Routledge Library Editions: Literature and Sexuality Various Authors, 2021-02-25 This set brings together a collection of classic out of print works that offer some surprising new takes on the theme of sexuality in literature Whether examining new spaces by unrepresented women writers of colour or looking afresh at gay writings of the early twentieth century this set presents a thought provoking take on the subject and as such is an essential reference source *The Sex Atlas* Erwin J. Haeberle, 2020-05-18 No detailed description available for The Sex Atlas **Jewish Views of Love, Sex, and Marriage** Selena Adrienne Luftig, 1999 **The Role of Religion in Marriage and Family Counseling** Jill Duba Onedera, 2007-07-19 Religion can play a vital role in the way people relate to each other particularly with interpersonal dynamics within a family The role of a couple or family's religion in the counseling room is no less important This book provides practitioners with an overview of the principles of the major world religions with specific focus on how each religion can influence family dynamics and how best to incorporate this knowledge into effective practice with clients **Sexuality Counseling** Kay Frances Schepp, 2013-08-21 First published in 1986 Sex education is a necessary component of sexuality counseling A practitioner needs to be a sensitive effective educator in order to help people remedy sex related problems and prevent future ones This program is about professional counseling and assumes that the reader has training or intends to obtain it in an established helping profession *Re-envisioning Jewish Identities* Efraim Sicher, 2021-08-30 This innovative study shows how the imaginary constructions of self and Other are shaping identification with Jewishness in the twenty first century The texts and artworks discussed in this book test a diverse range of ways of identifying as Jews and with the Jewish people while engaging with postmodern and postcolonial discourses of hybridity and multiculturalism This book selects six

key areas in which the boundaries of Jewish identities have been interrogated and renegotiated nation ethnicity gender sexuality religion and the Holocaust In each of these areas Sicher explores how major and emerging contemporary writers and artists re envision the meaning of their identities Such re envisioning may be literally visual or metaphorical in the search for expression of artistic self between the conventional paradigms of the past and new ways of thinking

Schulweis,2003 Reflections and essays Judaism 20th century **Sex and Religion** Dag Ølstein Endsjø,2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In Sex and Religion Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with whom it is permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsjø explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage Sex and Religion reveals there is nothing natural or self evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it Sex and Religion is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience Hot Topics Behrman House,Susan Freeman,2005 Ideal as a complete course text or as an informative supplement to one shot classroom discussions this complement to Teaching Hot Topics encourages students to engage with issues through its interactive design pertinent scenarios probing questions and charts that summarize points and counterpoints for each topic Lilith ,2001
