Miss Hobbema Pageant:

The Miss Hobbema Pageant W. P. Kinsella, 1989 *The Miss Hobbema Pageant* W. P. Rasporich, 2015-09-15 Made in Canada Humour is an interdisciplinary survey and analysis of Canadian humour and humorists in the nineteenth and twentieth centuries The book focuses on a variety of genres It includes celebrated Canadian writers and poets with ironic and satiric perspectives oral storytellers of tall tales in the country and the city newspaper print humorists representative national and regional cartoonists and comedians of stage radio and television The humour gives voice to Canadian values and experiences and consequently techniques and styles of humour particular to the country While a persistent comic theme has been joking at the expense of the United States both countries have influenced one another's humour Canada's unique humorous tradition also reflects its emergence from a colonial country to a postcolonial and postmodern nation with contemporary humour that addresses gender and racial issues **Shoeless Joe** W. P. Kinsella, 1999 Inspiration for the movie Field of Dreams Shoeless Joe is the ultimate baseball novel **Coyote Country** Arnold E. Davidson, 1994 For most North Americans Canadians as well as Americans the term Western evokes images of the frontier brave sheriffs and ruthless outlaws good cowboys and bad Indians As Arnold E Davidson shows in this groundbreaking study a number of Canada's most interesting and experimental Western writers parody reverse or otherwise defuse the paraphernalia of the classic U S Western Lacking both a real and imagined frontier Canadian settlers rode trains into the new territory already policed by Mounties the writers of Canadian Westerns were set a different task from their American counterparts and were subsequently freed to create some of the most complex and engrossing fiction yet produced in Canada Davidson details the evolution of the U S and Canadian Western forms tracing the divergence between the two as Canadian writers responded to their unique historical circumstances by reinventing the West as well as the Western and

establishing a new literary landscape where author and reader could work out new possibilities of being. Surveying a range of texts by Canada's most innovative writers with special attention to women writers and Native stories of Coyote, he provides close readings of novels by Howard O'Hagan, Sheila Watson, Robert Kroetsch, Aritha van Herk, Anne Cameron, Peter Such, W.O. Mitchell, Beatrice Culleton, and Thomas King. A unique study, *Coyote Country* offers at one and the same time a theory of Canadian Western fiction, a history of crosscultural paradigms of the West as manifested in novels, and an intensive reading of some of Canada's best literature.

Indigena Awry Annharte, 2012-11-30 NDN word warrior Marie Annharte Baker's fourth book of poems *Indigena Awry* is her largest and wildest yet. It collects a decade's worth of verse: fifty-nine poems set noticeably in Winnipeg and Vancouver but in many other places on either side of the Medicine Line, as well. The poems are a laser-eyed meander through contested streets filled with racism, classism, and sexism. Shot through with sex and violence and struggle and sadness and trauma, her work is always set to detect and confront the delusions of colonialism and its discontents. These poems are informed by a sceptical spirituality. They call for justice for NDNs through the Permanent Resistance that goes around in cities. This is bruising and exacting stuff, but Annharte is also one of poetry's best jesters. In *Indigena Awry*, you can find fictitious girl gangs coexisting with real boy ones. NDN grannies may be found flirting salaciously in some internet chat room. One might use duct tape to prevent a war. You might be worried that hand signalling for a Timbit on an airplane flight will be considered a terrorist act. Annharte may be seam-walking a singular path, but she is not without allies. In the United States, they could include Leslie Marmon Silko and Chrystos. In Canada, Beth Brant and Gerry Gilbert. The jazz inflections of Beat writing are often apparent in her work. She swings from a poetic madness into a mad poetics. Way under it all, acting as a deep sort of platform, could be considered the Kenyan writer Ngugi wa Thiong'o's project of decolonizing one's mind. Both sketch out an argument that we will not see, feel, or respond correctly in or to our own lives without doing this, because otherwise we will be living within a philosophical myopia generated by a bad fiction. While *Indigena Awry* is written for NDN persons, it is highly recommended for truth-seekers of every nature and anarcho of word and spirit. In an Annharte poem, you might lose your way only to find what's important.

The Iowa Baseball Confederacy W. P. Kinsella, 2003 From the author of the bestselling *Shoeless Joe* comes another vintage baseball tale that like magic holds together and entices you from one page to the next until, at the end, you ache for more. *Milwaukee Journal*

Listening to Old Woman Speak Laura Smyth Groening, 2005-01-18 Groening argues that what Frantz Fanon terms the manichean allegory has shaped European understanding of the New World to such an extent that the image patterns fundamental to the allegory continue to dominate depictions of Native characters. Although a world separated into two categories defined by light and dark, reason and emotion, mind and body, technology and nature, future and past is no longer also characterized as good and evil, revaluing the tropes has not made them disappear. And without their disappearance, good intentions notwithstanding, nonaboriginal Canadian writers will continue to portray Native characters as part of a dead and dying

culture Groening demonstrates that the real issue cannot be about censorship as censorship involves the abrogation of freedom and the imagination is never truly free *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson, L.W.
