To be Mayor of New York Chris McNickle, 1993 From Tammany Hall to the election of David Dinkins *To Be Mayor of New York* offers insights into the effect of ethnic competition on the demise of urban political machines Beginning with a colorful assessment of New York City s Tammany Hall as it existed in the late nineteenth century McNickle traces the effect of the arrival of large numbers of Jewish and Italian immigrants and later black and Puerto Rican migrants on the Irish dominated political machine He focuses on the political passage of Jewish immigrants through the various small parties unique to New York socialist

American Labor and Liberal Later he describes their attraction to various factions of the traditional Democratic and Republican parties He spotlights the willingness of large numbers of Jewish voters to cast ballots for third party candidates on the basis of their shared philosophical commitments and political priorities McNickle then examines mayoral campaigns between 1945 the end of the LaGuardia era and 1989 during which the Irish receded and Jews and later African Americans emerged as the most important ethnic groups in local politics To Be Mayor of New York offers the most complete study of the development of Jewish political participation in New York Placing a rise of the New York City Reform Movement in historical perspective the author explains the election of New York's first Jewish mayor Abe Beame and the first African American mayor David Dinkins as part of the political evolution of both these groups

America's education system and democracy for the worse Drawing on interviews with elected officials policy entrepreneurs parents and activists in Albany NY Straus argues that charter schools are a poor alternative to failing public schools ultimately worsening racial segregation under the guise of providing underprivileged students with access to better education Taking a wide ranging view the author explores why parents elected officials and community activists may or may not choose to leave the public education system by enrolling their children in charter schools Straus finds that when families of color leave public schools in favor of charter schools this removes their democratic voice and participation diminishing their political power in a high stakes area of public policy Divided by Choice highlights the fundamental flaws of one solution to public education inequalities at a time when racial tensions are at an all time high **Mayor Erastus Corning** Paul Grondahl, 2007-09-07 Grondahl's classic biography of Albany's mayor for life now available in paperback **The Annals of the American Academy of Political and Social Science** ,1978 **American Political Science Research Guide** ,1977
