666 Revealed, Book II Jack H. Smith,2013-06-19 There appears to be no cessation of written material relating to End Times theology generally and to the Apocalypse specifically Sadly much if not most of it runs counter to the clear teachings of Scripture A misquoted verse here and an extrapolation there one wonders when the dust will finally settle and a spiritually and scripturally accurate picture will begin to emerge In this volume Jack Smith explores the issues with due diligence searching the Scriptures and ever seeking the Guidance of the Holy Ghost with all soberness of thought and attitude Who or what is the antichrist Who is the false prophet and Who or what is the whore of Babylon With the Bible in one hand and a prayer for Guidance ever on his lips Jack Smith has discovered and here reveals the answer to those questions The author is keenly aware that these Truths will not be eagerly received by the bulk of Modern Christendom And so much the worse as there has never been a time they are more pertinent more relevant and more necessary to know than in this present hour as we approach the eclipse of human history
