Official Guide, 1937, [etc.] [With Illustrations.].** LYTHAM SAINT ANNES.,1937 **Images of Lytham St Annes** Steve Singleton,2005-01-01 The splendour of Victorian and Edwardian life in Lytham St Annes is today sadly nothing more than a fast fading memory Imagine what fun it must have been to witness and enjoy the growth of the genteel seaside resort in the late 18th and early 19th centuries Here were two coastline neighbours eager for progress and prosperity but both determined to preserve their own identities It is a widely held belief that it was the great contrasts in the two townships that produced such an inspired partnership Lytham was the grand old lady of the Fylde coast steeped in history and tradition proud of its leafy image and its heritage dating back as far as 700 AD St Annes was the brash newcomer a town hacked out of the sandhills by rich and powerful industrialists as recently as the mid 1870s When the ancient and modern communities albeit reluctantly in 1922 they produced a borough of confidence catering mainly for businessmen and wealthy families from the East Lancashire cotton towns And as the acclaimed Opal of the West the resort quickly developed and fortunes soared The beaches were filled with relaxed holiday makers and St Annes and Lytham piers echoed with the laughter of day trippers A cut above bustling and brassy Blackpool Lytham St Annes attracted gentry eager to make their homes in the town Vast promenade residences replaced the sand dunes as the wealthy businessmen installed their families by the sea with their chauffeur driven limousines and domestic servants Images of Lytham St Annes is a pictorial record of some of the changes that the resort has seen which promise to jog the memories of residents and holidaymakers alike *Images of Lytham St Annes* ,1996 **Lytham St Anne's** Robert Haley,Robert Andrew Haley,1995-01-01 **Municipal Engineering: Sanitary Record and the Municipal Motor** ,1929 *Lytham St. Annes* ,1968 Lytham St Annes ,1973 Municipal Engineering: Sanitary Record and the Municipal Motor ,1948 *Lancashire's Seaside Piers* Martin Easdown,2009-11-19 In this a companion volume to his definitive history of Yorkshires pleasure piers Martin Easdown turns his expert attention westward to the Lancashire coast His highly illustrated survey of the piers constructed at famous resorts like Blackpool Morecambe Southport and St Annes on Sea celebrates structures that are among the most exuberant and evocative of the Victorian age Each of these historic piers has its own character and story yet all of them represent the optimistic style of the British seaside resort at the peak of its popularity In those days the Lancashire coast and Blackpool in particular became the principal holiday destination for the workers of the nearby industrial towns during their Wakes Weeks The piers that survive are fascinating relics of that lost age In this meticulously researched account Martin Easdown describes how these extraordinary buildings came to be constructed how they were designed and financed how they were used and how hazards beset them fire storm ship collision war damage and ever present threat of insolvency His entertaining book reveals and records a neglected aspect of the history of Lancashire and the northwest *The Golf Guide Britain and Ireland* FHG
