how to Overcome regrets and live in the moment Build inner strength and face challenges with courage Nurture healthy relationships and set boundaries Explore your passions and live a fulfilling life Find joy and fulfillment in every moment If you are struggling with difficult emotions seeking personal growth or simply want to make the most of every moment One Day at a Time has something to offer you Mindfulness is the practice of paying attention to the present moment without judgment It can help you reduce stress improve your focus and increase your overall well being One Day at a Time includes many mindfulness exercises and meditations to help you cultivate this practice in your daily life Resilience is the ability to bounce back from setbacks and challenges It is a key ingredient for success in all areas of life One Day at a Time will teach you how to build resilience by developing a positive mindset setting realistic goals and seeking support from others Purpose and meaning are essential for a fulfilling life When you know what you are passionate about and what you want to achieve you are more likely to feel motivated and engaged in your life One Day at a Time will help you identify your values set goals and create a life that is aligned with your purpose Joy and fulfillment are not something that you can find outside of yourself They are qualities that you cultivate within yourself One Day at a Time will show you how to practice gratitude pursue your passions and live a life that is filled with joy and meaning One Day at a Time is a book that can change your life It is a book that will help you live more mindfully resiliently and meaningfully It is a book that will help you find joy and fulfillment in every moment What readers are saying about One Day at a Time This book is a treasure trove of wisdom and practical advice I highly recommend it to anyone who wants to live a more mindful fulfilling and meaningful life Sarah reader I love the way Pasquale De Marco writes Pasquale De Marco is so down to earth and relatable I feel like I'm talking to a friend when I read Pasquale De Marco's books John reader This book has helped me to overcome my anxiety and live a more present and fulfilling life I am so grateful for Pasquale De Marco's insights and guidance Mary reader If you like this book write a review on google books *One Day At A Time* Ginger Faith Bivins, 2025-01-16 Life can be challenging even

in the simplest of times But in a world where life itself is threatened the complications are overwhelming and exhausting The story within this book tells how our family found the only way to survive was to lean on God while taking one day at a time The promise of healing was never given to us and indeed was never truly expected The diagnosis was clear and offered little hope only a 20 percent chance to live to age five The guidance of our God and the prayers of so many were the only hope we had for a miracle and even that was never truly promised We would find that as we looked back over the years we could see God's hand at work on our behalf long before we even knew we needed help We learned to take one step at a time as we walked through life one day at a time

Straight Up Hope Sheila Andrien, 2008-07-18 This is a book of overcoming grace and peace through Jesus when the cards seem stacked against you When people seem mean and you have given up on being happy that would be the time to read this book We all get discouraged and the points I want to make in this book are that crabby and miserable are choices You have to decide if you want to experience life or just exist Deuteronomy is an excellent example of this After 40 years of wandering and grumbling Moses asked his people do you want to enter the Promised Land or do you want to stay in the wilderness He said I am a

dying man I am imploring you to look to God and get it right This would be what I am trying to achieve through this book I want you to know that I understand grumbling complaining and hopelessness I also understand freedom in Christ and want to offer it to you James 1 2 4 Consider it pure joy my brothers whenever you face trials of many kinds because you know that the testing of your faith develops perseverance Perseverance must finish its work so that you may be mature and complete not lacking anything
