Guardian Angel From Heaven So Bright
Watching beside me to lead me aright
Fold thy wings round me O guard me with love
Softly sing songs to me Of heav'n above

Chorus

Beautiful angel My guardian so mild
Tenderly guide me For I am thy Child
Beautiful angel My guardian so mild
Tenderly guide me For I am thy Child

Angel so holy Whom God sends to me
Sinful and lowly My guardian to be
Wilt thou not cherish The child of thy care?
Let me not perish My trust is thy pray'r

Oh may I never forget thou art near
Keep thou me ever in love and in fear
Waking and sleeping In labor and rest
In thy sweet keeping My life shall be blest

Wimbush,2012-09-01

Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed *How to Write About Music* ,2015-02-26 If writing about music is like dancing about architecture you d do best to hone your chops and avoid clich s like the one that begins this sentence by learning from the prime movers How to Write About Music offers a selection of the best writers on what is perhaps our most universally beloved art form Selections from the critically acclaimed 33 1 3 series appear alongside new interviews and insights from authors like Lester Bangs Chuck Klosterman Owen Pallett Ann Powers and Alex Ross How to Write About Music includes primary sources of inspiration from a variety of go to genres such as the album review the personal essay the blog post and the interview along with tips writing prompts and advice from the writers themselves Music critics of the past and the present offer inspiration through their work on artists like Black Sabbath Daft Punk J Dilla Joy Division Kanye West Neutral Milk Hotel Radiohead Pussy Riot and countless others How to Write About Music is an invaluable text for all those who have ever dreamed of getting their music writing published and a pleasure for everyone who loves to read about music **Remember Me to Harlem** Langston Hughes,Carl Van Vechten,2007-12-18 Langston Hughes
