Policape,2009-07-07 Summary T HE GIFT OF MISFORTUNE CHRONICLES THE STORY OF A YOUNG HAITIAN IMMIGRANT TORN BETWEEN HIS NATIVE LAND WHICH HE LOVES UNCONDITIONALLY AND AN ADOPTED COUNTRY THAT HE FALLS IN LOVE WITH AT FIRST SIGHT However once he reluctantly arrives in his new country in spite of himself he loves it but three major obstacles surface that alter his attitudes and eventually his life his natural kinship with the Christian notion of poverty and wealth his encounter with his adopted father friend Thomas who is very critical of America and the most important the obstacle that makes him change his attitude about American culture and democracy his malevolent and greedy wife Monica Politics religion fear deception greed courage and revelation all come to play in the journey of Armand who brings a willing sister to the United States while his heart and soul is still in Haiti During Haiti s most turbulent recent times Armand and sister Deborah become concerned about the chaos that is claiming the streets of Port au Prince The fear violence murder and hopelessness were affecting not only the poor and desperate but the wealthy and desperate as well Deborah wants to go and so one morning she wakes up in her comfortable house After hearing another story of one of her friends put to death because

they will not join the military of Baby Doc Jean Claude Duvalier she wants to go out of Haiti as both patriot and citizen Deborah cannot go anywhere without her brother Armand and though he too is frightened he feels that he can't leave Haiti They are not involved in politics but are religious Armand fundamentalist Protestant and Deborah traditional Catholic They are still thrust into the politics of the country They attend the finest school in Haiti and they attend this school with the country's elite who are pro Duvalier With warring factions violence spurting all around them certain friends disappearing overnight never to return and some friends demanding them to choose between their neutral political life and the need for them to get involved in the Duvalier government and concerns for Deborah's freedom since an important Duvalier official might want Deborah for his son they hatch a plan to escape to the United States of America In the beginning it is Deborah and not Armand who wanted to abandon Haiti but Armand has to go to protect his sister and make sure she got there safely After making a careful trip to Bainet to get money from their very wealthy parents they leave for the United States of America Armand leaves with a heavy heart because unlike Deborah he wanted to stay in Haiti to do religious work which would end up looking like political work since Armand has a close connection and passion for the poor But because of family and tradition Deborah becomes the major priority Armand starts a whole new journey when he gets on that plane to the United States and lands in New York City where his relatives and friends are awaiting him and Deborah In New York City he is immediately thrown into a quandary Though he misses Haiti he excitingly falls in love with the United States and New York City On his beginning U.S. journey he is introduced to the two most important people in his life and the two most important characters in the novel Also he is introduced to two of the most important persons he met in his life in the United States Thomas a radical Christian socialist who constantly places the United States into the glaring light of expectation and reality and compels Armand to go beyond his strict religious beliefs to uncover deeper truth about a society that worships the material greed and the other person is Monica a young woman of questionable reputation but has sterling charm a charm that in spite of all of the warning of Armand's family and church friends got Armand to marry her The novel unfolds with these two polar opposite ch

true love and its essence to his wife Kajol and everyone searching for it In Secrets of Pontorson Shukanta Roy discovered a secret that helped the Allied Army launch a D Day attack on the German Army The story Tentacles of PTSD opened the impact of post traumatic stress disorder on the minds and spirits of American servicemen who were wounded during the Iraq War In the story Coincident the author experiences a dream while staying at Pontorson France In the story Quest for a Simple Life the arranged marriage between Saurav and Laxmi becomes strained even though both want to live a simple life However the meaning of simple life differed by almost 180 degrees A Tale of a Married Life is a love story between Pankaj and Kabita Addiction to alcohol and drugs pushed Pankaj to near death but Kabita s unconditional love pulled him out of the inferno of death for many years Then the inevitable struck him down Pankaj left physically but his soul was inside the Alpha X1 to lean on and protect Kabita from boredom and loneliness

Born Poor Chandan Gopal Chari,2023-08-09 Born Poor is a story based on true incidents which I witnessed with my very own eyes It depicts how many women from various South Asian East Asian countries and Africa travel to the Middle East full of dreams and hopes They accept meager salaries which however translates into a decent earning back home thanks to currency exchange values Most work as housemaids Consequently they sacrifice their whole life and also fall prey to their bosses They are sexually abused even raped and full of guilt they do not wish to live any more Take the case of a young and beautiful Filipino girl who worked as a housemaid and was threatened with execution in the United Arab Emirates at the age of 16 She had been sentenced by an Islamic court on the charge of stabbing her employer when he attempted to rape her I can t feel happy here because I am always watched and every mistake is seized upon Everything just seems chaotic she said of life as an emigrant Her name Sarah Balabagan who was 18 when the case drew wider attention and was ordered to be deported after she paid her victim s family a fine of more than 25 000 British pounds This is no fiction This extract is taken from the Hello magazine But I am happy for her she has since done well for herself and become a pop singer in the Philippines Born Poor is a story that aims to make the reading public about the harsh reality of lives in our times To be aware of the travails that our fellow human beings face and how they need support especially in the case of the poor who happen to be women Those who work so hard and

travel long distances not because they want to live in Paradise but because they aim to tend to their children to look after their families to send their earnings home in trying and tough situations They deserve fair working conditions and a just wage Likewise men should not take advantage of this part of the world just because they happen to be poor and struggling to make ends meet while they desperately need to earn that extra money We need to respect women not only because they could well have been our sisters and our mothers but also because a woman has a right to live as per her wishes and as a human being
