Luke Kevin Perrotta,Gerald Darring,2010-06 The book of Luke has been described as one of the most beautiful books ever written and Luke The Good News of God s Mercy brings this beauty to life for teens as they study the life of Jesus and what Jesus can mean for their lives Luke s Gospel deals with the issue of being open to God s work through Jesus Luke shows us that God has made salvation available through Jesus birth life death and resurrection In many ways God s action through Jesus was unexpected even for the Jewish people of the time The salvation Jesus brings goes far beyond what people were looking for It also makes demands on those who accept it So we meet people in Luke s Gospel who are astonished by Jesus They are struggling to understand what Jesus was offering them and how they should respond In the Gospel of Luke we make contact with a will other than our own God shows that he is not a spectator god who made a DVD of the universe billions of years ago and now sits back to watch God has a loving plan God makes things happen It is this active involved God who comes to Mary and tells her about his plan for her in Luke s Gospel As we begin reading the Gospel of Luke are we prepared to meet this God Designed as a guided discovery Six Weeks with the Bible for Catholic Teens introduces high school students to books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today The series provides students with a clear explanation of Biblical text opportunities for prayer and a means to enter into conversation with God

What's Good about this News? David Lyon Bartlett,2003-01-01 In this study of the Gospels and the book of Galatians David Bartlett explores how to reconcile the biblical text s message to our contemporary context and a particular congregation s character and need While as he shows important continuities exist in the way the good news is

understood throughout the New Testament precisely what it looks like and how Christians respond to it differs between Mark Paul John and the rest of the writers Consequently he demonstrates preachers have options as they try to discern what news a congregation needs to hear on a particular Sunday Including sample sermons What s Good about This News shows how each of these biblical texts remains a redemptive word for today s people **Morning Thoughts; Through the Bible in a Year** John Roberts,1923 Leadership in Community Lee A. Carter, Leadership in Community is a spiritual formation curriculum that engages new or seasoned missional leaders in the foundations of missiology leadership theory and missional leadership practices and tools The curriculum explores three major topics important for missional leadership all of which build upon one another the missiology community and ethics of missional leadership These themes are explored through a spiritual formation practice called Lectio Missio an expansion of Lectio Divina that incorporates missional themes and practices Using Lectio Missio small groups of missional leaders engage in Scripture reading and study prayer conversation meditation journaling reflection and experiential learning These disciplines focus on spiritual formation as the basis of missional leadership training and development The Women in the Gospel Of John: the Divine Feminine , **Breaking Open the Lectionary** Margaret Nutting Ralph,2007 Will help those who Break open the Word in RCIA and those involved in Lectionary based faith sharing or Bible study groups to hear the Word as a living Word and to know that the Word they are hearing is compatible with what the biblical authors are teaching **The Good News** Clyde C. Wilton,2015-01-21 The Good News Book of Sermons presents twenty six sermons transcribed by Clyde Wilton from his sixty plus years of service as a pastor chaplain and minister of the Christian Gospel **Why the Catholic Church Must Change** Margaret Nutting Ralph,2014-09-04 Why do a third of the people raised Catholic in the United States no longer worship as Catholics Why has the Catholic Church lost a credible teaching voice for many young people Does the fault lie entirely with those individuals and with the secular culture In Why the Catholic Church Must Change Margaret Nutting Ralph first affirms that Catholics are called to seek the truth and to follow their well formed consciences not simply to submit mind and will to the teachings of the Magisterium She then argues that the Catholic Church which has been open to change in the twentieth century must continue to be open to change in the twenty first century change in some of its teachings and in some of its practices The Catholic Church has changed in the past and is being called to change in the present Before that change can occur the Church must enter into respectful dialogue about pertinent issues such as contraception women s ordination and homosexuality and present practices Ralph contends that Catholic culture not just secular culture needs a critical examination Why the Catholic Church Must Change engages the reader to enter into a necessary yet reasoned conversation about pertinent issues such as contraception women s ordination and homosexuality and present practices surrounding the Catholic Church Margaret Nutting Ralph critically examines pertinent topics of not just the secular culture but the Catholic culture that affects both families and culture as a whole and presents a model for how to discuss difficult issues in a

respectful and thoughtful manner Ralph successfully discusses the issues surrounding the Catholic Church with awareness that the church is not the whole body of Christ *An Idle Tale Becomes Good News* Herchel H. Sheets, 2002 Each chapter in this collection of twenty meditations considers a specific phrase or object related to Jesus ministry in his final days or in his resurrection appearances In several cases this is something intangible yet very distinct such as Jesus prayer for his disciples Pilate s wife s dream or the astounding news of the resurrection that seemed like an idle tale Other messages address objects that could have been seen and touched the torn curtain in the temple ropes scars or the burial spices the women brought to the empty tomb But whether tangible or intangible each symbol reflects a significant event in the biblical narrative which Sheets explores to see what lessons can be drawn for today s Christian living This volume is excellent for adult Sunday school classes or other study groups devotional reading during Lent and Easter and as background for sermon preparation A companion book of children s sermons based on the same texts Alleluia by Elaine M Ward is also available from CSS Publishing Company Herchel Sheets is a proven quantity Here he focuses fifty years of disciplined biblical and theological study in a series of skillfully crafted seminal sermons on the passion and resurrection of Christ His hermeneutic hinges on themes that are definite and precise such as a jar of ointment a drug refused In every instance he ties the truth to the contemporary with illustrations from literature and life that constitute a cornucopia for teachers and preachers This volume is a keeper L Bevel Jones III Bishop in Residence Candler School of Theology Emory University In this volume Herchel Sheets takes us on a journey as Jesus makes his way to Jerusalem from Lent to Resurrection and Eastertide With his great biblical understanding fine theological mind and broad literary knowledge he brings us rich vignettes of the life and ministry of Jesus A splendid preacher teacher and writer has produced a homiletical gem James Lloyd Knox United Methodist Bishop retired Herchel H Sheets has been a United Methodist minister for more than a half century His most recent appointment was as the Assistant to the Bishop and Director of Ministerial Services for the North Georgia Annual Conference In addition he has pastored several congregations and has served as a college and seminary teacher annual conference program director and district superintendent The author of eight previous books and numerous articles in various publications Dr Sheets is now an adjunct professor at Emory University s Candler School of Theology and is in frequent demand as a preacher teacher and workshop leader for local churches conferences retreats and training schools **Noah's Park Children's Church Leader's Guide, Red Edition** , 2007 The crafts in this book coordinate with each lesson in the Noah s Park Leader s Guide Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week Each craft activity in the book has a list of supplies which should be obtained prior to the session **The Green Good News** T. Wilson Dickinson, 2019-12-11 When was the last time that we heard some good news For those tuned in to the ecological crisis and the daily chronicle of injustice the declaration of good news might seem

synonymous with denial and avoidance The gospel of Jesus Christ helps us to face the suffering of the world and live in love and hope The only catch is it requires that we change It is only by losing our consumeristic profit seeking and isolated lives that we may save them The Green Good News finds a fresh take on the Gospels painting a picture of Jesus as a humorous and subversive teacher an organizer of alternative communities and food economies as a healer of bodies and relationships and as a prophet who sought to overturn an empire and restore a more just and joyful way of life Christ teaches and incarnates a vision for sustainable life and provides practices that mark the path toward it By exploring this always inspiring sustainable gospel we can find ways to transform our lives communities and even creation *The Good News Of The Holy Spirit* Kevin Perrotta, Gerald Darring, 2010-06 This Bible study for teens Acts The Good News of the Holy Spirit is an excellent way to introduce young adults to how the Church began Like the early Jewish followers of Jesus the Spirit leads us also into drama and conflict God challenges us to change He challenges us to move beyond a simplistic childhood understanding of him and develop a mature adult faith He wishes us to serve him in new ways and summons us to go beyond our limited expectations of how much we might love how selflessly we might serve what suffering we might endure He wishes us to experience his powerful help as we grow up He wishes to work through us to make Jesus known He wishes us to have an influence on the people around us In all these respects reading Acts leads us to question our lives and open our hearts to a new cooperation with the Spirit of God Designed as a guided discovery Six Weeks with the Bible for Catholic Teens introduces high school students to different books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today The series provides students with a clear explanation of Biblical text opportunities for prayer and a means to enter into conversation with God
