

UNITED NATIONS EDUCATIONAL, SCIENTIFIC AND CULTURAL ORGANIZATION

Meeting of the International Co-ordinating Council (ICC) of the Man and the Biosphere (MAB) Programme

UNESCO Headquarters, Paris, Room IV (FONTENOY Building)
12-15 June 2017

ITEM 10 OF THE PROVISIONAL AGENDA: UPDATE ON THE MAB COMMUNICATION STRATEGY AND ACTION PLAN

1. The Lima Action Plan endorsed by the 4th World Congress of Biosphere Reserves and adopted by the 28th session of the MAB Council on 19 March 2016 gives responsibility to the MAB Secretariat (D2.1; D2.2; D2.3; D2.4) to create a global communication strategy and action plan alongside with national and subnational authorities, MAB national committees (D2.1; D2.2) and regional networks (D2.2).
2. Since the adoption of the Lima Action Plan, and as recommended by the MAB Council Bureau at its 2016 September meeting, the Secretariat organized a kick-off meeting with members of the Advisory Committee and of the MAB Secretariat on 27 January 2017. This meeting was to address the first building block of the global strategy (which contains 4 blocks see slide in the annex). Block 1 sets the communication objectives in order to align all engagement activities to engagement outcomes. The engagement goal was tested during the Costa Rica communication national workshop (14-16 March 2017) with the support of the Montevideo and San Jose UNESCO offices as well as at the EuroMAB regional meeting (4-7 April 2017) with support from France.
3. These outcomes were presented at the MAB Bureau at its meeting on 27-29 March 2017, which expressed its overall support and appreciation. In addition, the EuroMAB network at its last meeting in April 2017 also worked on identifying target audiences at national and regional levels (who to engage with and understand what they value so we can connect with them, block 2) and to create inspirational key messages (block 3). A presentation of the work achieved so far, including during the EuroMAB 2017 meeting was to be shared and presented at the ArabMAB network meeting in May in Algeria.
4. The results of these workshops are summarized in the annex of this document, with the engagement goal, the target audiences, key messages and several examples of activities already implemented by France, Spain and Sweden in connection with the SDG's.
5. The next steps include continuing working on the three other building blocks of the global communication strategy in all regions, including in Africa and Asia at their next regional meetings. An online survey will be developed to uncover the common barriers to communication and stakeholders engagement across the WNBRL. A webinar will be hosted in October 2017 to answer questions on the draft strategy and encourage the WNBRL to test the implementation and to evaluate the effectiveness of the strategy. This will include to select activities and best methods to deliver out MAB message to the target audience in order to have the greatest measurable impact.
