

# Love Letter

My Darling, Since the time that I met you, I've experienced things that I has never thought I was capable of experiencing. You have showed me the beauty of spring, the joy of getting wet in the rain, the silent joy that autumn brings and I know now that everything in the world seems much better because I have you. You have helped me realize my true potential, helped me push my limits and made me feel truly alive. All that I really want from you now is the care and protection you're always showered on me and the promise that you will be by my side forever.

*My Dear Valentine*♥
