Guaranteed to change how you picture Prohibition this lively history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast Firebrands is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women s political power since women gained the right to vote and their influence on the American political scene wouldn t be equaled for decades In Gioia Diliberto s fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman s Christian Temperance Union who campaigned fiercely to

introduce Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In Firebrands Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture

A. McKeve, 2021-11-30 Stella Granny Reid's youth wasn't the only thing changed by time in tiny nondescript McGill Georgia Except even back in the 1980s the Southern town still had a way of attracting downright dubious characters some with a talent for murder As quirky as McGill's residents can be they usually welcome society's oddballs and outcasts into the community with open arms But the three members of the Lone White Wolf Pack are a different story Townsfolk aren't feeling the least bit neighborly toward the gang widely believed to have orchestrated several hate crimes in the area When the group's leader Billy Ray Sonner is found dead in an abandoned motel most assume it was the result of an accidental overdose An unfortunate yet predictable end for a man who lived the way Billy did Only Stella and the sheriff have witnessed the crime scene in person and suspect something more disturbing happened in that ramshackle room While Stella wades through a flood of potential culprits one thing becomes clear this wasn't an

impulsive act of revenge There s a sophisticated killer on the loose and Stella must expose deep rooted fears and dark pasts if she wants to crack a carefully planned murder and stop McGill from descending into chaos *Prehistoric Mabel* Charles

The Memoirs of Robert and Mabel Williams Robert F. Williams,Mabel R. Williams,2025-05-09 Born in Jim Crow era

Monroe North Carolina Robert F Williams and Mabel R Williams were the state s most legendary African American freedom fighters The Williamses leadership in Monroe was just the beginning of a lifelong pursuit of freedom and justice for Black people in the United States and for oppressed populations throughout the world Their activism foreshadowed major developments in the civil rights and Black Power movements including Malcolm X s advocacy of fighting oppression by any means necessary the emergence of the Black Panther Party and Black solidarity with Third World liberation movements Robert documented his experiences in Monroe in his classic 1962 book *Negroes with Guns* and completed a draft of his

memoir While God Lay Sleeping months before his death in 1996 Mabel began a memoir of her own before her death in 2014 The family selected John Bracey Jr Akinyele K Umoja and Gloria Aneb House to edit and complete the manuscripts which are presented together in this book offering a gripping portrait of these pioneering freedom fighters that is both deeply intimate and a fierce call to action in the ongoing fight against racial injustice *The Marvelous Magic of Miss Mabel* Natasha Lowe,2017-08-29 Companion book to The courage of Cat Campbell and The power of Poppy Pendle **The Legend of Mighty Mabel** Vance Avis,2011-08-03 In the distance the ominous rumblings of thunder can be heard while a dark drizzle begins to fall on a dreary summer afternoon that makes no sunny pretenses about what is coming Albert is at Professor Charles house for a high energy physics lesson when a friend bearing a high energy piece of bad news bursts through the doorway The news relates to the murder of a dear friend a week ago and what Albert saw on that foggy night There was a ghostly figure wielding a sword in a rowboat near the scene of the riverbank killing Prof Charles quickly states Albert there is a sword in a diabolically haunted mansion not far from here The mansion was owned by a rich man who was so sinister that many considered him to be the Devil incarnate and he was referred to as The Sovereign of Sin Upon his death several morbidly evil spirits hastily escaped to various rooms of the mansion In one of those rooms is a knight with a sword But the mansion is confusing in its construction and those brave enough to have entered it while being stalked by rattling chains cannot agree on where the room is Albert s girlfriend Molly has just arrived Molly s mother Mabel is a revered teacher and she often helps Albert by telling him her Lessons of Life Sometimes ideas that have become part of our entrenched assumptions need to be looked at again Reexamine all your assumptions even those you find irrefutable and relook at clues you have been unable to fit into any assumption Perhaps that will lead you in new directions The news of a sword accessible to the murderer gives Albert and Molly a new clue to follow Molly considers finding the killer their higher calling and Albert follows clues with the enthusiasm and perspicacity of Sherlock Holmes They start their journey with trepidation The densely tree surrounded path to the haunted mansion begins surreally serene given that its destination is the home of The Sovereign of Sin Only the storm clouds and the heavy mist add a subtle version of reality which precedes the more demanding version that occurs when a huge lightning strike hits nearby The closer Albert and Molly get to the haunted mansion the more the path takes on the threatening encompassment of their goal The trees and thick overgrowth turn into strangely evil forms as they become darkly shadowed and more impenetrable and the sky fills with ghost shaped black rain clouds that close in on Molly and Albert and move and morph and forebode the fast approaching ill omened night Then another massive lightning strike with its bone rattling thunder shakes Molly and Albert s nerves raw Did you see that exclaims Albert terrifyingly as he points up to a spot in one of the trees ahead of them See what asks Molly worriedly During the lightning up in that tree I saw something staring at us anxiously responds Albert It was the form of a ghost which looked to me like one of the morbidly wicked spirits that The Sovereign of Sin turned into upon his death As they slowly walk past the tree each stares up at the

spot then another lightning flash occurs and instantaneously both their expressions turn ghostly fear stricken They run past the tree Albert exclaims So you saw The Sovereign of Sin s malevolent spirit No cries Molly I saw the Grim Reaper reaching out to grab me Great ghouls declares Albert Aren t we two with our spine chilling imaginations going to have fun in the haunted mansion Albert and Molly have many grand adventures in store for them as they follow clues to a killer lurking near the rich waters of the grand ol river and its lush surrounding forest The Legend of Mighty Mabel is the story of a summer of wonderful joy great adventures scary fun fun for the sake of fun and a bit of romance And it is the story of the bravery the love and the Lessons of Life of Mighty Mabel
