Lyric Apocalypse Reconstruction In Ancient And Modern Poetry:

Lyric Apocalypse John W. Erwin, 1984 **Sixteen Modern American Authors** Jackson R. Bryer, 1990 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies **Mysterious Apocalypse** Arthur W. Wainwright, 2001-03-13 No part of the Bible is more controversial than the book of Revelation or as it is often called the Apocalypse For eighteen hundred years it has given rise to conflicting interpretations and in the late twentieth century it is as controversial as ever **The Becoming of Time** Lawrence W. Fagg, 1995 This lucid and wide ranging study sets out to reconcile the objective and subjective perspectives in the investigation of the phenomenon of time Lawrence W Fagg explores the wondrous subtleties of time that modern physics continues to reveal but complements them with the rich insights of the spiritual perspectives on time that the world's major religions have to offer Helga Nowotny Former President International Society for the Study of Time **A Linguistic Approach to Revelation 19:11-20:6 and the Millennium Binding of Satan** Alan E. Kurschner, 2022-08-22 This study argues that the establishment of the millennium binding of Satan and the vindication of the saints in Revelation 20 1 6 are cohesively linked with Jesus's victorious battle in Revelation 19 11 21 The major implication of this analysis views both these events as consequent effects of Christ's victory at the eschatological battle Applying systemic functional linguistics and discourse analysis of cohesion this study advances critical scholarship on the Book of Revelation by offering the first fully sustained answer to this frequently debated question regarding Satan's binding from a modern linguistic approach **Mourning and Panegyric** Celeste M. Schenck, 2010-11 This work is primarily a genre study aiming both at enlarging the canon of pastoral texts and at theorizing generical development in a comparative context Addressed to a general audience of poetry enthusiasts as well as students of genre theory and specialists in the field the book takes as its examples the twin pastoral genres of funeral elegy and marriage hymns Schenck establishes in her introduction that the strategies she isolates in elegies and epithalamia govern lyric processes more generally that in fact every poem might be an epitaph if it pronounces an elegy upon a former poetic self and announces rebirth of the artist as a poet All poems are genuinely epitaphic in their attempt to record verbally and lastingly the death and implied rebirth of the poet as poet each time he lifts his pen to begin a new poem The specific forms explored in this book elegy and epithalamium serve precisely as model initiatory scenarios Elegies tend to gesture toward the past pronouncing an epitaph upon poetic apprenticeship and recovery voice by means of symbolic burial of a forebear Marriage poems alternatively are future directed celebrating as do elegies passage from virgin to mature state Both forms aim at circumventing mortality by apotheosis and deification in the case of the elegy and by the projection forth of issue at the end

of the marriage poem Investigation of the symbolic reciprocity of these seemingly distinct forms yields a surprising range of variant forms extends provocatively Claudio Guillen s theory of genre and counter genre and initiates a poetics of pastoral ceremony that has implications for the general study of lyric modes *Holding Patterns* Daniel McGuiness,2001-03-22 Holding Patterns provides a sympathetic criticism of poems one that avoids the appliance of criticism and that self consciously persists in close readings of texts as the directing force of its argument Presently contemporary literary criticism and contemporary poetry in America seem at cross purposes Indeed current literary critics seldom address the poems of their contemporaries While structuralists and other schools of critics seek terms generalizations and whole systems to account for and to understand poems poets themselves repeatedly assert that each poem has its own poetic and that no system applies to their writing This book reads poems by contemporary poets such as Jorie Graham Charles Wright Denis Johnson and Amy Clampitt not to illuminate a theory but to shed light on the poem *Christ, Shepherd of the Nations* Jon Morales,2017-12-28 Does John s Apocalypse envision destruction or salvation for the nations of the world Scholarly views on this issue range from extreme total destruction to extreme universal salvation Jon Morales maintains that the question must be reframed to highlight not only the destiny of the nations but also their dilemma within the drama of world history Using narrative methodology Morales asks four key questions concerning the nations What is John s story of the nations How does he tell this story What is John s message to the nations And what is his message to the church concerning the nations Literary characters cannot be understood in the abstract but must be rather discovered sequentially in the development of an entire narrative The nations in Revelation are no exception Understanding that previous studies have neglected to situate the nations within Revelation s larger plot or in interaction with other narrative characters Morales concludes that John s purpose is to show that the nations belong to God John achieves his purpose in part by deploying a novel metaphor virtually unexplored until now Christ shepherd of the nations *Studia Patristica* Maurice Wiles,Edward Yarnold,Paul M. Parvis,2001 *Forthcoming Books* Rose Arny,2003 **Le désir de la vierge** Monic Robillard,1993 **Sixteen Modern American Authors** Jackson R. Bryer,1974 **American Book Publishing Record** ,1984 *Religious Studies News* ,1989 *The Publishers' Trade List Annual* ,1985 *Poetry* Harriet Monroe,1984 **Paperbound Books in Print** ,1992 **Books in Print** ,1991 **Melville and the Gods** William Hamilton,1985 **Guide to the Poetry of William Carlos Williams** Kelli A. Larson,1995 The poet William Carlos Williams 1883 1963 espoused the ideal that true poetry is rooted in the details of everyday life He developed the technique of the variable foot expressing the cadences and rhythms of speech which are documented in this text
