Lytton Strachey The New Biography:

Lytton Strachey Michael Holroyd, 1995 When Michael Holroyd's life of Strachey appeared in 1967 it changed the course of modern biography setting a new standard for the recounting of literary lives and launching the enduring Bloomsbury revival In the 1960s however many of Strachey's friends and lovers were still alive much could not be said and access to letters and resources was restricted Since then almost all his circle has died and homosexuality in England has been decriminalized In telling Strachey's life anew Holroyd has drawn on a wealth of previously unavailable material bring fresh candor and accuracy to his account of Strachey's friendships with E M Forster Virginia and Leonard Woolf Duncan Grant and Vanessa Bell Ralph and Frances Patridge and his companion Dora Carrington among others In many of Bloomsbury's three cornered relationships Holroyd could lay claim to only two sides of the triangle Now he has all three with which to recount the story of this extraordinary man and his complex world At the center of the drama is the long lasting relationship between Strachey and Carrington and their Triangular Trinity of Happiness with Ralph Partridge In equally elegant and humorous prose Holroyd shows the parts that many men and women played in this comedy of manners as it developed into a tragedy

Lytton Strachey, 1974 *Lytton Strachey* Michael Holroyd, 2013-06-15 A triumphant success His prose is confident clear occasionally perfect Dennis Potter The Times London It is impossible to suppose that this Life will ever be superseded the best literary biography to appear for many years John Rothenstein New York Times Written with vivacity and scrupulousness Michael Holroyd has a great novelist's sense of the obstinate mystery of the human person George Steiner The New Yorker

Lytton Strachey Michael Holroyd, 1967 **Queen Victoria** Lytton Strachey, 1921 *Lytton Strachey and the "new Biography"* Michael E. Yoss, 1993 *Lytton Strachey* Michael Holroyd, 1968 **Books and Characters** Lytton Strachey, 1922 **The Cambridge History of Twentieth-Century English Literature** Laura Marcus, Peter Nicholls, 2004 Publisher Description The Biographer and the Subject Rana Tekcan, 2010-03-01 A good biography is a well staged illusion It creates on paper a vivid rounded and immediate sense of lived life In contrast to purely fictional forms biography writing does not allow total freedom to the biographer in the creative act Ideally a biography's backbone is formed by accurate historical facts But its soul lies elsewhere Since the concern is life something more is needed Nothing dry cold or dead but a vibrant impression of life that is left in the air after one turns over the last page But how does a biographer do it The way a biographer creates a subject is largely dictated by the historical distance between them There are three types of distance in biographical writing First where the biographer and the subject personally know one another second where the biographer is a near contemporary of the subject and third where biographer and subject are distinctly separated in some cases by hundreds of years Tekcan explores how some of the most accomplished biographers manage to recreate life across time and

space She closely examines Samuel Johnson's *Life of Mr Richard Savage* James Boswell's *Life of Samuel Johnson* Lytton Strachey's *Eminent Victorians* Michael Holroyd's *Lytton Strachey* Park Honan's *Jane Austen* and Andrew Motion's *Keats*

The Bloomsbury Group and Modernity Dianne C. Betts, 2025-05-15 Historians have long noted the change in England's social and political life that occurred after the death of Queen Victoria in 1901 The Bloomsbury Group began to coalesce during the early years of Edwardian England responding to the shifts that were occurring Among these writers artists critics political scientists and economists a shared sensibility and common ethos drove the group to scrutinize middle class values and authority and to champion the priorities of the individual in the face of a stifling socioeconomic system This study examines the relationship between the Bloomsbury intellectuals and the moral compass of society Their philosophy influenced English history as each member in their own way sought to realize the civilization of their dreams constantly fluctuating between the illusion of their ideals and the disillusion of reality **Queen Victoria** Lytton Strachey, 2016-09-01

Lytton Strachey as all readers of *Eminent Victorians* know belongs with Taine and Macaulay in that small class of historians who are also artists In the vivid and beautiful pages of *Queen Victoria* one sees the Eighteenth Century of England with its cynicism elegance and philosophy fade out into the dreary respectability and moral timidity of the Nineteenth And one sees it from the standpoint of one of the chief actors a forceful and unintelligent German woman who uncomprehendingly presides over wars and political changes and gives her name to an era whose great movements mean nothing to her For anything as fine as the historic irony of this book one must go to Renan Originally published in 1921 *Queen Victoria* created a new and insistent appetite for a new and strangely delightful literary experience for excepting Anatole France it is likely there was no living writer whose public was so avid and insatiable as Lytton Strachey's **Encyclopedia of the Essay** Tracy

Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **Queering the Moderns** NA NA, 2016-04-30

In *Queering the Moderns* Anne Herrmann revisits the narrative of literary modernism and the historical uses of the term queer to explore the emergence of identities specific to modernism Queer in the modernist period 1910 1945 means strange odd out of sorts and although it begins to refer to those who are queer sexually it does not yet police a hetero homosexual divide It means crossing boundaries in unexpected directions across the Atlantic across the color line across literary conventions that dictate autobiographies can't be written by someone else Six memoirs that rely on cross gender and cross racial identifications are discussed within their specific cultural contexts so that female aviators Amelia Earhart and Beryl Markham lesbian auto

biographers Virginia Woolf and Gertrude Stein and male auto ethnographers James Weldon Johnson and Earl Lind Ralph Werther begin to queer the traditional spaces of modernism **Biofiction and Writers' Afterlives** Bethany

Layne, 2020-06-25 The twelve essays collected in this work explore the afterlives of nineteenth and twentieth century writers in biographical fiction or biofiction and its sister genre the biopic The essays situate these genres in relation to their generic cultural and ideological contexts and are organised into four groups The first locates the origins of biofiction in the historical novel and in Modernist experiments in life writing while the second consists of case studies of biofiction about writers from the long nineteenth century Charlotte Bront Henry James Constance Fenimore Woolson and Rupert Brooke A guest essay by novelist Maggie Gee opens the third group which analyses the fertile sub genre of biographical novels about Woolf while the fourth and final part of the book concerns the related genre of the biopic The volume is comprised entirely of original commissions whose authors include postgraduate students practitioners and specialists in biographical writing It will appeal to undergraduates and postgraduates on life writing and contemporary literature modules as well as fans of the featured biographical novelists and their subjects High and Low Moderns Maria DiBattista, Lucy McDiarmid, 1996 Publisher
