Love Peace And Purse Peace A Jewish Response To War And Nuclear Annihilation

Bradley Shavit Artson

Love Peace And Purse Peace A Jewish Response To War And Nuclear Annihilation:

Religious Zionism, Jewish Law, and the Morality of War Robert Eisen, 2017 This study is a pioneering exploration of how rabbis in the religious Zionist community in Israel constructed a body of Jewish law on war It focuses on five leading rabbis in this camp and how they dealt with a number of key moral issues that the waging of war raised **The Peace and Violence of Judaism** Robert Eisen, 2011-02-09 Religious violence has become one of the most pressing issues of our time Robert Eisen provides the first comprehensive analysis of Jewish views on peace and violence by examining texts in five major areas of Judaism the Bible rabbinic Judaism medieval Jewish philosophy Kabbalah and modern Zionism He demonstrates that throughout its history Judaism has consistently exhibited ambiguity regarding peace and violence To make his case Eisen presents two distinct analyses of the texts in each of the areas under consideration one which argues that the texts in question promote violence toward non Jews and another which argues that the texts promote peace His aim is to show that both readings are valid and authentic interpretations of Judaism Eisen also explores why Judaism can be read both ways by examining the interpretive techniques that support each reading *The Peace and Violence of Judaism* will be an essential resource not only for students of Judaism but for students of other religions Many religions exhibit ambiguity regarding peace and violence This study provides a model for analyzing this important phenomenon *The Ethics of War* Richard Sorabji, David Rodin, 2020-09-10 9 11 and the subsequent invasions of Afghanistan and Iraq have left many people baffled and concerned This interdisciplinary study of the ethics of war provides an excellent orientation not only to present but also to future conflicts It looks both back at historical traditions of ethical thought and forward to contemporary and emerging issues *The Ethics of War* traces how different cultures involved in present conflicts have addressed similar problems over the centuries Distinguished authors reflect how the Graeco Roman world Byzantium the Christian just war tradition Islam Judaism Hinduism and the Geneva Conventions have addressed recurrent ethical problems of war Cutting edge essays by prominent modern theorists address vital contemporary issues including asymmetric war preventive war human rights and humanitarian intervention Distinguished academics ethical leaders and public policy figures have collaborated in this innovative and accessible guide to ethical issues in war *The Ethics of War in Asian Civilizations* Torkel Brekke, 2006-03-13 This book discusses whether there are universal standards in the ideologies of warfare in the major Asian religious traditions **Torah of Reconciliation** Sheldon Lewis, 2012 In the aftermath of 9 11 Rabbi Sheldon Lewis sought solace and a path to reconciliation in Jewish texts Peacemaking is arguably the key pillar among Jewish values and *Torah of Reconciliation* seeks to reveal this primary value in diverse scriptural and *The Way Into Tikkun Olam (Repairing the World)* Rabbi Elliot N. Dorff, PhD, 2013-01-24 An accessible introduction to the Jewish concept of our responsibility to care for others and repair the world For everyone who wants to understand the meaning and significance of tikkun olam repairing the world in Jewish spiritual life this book shows the way into an essential aspect of Judaism and allows you to interact directly with the sacred

texts of the Jewish tradition Guided by Dr Elliot N Dorff Rector and Distinguished Professor of Philosophy at the University of Judaism this comprehensive introduction explores the roots of the beliefs and laws that are the basis of the Jewish commitment to improve the world It looks at the various motivations that the sacred texts provide for caring for others the ways the Jewish tradition seeks to foster such concerns in our social and family relationships and the kind of society that Jews should strive to create as partners with God What tikkun olam is Ancient idea New concept The underlying theory has developed over time and branched into related terms and concepts that Judaism has used over thousands of years to describe the duties we now identify as acts of tikkun loam Why we engage in acts of tikkun loam Reasons include but go far beyond a general humanitarian feeling that we might have or the hope that if we help others others will be there to help us How we repair the world The concrete expressions of tikkun olam in our families our communities the wider Jewish community and the world at large help shape one of the most important aspects of the Jewish tradition By illuminating Judaism s understanding of the components of an ideal world and the importance of justice compassion education piety social and familial harmony and enrichment and physical flourishing for both the individual and society we see how this ancient quest for a world with all these elements helps us define Jewish identity and mission today

Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as ththose presented by the changing nature of warfare

Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell s guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories **Modern Just War Theory** will appeal to students and scholars of theology

military history international law and Christian ethics Jewish Answers to Real-Life Questions Bradley Shavit Artson,1998-09-01 Despite the dwindling Jewish community in Tupper Lake and the impending closing of the synagogue twelve year old Faith discovers her spiritual identity as the acting rabbi tutors her for her upcoming bat mitzvah *The Gift of Soul, Gift of Wisdom* Bradley Shavit Artson,2006 Each of us has the potential to become a truly great mentor to share the gifts of our experience of our knowledge of our souls But how can we best bring these gifts to our students our children and our communities How can we discover develop and improve our skills as leaders and spiritual guides Combining a rich knowledge of sacred texts with a wealth of experience as a rabbi parent and teacher Rabbi Bradley Artson provides us with a road map to becoming effective mentors With a wealth of suggestions both practical and poignant Rabbi Artson shows us how to Open ourselves to those around us Reach out with affection Enhance our communication skills Overcome challenges to the mentoring relationship Filled with profound wisdom spiritual guidance and life lessons Gift of Soul Gift of Wisdom is a powerful learning tool for all of us rabbis and cantors managers and executives educators and parents who wish to understand the essence of what it takes to be a mentor and leader *Judaism and Global Survival* Richard H. Schwartz,2002 This book discusses the challenges facing humanity and the Jewish teaching related to these challenges in order to Galvanize Jews to help repair the world as required by Jewish law Divine Service? Stuart A. Cohen,2016-05-13 Religion now plays an increasingly prominent role in the discourse on international security Within that context attention largely focuses on the impact exerted by teachings rooted in Christianity and Islam By comparison the linkages between Judaism and the resort to armed force are invariably overlooked This book offers a corrective Comprising a series of essays written over the past two decades by one of Israel s most distinguished military sociologists its point of departure is that the establishment of the state of Israel in 1948 quite apart from revolutionizing Jewish political activity also triggered a transformation in Jewish military perceptions and conduct Soldiering which for almost two millennia was almost entirely foreign to Jewish thought and practice has by virtue of universal conscription for women as well as men become a rite of passage to citizenship in the Jewish state For practicing orthodox Jews in Israel that change generates dilemmas that are intellectual as well as behavioural and has necessitated both doctrinal and institutional adaptations At the same time the responses thus evoked are forcing Israel s decision makers to reconsider the traditional role of the Israel Defence Force IDF as their country s most evocative symbol of national unity **Jewish Choices, Jewish Voices** Elliot N. Dorff,Danya Ruttenberg,Louis E Newman,2010 Is it morally acceptable to use surveillance and profiling to protect national security Should war only be used in self defense Is torture in times of war morally acceptable Contributors include scholar Noam Chomsky Lt Col Seth Milstein and political philosopher Michael Walzer **Jews & Christians in Pursuit of Social Justice** Randall M. Falk,Walter J. Harrelson,1996 In this book a rabbi and a Christian scholar examine moral and ethical issues of our day in the light of their respective traditions In turn the authors explore marriage and family values religious liberty racial tension and civil rights

war and peace Islam and economic justice and ecology Randall Falk and Walter Harrelson bring to these issues the collective wisdom of more than 2 800 years of the quest for understanding how we can respond to the challenge of the prophet Micah What does the Lord require of you but to do justice and to love kindness and to walk humbly with your God Mic 6 8 NRSV

The Routledge Handbook of Religion and Security Chris Seiple, Dennis Hoover, Pauletta Otis, 2013 This Handbook offers analyses of how nine different world religions have related to issues of war and peace theologically and practically overviews of how scholars and practitioners in nine different topical areas of security studies have or have not dealt with the relationship between religion and security and five case studies of particular countries in which the religion security nexus is vividly illustrated Nigeria India Israel the former Yugoslavia and Iraq **Collateral Damage** Sahr Conway-Lanz, 2013-01-11

Collateral damage is a military term for the inadvertent casualties and destruction inflicted on civilians in the course of military operations In *Collateral Damage* Americans Noncombatant Immunity and Atrocity after World War II Sahr Conway Lanz chronicles the history of America's attempt to reconcile the ideal of sparing civilians with the reality that modern warfare results in the killing of innocent people Drawing on policymakers response to the issues raised by the atrocities of World War II and the use of the atomic bomb as well as the ongoing debate by the American public and the media as the Korean War developed Conway Lanz provides a comprehensive examination of modern American discourse on the topic of civilian casualties and provides a fascinating look at the development of what is now commonly known as collateral damage

Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly **Living Traditions and Universal**

Conviviality Roland Faber, Santiago Slabodsky, 2016-03-03 The World Parliament of Religions adopted the view that there will not be peace in this world without including peace among religions Yet even with the unified force of the world's religions and wisdom traditions this cannot be accomplished without justice among people In one way or another unity among religions as based on justice and the will to accept the other's religions and even irreligiosity as means of justice will not prevail without an internal and external spiritual theological philosophical and practical investigation into the very reasons for religious strife and fanaticism as well as the resources that people cultures religions and wisdom traditions might provide to disentangle them from the injustices of their host regimes and to seek the balance that leads to a measure of universal fairness among the multiplicity of religious and non religious expressions of humanity Conviviality expresses the depth and breadth of living together which itself can be understood as a translation of a central term of Whitehead's philosophy and the process tradition concrescence growing together becoming concrete as it is recently and increasingly

used in different discourses to name the concrete community of difference of individuals cultures and religions in appreciation of the mutual inclusiveness of their lives This book seeks to bring together experts from different religious and non religious traditions and spiritual persuasions to suggest ways in which the living wisdom traditions might contribute to and transform themselves into a universal conviviality among the people cultures and religions of this world for a common future It wishes to test the resources that we can contribute to this concurrent and urgent matter aware of Whitehead s call for a radical transformation of power and violence in thought and action as perhaps the ultimate theory of conflict resolution

Passing Life's Tests Bradley Shavit Artson, 2013 Among stories so terrible they rend our hearts so profound they touch the depths of our souls and so exalted they reach to heaven none is more poignant than the Bible story of Abraham s sacrifice of his son Isaac A story revered by Jews Christians and Muslims and turned over and over by great secular thinkers searching for meaning this gripping tale shocks us into complete attention then takes us in nineteen short verses on a roller coaster ride of emotion challenge and hope *Historical Dictionary of Judaism* Norman Solomon, 2024-10-15 What we now call Judaism is the religion of the rabbis it is rooted in scripture the Hebrew Scriptures but it is not to be identified with Old Testament theology Judaism in its many manifestations has continued to evolve rereading its ancient texts and extracting new meaning while addressing contemporary issues such as the status of women and attitudes to sexual orientation History or rather our perception of it has changed substantially Previously unknown documents and artefacts have surfaced while scholars have proposed far reaching changes to the way we read and evaluate ancient texts Nowadays we have a more nuanced understanding of how to evaluate statements in the Talmud and other rabbinic writings and we are better able to contextualize them not only in Greco Roman antiquity but also in the Sasanian environment in which the Babylonian Talmud was formed *Historical Dictionary of Judaism* Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries on important personalities in Jewish religious history including biblical personalities with an emphasis on how they are understood in Jewish Christian and Islamic tradition This book is an excellent access point for students researchers and anyone wanting to know more about Judaism

A Bibliography of Jewish Education in the United States Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education

Love Peace And Purse Peace A Jewish Response To War And Nuclear Annihilation Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become much more evident than ever. They have the capability to inspire, provoke, and ignite change.
