Macbeth Audio:

The Sarah Siddons Audio Files Judith Pascoe, 2013-03-01 The theatre scholar's daunting but irresistible quest to recover some echoes of performance of the past has never been more engagingly presented than in Pascoe's account of tracing the long silenced voice of Sarah Siddons. Her report is a warm, witty and highly informative exploration of the methodology and the pleasures of historical research. Marvin Carlson, author of *The Haunted Stage: The Theatre as Memory Machine*. During her lifetime 1755-1831 English actress Sarah Siddons was an international celebrity acclaimed for her performances of tragic heroines. We know what she looked like; an endless number of artists asked her to sit for portraits and sculptures, but what of her famous voice, reported to cause audiences to hyperventilate or faint? In *The Sarah Siddons Audio Files* Judith Pascoe takes readers on a journey to discover how the actor's voice actually sounded. In lively and engaging prose Pascoe retraces her quixotic search, which leads her to enroll in a Voice for Actors class to collect Lady Macbeth voice prints and to listen more carefully to the soundscape of her life. Bringing together archival discoveries, sound recording history and media theory, Pascoe shows how romantic poets' preoccupation with voices is linked to a larger cultural anxiety about the voice's ephemerality. *The Sarah Siddons Audio Files* contributes to a growing body of work on the fascinating history of sound and will engage a broad audience interested in how recording technology has altered human experience.

Macbeth Nick Moschovakis, 2008-03-03 This volume offers a wealth of critical analysis supported with ample historical and bibliographical information about one of Shakespeare's most enduringly popular and globally influential plays. Its eighteen new chapters represent a broad spectrum of current scholarly and interpretive approaches from historicist criticism to performance theory to cultural studies. A substantial section addresses early modern themes with attention to the protagonists and the discourses of politics, class, gender, the emotions and the economy, along with discussions of significant minor characters and less commonly examined textual passages. Further chapters scrutinize Macbeth's performance, adaptation and transformation across several media: stage, film, text and hypertext in cultural settings ranging from early nineteenth century England to late twentieth century China. The editor's extensive introduction surveys critical theatrical and cinematic interpretations from the late seventeenth century to the beginning of the twenty-first, while advancing a synthetic argument to explain the shifting relationship between two conflicting strains in the tragedy's reception. Written to a level that will be both accessible to advanced undergraduates and at the same time useful to postgraduates and specialists in the field, this book will greatly enhance any study of Macbeth. Contributors: Rebecca Lemon, Jonathan Baldo, Rebecca Ann Bach, Julie Barmazel, Abraham Stoll, Lois Feuer, Stephen Deng, Lisa Tomaszewski, Lynne Bruckner, Michael David Fox, James Wells, Laura Engel, Stephen Buhler, Biqi Beatrice Lei, Kim Fedderson and J. Michael Richardson, Bruno Lessard, Pamela Mason.

Macbeth, 2019 *Sound effects* Laura Jayne Wright, 2023-06-27 This book shows that the sounds of the early modern stage do not only signify but are also significant. Sounds are weighted with meaning, offering a complex system of allusions.

Playwrights such as Jonson and Shakespeare developed increasingly experimental soundscapes from the storms of King Lear 1605 and Pericles 1607 to the explosive laboratory of The Alchemist 1610 Yet sound is dependent on the subjectivity of listeners this book is conscious of the complex relationship between sound as made and sound as heard Sound effects should not resound from scene to scene without examination any more than a pun can be reshaped in dialogue without acknowledgement of its shifting connotations This book listens to sound as a rhetorical device able to penetrate the ears and persuade the mind to influence and to affect Macbeth (with audio) William Shakespeare,2012-04-24 Enhanced ebook edition of Macbeth featuring a full cast audio performance of the play starring James Marsters as Macbeth and Joanne Whalley as Lady Macbeth Listen to the play scene by scene as you read the text or listen to the play in its entirety while reading text summaries of each scene Infamously known as the cursed Scottish play Macbeth is perhaps Shakespeare s darkest tragedy When General Macbeth is foretold by three witches that he will one day be King of Scotland Lady Macbeth convinces him to get rid of anyone who could stand in his way including committing regicide As Macbeth ascends to the throne through bloody murder he becomes a tyrant consumed by fear and paranoia By merging text and audio this ebook is a perfect learning tool for enhancing comprehension and enjoyment It is highly recommended as a study aid for students teachers actors and directors Widely read in high school and college Macbeth is a text exemplar of the Common Core State Standards for English Language Arts Includes scene by scene and word for word text and audio of L A Theatre Works full cast performance starring James Marsters as Macbeth Joanne Whalley as Lady Macbeth Josh Cooke as Banquo and others JD Cullum as Macduff and Second Murderer Dan Donohue as Ross Jeannie Elias as Second Witch and others Chuma Gault as Lennox and Servant Jon Matthews as Malcolm Alan Shearman as Angus and others Andr Sogliuzzo as Donalbain Third Witch and others Kate Steele as Lady Macduff First Witch and Apparition Kris Tabori as Duncan and others Directed and adapted by Martin Jarvis for L A Theatre Works **RT William Shakespeare: Macbeth 6-Pack with Audio** Harriet Isecke,Tamara Hollingsworth,2010-07-08 Act out the tragic story of Macbeth a Scottish general who becomes fixated with a prophecy that he will become king At his wife s urging he begins murdering his way to the throne to make the prophecy come true However the couple crazed with guilt and paranoia cannot enjoy their reign and must pay for their wrongful actions This script features roles written to match different reading levels supporting differentiation and English language learner strategies By utilizing differentiation strategies teachers can assign specific roles to their readers based on everyone s current reading level This feature allows everyone to get involved in the same activity and feel successful All readers can gain confidence in their reading fluency through performance regardless of their current reading ability While performing with others students will practice interacting cooperatively reading aloud and using expressive voices and gestures to better tell the story This script also features an accompanying poem and song to give readers additional fluency practice This dynamic colorful script is the perfect tool for a classroom of diverse readers It will surely get everyone participating and confidently practicing
