**Strindberg's The Ghost Sonata** Egil Törnqvist, 2000 Generally considered one of milestones in the development of modern drama August Strindberg's chamber play *The Ghost Sonata* 1907 has variously been hailed as the first expressionist surrealist and absurdist drama In this monograph of the play as text and as performance the first of its kind Egil Törnqvist examines in four chapters the source text various translations of it into English the stage versions of Max Reinhardt Olof Molander and Ingmar Bergman and select radio and TV adaptations In two framing chapters the background and impact of the play are illuminated Focusing on Bergman's 1973 production the book in addition contains a rehearsal diary and a transcription of this production It is concluded with an annotated list of select productions *Neo Classic Vision* Dr. Balwinder Singh, 2016-04-29 The tragic vision judiciously lies embedded in the clash between morality and immorality As such immorality is more pronounced in John Dryden's *All for Love* In this tragedy all limits of immorality are broken The hero Antony falls flat into the grip of the heroine Cleopatra Whatever order she gives he blindly bows before her Antony an awesome warrior is rendered all pale in front of her What a pitiable situation Antony was an expert in winning land battles but at the behest of Cleopatra he had to go in for sea battle and lost and later out of shame had to commit suicide Antony's situation comes to such a pass that even Cleopatra has to admit Sunk never more to rise V 85 See the evolutionary trajectory

traveled by tragedy First it was fate then it was character and now it s immorality that dragged the hero into tragic situation

**Shakespearean Tragic Vision** Dr. Balwinder Singh, 2016-04-29 Shakespeare s tragic vision has its roots firmly grounded in the thrust and theme represented by the Elizabethan tragic view Here fate isn t character but it is the character that creates valley like tragic fate Due to this flaw in his character Lear got himself fated to be doomed in the world of suffering Again Shakespeare s Timon suffers for being poor judge human nature He buys flatterers not friends By the way friends aren t for sale the fact Timon must have been aware of No gods or prophecies never ever directed their actions In a world where man is surrounded by Gonerils Reagans and Edmunds man must have strong cerebral part of character to treat them judiciously Other heroes of Shakespeare s tragedies became zeros due to the hamartia a flaw in their character e g Hamlet was indecisive Othello was over passionate etc Etc With the passage of time paradigms do undergo transformation i e Greek tragic vision got replaced by the Shakespeare s

**Three Tragedies** Dr. Balwinder Singh, 2016-04-29 This book Sophocles Oedipus Rex Shakespeare s King Lear and O Neill s Mourning Becomes Electra as tragedies delves deep into skein of tragic tangle to delineate how and why tragedy happens with man It would explore what tragedy means It would also highlight the paradigmatic shifts the tragedy has undergone right from the Greek period through the Shakespearean to the Modern period During the Greek period tragedy in the scheme of things was predominantly dominated by divine order The plan and plot was almost preordained through prophecies and oracles In Shakespeare s era it was centered more on character of man In Modern times heroes got trapped in tragic traps due psychological problems and the concept of tragedy in its various aspects e g plot character tragic thought diction and other ingredients like masks and chorus from the ancient times through the Shakespearean up till the Modern period tragedy is all alive with its tragic impact intact

**Greek Tragic Vision** Dr. Balwinder Singh, 2016-04-29 A critical study of the Greek tragic vision in the context of other plays taken for the purpose manifests that the conceptualization of tragedy has followed three paradigmatic shifts The Greeks believed in Divine universe higher than the mundane which impacted upon the latter for good and bad in response to its own moral order and its canons For example Sophocles Oedipus is fated to commit parricide and incest even before his birth Euripides Medea takes help from the sun god Aegeus goes to Delphi to know the reason of his remaining issueless Medea is a sorceress and invokes the supernatural powers to kill her foes In other tragic visions like that of Shakespeare s Neoclassical and Modern tragic vision it s hardly so The application of various perspectives of Aristotle Aurobindo Jung Joseph Campbell George A Kelly Tony Wolfe etc would help us unfurl the skein tragic tangles in the life we human beings
