This carefully crafted ebook, The Man Behind The Lyrics: Life, letters, and literary remains of John Keats, is formatted for your eReader with a functional and detailed table of contents.

John Keats 1795-1821 was an English Romantic poet. The poetry of Keats is characterized by sensual imagery, most notably in the series of odes. Today, his poems and letters are some of the most popular and most analyzed in English literature. During the 19th century, critics deemed them unworthy of attention, distractions from his poetic works. During the 20th century, they became almost as admired and studied as his poetry and are highly regarded within the canon of English literary correspondence. T. S. Eliot described them as certainly the most notable and most important ever written by any English poet. Keats spent a great deal of time considering poetry itself, its constructs and impacts, displaying a deep interest unusual amongst his milieu, who were more easily distracted by metaphysics or politics, fashions or science.
