The Girl from Lamaha Street Sharon Maas,2022-04-07 I was utterly mesmerized powerful moving and heartwarming I devoured this book and it is no doubt a five star read Goodreads reviewer Perhaps it s true that absence makes the heart grow fonder Perhaps it s true that you only know what you truly love when you no longer have it But I wouldn t have known any of this if I hadn t left it all behind to discover where my home truly was Growing up in British Guiana in the 1950s Sharon Maas has everything a shy child with a vivid imagination could wish for She spends her days studying bugs in the backyard eating fresh mangos straight from the tree and tucked up on her granny s lap losing herself in books But with her father campaigning for the country s independence and her mother away for work there s a void in Sharon s heart and she craves rules and structure The books she devours give her a glimpse of life in a faraway country England And although none of the characters in these books look like her her insatiable curiosity leads Sharon to beg to be sent to boarding school Life at a conservative Christian school is quite different from Sharon s liberal atheist upbringing Girls march silently and single file along corridors and earn badges for deportment There are twice daily hymns grace before and after meals and mandatory bedside prayers

And all the girls are posh and white while Sharon is the only one with dark skin Will she ever fulfil her dream of horseback riding over green hills and going on adventures like her literary heroes And has she truly found what she was looking for in this chilly corner of the world thousands of miles away from home You will be swept off your feet by the unputdownable story of Sharon Maas s extraordinary childhood in British Guiana and England a beautiful and inspiring coming of age tale of self discovery determination and chasing your dreams Praise for The Girl from Lamaha Street To say this story was inspirational would be an understatement I was utterly mesmerized As a woman of color I recognized myself and my experiences in the pages of this memoir powerful moving and heartwarming I devoured this book and it is no doubt a five star read Goodreads reviewer Beautiful Poignant Phenomenal This was a beautiful read and I learnt so much I cried and I smiled and there was nothing more that I wanted from this book Truly a gem Goodreads reviewer Enlightening powerful Beautifully written I found myself turning and turning immersed in the story A wonderful evocative read Nicki s Book Blog Engaging and intriguing so good that I was completely enthralled from beginning to end NetGalley reviewer An incredibly moving truly inspiring story of the power of determination An absolutely stunning read Katharine Birbalsingh Fascinating and poignant an astoundingly honest and intimate memoir Angela Petch

Holt's Almanac L. C. Huffman, 2022-01-31 Holt s Almanac revolves around a clever and knowledgeable protagonist Holt Dooley and his encounters of actual folklore creatures that have been recorded around the United States His journey starts as a criminal and ends in a peculiar fashion making one want to re read and catch all of the hidden details These details were meticulously placed over a period of 5 years of historical and scientific research which helped to accurately accelerate the interactions of Holt and his gang through many of the American ecosystems cultures and legends This story might appeal to fans of C S Lewis as well as adventurers and maybe even those who find themselves asking about the meaning of life After reading Holt s Almanac one will gain a wealth of unusable facts find themselves smiling over the quirky humor and ask questions about other dimensions and the human subconscious It is altogether possible that one might become healthy wealthy and wise after reading this book although maybe not a direct result
