Mabini's Ghost Ambeth R. Ocampo, 1995 History of the Philippines during the Spanish colonialization *Mabini's Ghost* Ambeth R. Ocampo, 1995 History of the Philippines during the Spanish colonialization **Asian Place, Filipino Nation** Nicole CuUnjieng Aboitiz, 2020-07-14 The Philippine Revolution of 1896-1905 which began against Spain and continued against the United States took place in the context of imperial subjugation and local resistance across Southeast Asia. Yet scholarship on the revolution and the turn of the twentieth century in Asia more broadly has largely approached this pivotal moment in terms of relations with the West at the expense of understanding the East East and Global South connections that knit together the region's experience. *Asian Place, Filipino Nation* reconnects the Philippine Revolution to the histories of Southeast and East Asia through an innovative consideration of its transnational political setting and regional intellectual foundations. Nicole CuUnjieng Aboitiz charts the turn of the twentieth century Filipino thinkers and revolutionaries' Asianist political organizing and proto-national thought, scrutinizing how their constructions of the place of Asia connected them to their regional neighbors. She details their material and affective engagement with Pan-Asianism, tracing how colonized peoples in the periphery of this imagined Asia, focusing on Filipinos but with comparison to the Vietnamese, reformulated a political and intellectual project that envisioned anticolonial Asian solidarity with the Asian center of Japan. CuUnjieng Aboitiz argues that the revolutionary First Philippine Republic's harnessing of transnational networks of support, activism, and association represents the crucial first instance of Pan-Asianists lending material aid toward anticolonial revolution against a Western power. *Uncovering the Pan-Asianism of the periphery and its critical role in shaping modern Asia*. *Asian Place, Filipino Nation* offers a vital new perspective on the Philippine Revolution's global context and content.

READING THE PARABLES OF JESUS INSIDE A JEEPNEY Revelation E. Velunta, 2017-11-01 If you've ever driven down the entire length of Aurora Blvd in Cubao or any regular in-city route for that matter, you would know how Jeepneys bring a whole new meaning to the word disruptive. They snake through traffic at full throttle and screech to a full stop all while incessantly honking, cutting corners, and negotiating with passengers to scoot over and make room so more passengers can board. Most private car owners, me included, will find jeepneys annoyingly frustrating. I am a church worker, see, and I try to keep my cussing at a level minimum, but when I am sharing the road with jeepney drivers, all bets are off. I scream, and all hell breaks loose from my mouth. The object of irritation would be the Jeepney and its driver. The apparent lack of consideration for law-abiding motorists like me, the blatant disregard for traffic rules, and the thorough abandonment of all good manners and right conduct on the road. So it seems. You see, jeepneys ferry tired day laborers, students, public school teachers, taho vendors, rank-and-file employees, fast-food servers, strangers, and friends back to their homes after a very long day. The Jeepney and its counterpart, the tricycle, is the only reliable means of transport in almost all major thoroughfares in the metro. Jeepney drivers are your salvation when it's monsoon season when you need to get from one end of the street to the other for

just 8 Pesos When you experience the jeepney by virtue of your road encounter from your airconditioned car with cherry bubble gum freshener and Bruno Mars on spotify you will most likely hate jeepneys for everything that they are annoying frustrating disrupting But if you experience the jeepney as your everyday mode of transport the rest of the bourgeois world is just one huge shitpile of things and people that make your life more difficult than it already is Revelation Velunta s Jeepney Hermeneutics brings to the fore this contrast of locations It surfaces a reading that when done from inside a jeepney could breathe a whole new truth into the text any text but more profoundly the Parables attributed to Jesus of Nazareth In the era of allegory and standard interpretations and proper driving conduct and road manners Velunta s Jeepney Hermeneutics is a necessary disruption to the ways in which we as faithful Bible readers and law abiding motorists capable of doing no wrong conduct and view ourselves Reading the Parables of Jesus inside a Jeepney is good news for everyone in the jeepney which is roughly 70% of the general population in the Philippines It is bad news for those in the remaining 25% and an absolute horror story for those in the uppermost 5% And if truth is a matter of statistics the truth that is preached by Velunta is indeed true Those who would feel insulted by these truths will realize by the end of this book that they are exactly that which is wrong in this world and they should quite honestly repent before a Jeepney runs them over by Pastor Kakay Pamaran

Looking Back Ocampo Ambeth,2012-10-18 Hindsight is the lowest form of intelligence except for historians In this handy collection of Ambeth Ocampo s Looking Back column pieces the popular historian digs deep and looks back carefully at events places and important people who make up the country s history *ANUMANG HIRAM KUNG HINDI MASIKIP AY MALUWANG REVELATION ENRIQUEZ VELUNTA*,2006-03-08 Seminaries and divinity schools have for years been described as marketplaces of ideas Unfortunately many such institutions have been marketplaces or more appropriately malls of Western ideas In other words if one were to go shopping in these malls of theological education one will be amazed by the number of stalls stores and shops offering imported goods from theologies to liturgies to libraries to models of hermeneutics I cringe at the thought that the more we train our students the further they are drawn away from the poetry and the arts the thought forms and patterns the hermeneutics the sentiments and feelings and the imaginative and visioning processes of their own people 1 Anumang hiram kung hindi masikip ay maluwang Anything borrowed is either too tight or too loose The saying is true with clothes It is equally true with theology Panahon na upang iguhit ang sariling palad Panahon na upang lilukin ang sariling hugis Ihabi ang sariling talambuhay 2 We need more shops that proudly offer the depth and the breadth of diverse Filipino articulations and constructions of theology Anumang hiram kayang iwasto para sakto Nevertheless the Filipino has the ability to transform anything borrowed to fit him or her perfectly We also need more stores that showcase the Filipinos religious imagination that empowers them to beat swords into ploughshares to turn weapons of mass destruction into instruments for mass celebration and to transform US military jeeps into Filipino mass transport jeepneys This anthology is an attempt at doing both 1 Romeo Del Rosario quoted in Carlos Abesamis What is Inside the Wooden Bowl

Maramba,2017-09-22 A collection of essays as testament to a teacher s many sided engagement with the world Every page is filled with wisdom and awe for the things we take for granted **Looking Back 4** Ocampo Ambeth R.,2021-05-05 Ambeth Ocampo on the inspiration behind this collection of essays Chulalongkorn s elephants are the bronze elephants the King of Siam gave to Singapore and Java as gifts during his travels in 1871 I met the Singapore elephant first as I traced Rizal s footsteps and found a reference to it in his diary It was upon meeting next the Jakarta elephant that prompted me to compile this collection of essays that begins and ends with an elephant More reflective than usual and going beyond Rizal and my 19th century comfort zone these explorations still carry my trademark irreverent humor *Looking Back 5* Ambeth R. Ocampo,2021-06-18 In this book besides offering the usual juicy titbits he looks back not just at our history but also on his life as an historian this book being written for his 50th birthday His introduction alone is already worth the price of admission *Looking Back 2* Ambeth Ocampo,2012-10-18 Ambeth Ocampo always makes historical figures come alive blemishes and all and with his curious eye make our heroes very human and not the mythic figures that we want to make of them He makes history enjoyable reading while at the same time makes it anchor us to the past and therefore and hopefully prepares us for the future F Sionil Jose National Artist for Literature **Looking Back 6** Ambeth R. Ocampo,2021-07-14 In these beguiling essays on what lies beyond the fringes of Philippine recorded history whether pointing out the laughing carabao on the margins of a centuries old map or combing for shards of Ming porcelain on a coral beach Ocampo reminds us that the endless gathering and joining and breaking apart of apparently useless bits is after all what makes us what we are and connects us with others in their own quest for identity **Historical Dictionary of the Philippines** Artemio R. Guillermo,2012 The Historical Dictionary of the Philippines Third Edition contains a chronology an introductory essay an extensive bibliography and several hundred cross referenced dictionary entries **In the Crosshairs** Stephen Spignesi,2016-09-27 Assassinations often change the course of history Here is an intriguing look at dozens of notable assassinations and attempts throughout history including complete details about the assassin the victim the circumstances of the attack and the outcome In the Crosshairs also features photos of many of the victims or would be victims and rare archival material including excerpts from original police reports High profile celebrities political figures religious leaders and many others have fallen prey to assassins and many have survived In the Crosshairs is arranged in alphabetical order by last name and includes such details as On November 8 1939 Adolf Hitler narrowly escaped an assassination attempt 12 minutes after he left a room where he was making a speech a bomb went off Egyptian President Anwar el Sadat would probably have survived the assassin s bullet on October 6 1981 if he hadn t taken off his bulletproof vest but he didn t like the way it made his suit bulge Robert John Bardo the murderer of young actress Rebecca Schaeffer carried with him to the crime scene a copy of J D Sallinger s The Catcher in the Rye just like Mark David Chapman did when he murdered John Lennon nearly nine

years earlier From notable murders Abraham Lincoln Gianni Versace and Indira Gandhi to little known attempts George W Bush Wild Bill Hickock and Andy Warhol here is a surprising informative and intriguing book that deserves to be on every history buff's bookshelf Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Looking Back 3 Ambeth Ocampo, 2012-10-18 The cause of history writing owes Ambeth Ocampo a great deal By his extraordinary use of a relatively new genre he has rescued history from the cold forbidding halls of academe He has made of history something amusing entertaining as immediate as a newspaper headline as relevant as a rapper's song Carmen Guerrero Nakpil **Bonifacio's Bolo** Ambeth R. Ocampo, 1995 Filipinas Magazine, 2001 *Ghost Soldiers* Hampton Sides, 2002-09-17 NATIONAL BESTSELLER The greatest World War II story never told Esquire an enthralling account of the heroic mission to rescue the last survivors of the Bataan Death March from the author of *Blood and Thunder* On January 28 1945 121 hand selected U S troops slipped behind enemy lines in the Philippines Their mission March thirty rugged miles to rescue 513 POWs languishing in a hellish camp among them the last survivors of the infamous Bataan Death March A recent prison massacre by Japanese soldiers elsewhere in the Philippines made the stakes impossibly high and left little time to plan the complex operation In *Ghost Soldiers* Hampton Sides vividly re creates this daring raid offering a minute by minute narration that unfolds alongside intimate portraits of the prisoners and their lives in the camp Sides shows how the POWs banded together to survive defying the Japanese authorities even as they endured starvation tropical diseases and torture Harrowing poignant and inspiring *Ghost Soldiers* is the mesmerizing story of a remarkable mission It is also a testament to the human spirit an account of enormous bravery and self sacrifice amid the most trying conditions Literature-based Reading Programs Lina B.
