**If We Leap (a FREE new adult romance)** Nina Lane,2018-08-19 He

was the troubled kid with a bad reputation who would chase off bullies and bring back things I'd lose out in the woods I didn't care what people said about his messed up family or him. He was my first and only crush. A decade later seeing Cole for the first time in years I discover he's still fighting the dark shadows of his past. And I'm still the only one defending him in our small town. He's still dangerously intense. Still able to make my heart race with a single brooding glance. The only difference: This living breathing thing between us is now so much more than a crush. Note: IF WE LEAP takes place ten years prior to the IF WE FALL IF WE FLY duet. This is the very start of Josie Cole's deep all-consuming love filled with unimaginable heartache, sacrifice, and redemption. The reading order of the WHAT IF series is IF WE LEAP, free for a limited time, IF WE FALL, IF WE FLY. Overflowing with swoon-worthy romance, their chemistry simply pulses off the pages. Kindle Friends Forever, Gut Punch. I had prepared myself for an emotional hurricane, but I was unprepared for all the twists and turns in this series. Sarah Goodreads: Sweet, angsty, and suspenseful all at the same time. A lovely window into Josie and Cole's youth. The Book Hoarder: Cole and Josie's story will melt you and break you and rip you to shreds a million times over. Rentastic Reads: *The Kristin Hannah Collection: Volume 1* Kristin Hannah, 2014-11-18. Available for the first time in this stunning electronic edition. THE KRISTIN HANNAH COLLECTION VOLUME 1 is sure to delight the beloved blockbuster bestselling author's legions of fans. Includes FIREFLY LANE. To the people around them, they were known as Tully and Kate or the Firefly Lane Girls. A single inseparable unit. Best friends forever. On the surface, they were as opposite as two people could be. Kate doomed to be forever uncool with a loving family who mortifies her at every turn. Tully steeped in glamour and mystery but with a secret home life that is destroying her. Yet they are best friends who swear they'll be there for each other and for thirty years that promise holds strong until events and choices in their lives make that promise impossible. More than a coming-of-age novel, this is the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately about the one person who really truly knows you and knows what has the power to hurt you and heal you. TRUE COLORS. The Grey sisters had only each other when their mother died years ago. Their stern, unyielding father gave them almost no attention. Winona, the oldest, needs her father's approval most of all. An overweight dreamer, she never felt at home on the sprawling horse ranch that had been in her family for three generations. Aurora, the middle, is the peacemaker. Vivi Ann, the youngest, is the undisputed star of the family. Everything comes easily to Vivi Ann; her father's love most of all. But when Vivi Ann makes a fateful decision to follow her heart rather than take the route of a dutiful daughter, events are set in motion that will test the love and loyalties of the Grey sisters. They will be pitted against each other in ways none could have imagined. Secrets will be revealed, and a terrible, shocking crime will shatter both the family and their beloved town. With breathtaking pace and penetrating insight, Kristin Hannah has written a novel that's about sisters' vengeance, jealousy, betrayal, and ultimately what it truly means to be a family. FLY AWAY. Kristin Hannah returns to the world of the unforgettable characters from FIREFLY LANE and asks the question: How do you hold yourself together when your world has fallen apart?
