*Boublil and Schonberg* Margaret Vermette, 2006 Applause Books Two Frenchmen, an idea and a blank piece of paper. That's how it started. Alain Boublil and Claude Michel Schonberg are the creators of the multi award winning and much loved musicals Les Misérables, Miss Saigon, Martin Guerre, and now an exciting new work The Pirate Queen. Les Misérables alone has been seen by over 53 million people. The Musical World of Boublil and Schonberg is the first book to offer a comprehensive look behind the closed doors of these intensely private musical theatre giants. Boublil and Schonberg take center stage and talk openly about their methods and the creative processes involved in writing the book, the music, and the lyrics. Additional interviews from collaborators such as their co-writers Herbert Kretzmer, Richard Maltby, Stephen Clark, and John Dempsey, their directors Trevor Nunn, John Caird, Nicholas Hytner, Conall Morrison, and Frank Galati, the choreographer of The Pirate Queen, Mark Dendy, and their long-time producer Cameron Mackintosh, gives the reader a full view into their successful process. Full color production photographs tell the story of each musical. Japanese high fashion and Asian American theater become points of entry into the politics of pleasure, the performance of racial identities, and the possibility of political intervention in commodity capitalism. Based on Kondo's fieldwork, this

interdisciplinary work brings together essays interviews with designer Rei Kawakubo of Comme des Garçons and playwright David Henry Hwang and personal vignettes in its exploration of counter Orientalisms Choreographing Asian America Yutian Wong,2011-07-21 Poised at the intersection of Asian American studies and dance studies Choreographing Asian America is the first book length examination of the role of Orientalist discourse in shaping Asian Americanist entanglements with U S modern dance history Moving beyond the acknowledgement that modern dance has its roots in Orientalist appropriation Yutian Wong considers the effect that invisible Orientalism has on the reception of work by Asian American choreographers and the conceptualization of Asian American performance as a category Drawing on ethnographic and choreographic research methods the author follows the work of Club O Noodles a Vietnamese American performance ensemble to understand how Asian American artists respond to competing narratives of representation aesthetics and social activism that often frame the production of Asian American performance Dancing Transnational Feminisms Ananya Chatterjea,Hui Niu Wilcox,Alessandra Lebea Williams,2022-01-27 Through empowered movement that centers the lives stories and dreams of marginalized women Ananya Dance Theatre has revealed how the practice of and commitment to artistic excellence can catalyze social justice With each performance this professional dance company of Black Brown and Indigenous gender non conforming women and femmes of color challenges heteronormative patriarchies white supremacist paradigms and predatory global capitalism Their creative artistic processes and vital interventions have transformed the spaces of contemporary concert dance into sites of empowerment resistance and knowledge production Drawing from more than fifteen years of collaborative dance making and sustained dialogues based on deep alliances across communities of color Dancing Transnational Feminisms offers a multigenre exploration of how dance can be intersectionally reimagined as practice methodology and metaphor for feminist solidarity Blending essays with stories interviews and poems this collection explores timely questions surrounding race and performance gender and sexuality art and politics global and local inequities and the responsibilities of artists toward their communities Q & A Queer And Asian David L. Eng,Alice Y. Hom,1998-08-24 What does it mean to be queer and Asian American at the turn of the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned the Asian American moniker from its very inception Q A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and experiences that represent the emerging communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer

studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation
