Mission in the Nineteen 90s Joan Delaney,1991 Missions and Unity Norman E. Thomas,2010-11-01 This study is the first comprehensive history of the impact of the modern missionary movement on the understanding of and work toward Christian unity It tells stories from all branches of the church Roman Catholic Orthodox and Protestant in its many types conciliar evangelical Pentecostal and independent Part 1 Historical highlights the contribution of modern missions to Christian unity from William Carey and his antecedents and peers to present day missions Part 2 Ten Models of Unity takes an inductive approach to history asking not how should Christians cooperate but how has the missionary movement helped Christians to work together at the local national regional and global level Part 3 Wider Ecumenism broadens the evidence to include how the missions movement has helped not only institutional churches but also broader society to have concern for the unity of the entire human family Included here is the story of how the Protestant missionary movement influenced the forming of the United Nations as well as the drafting of the Universal Declaration of Human Rights The study also covers the movement s impact on Christian attitudes toward and relations with persons of other faiths Mission and Unity is the standard reference work in the field for persons studying modern history modern church history missions and ecumenics **75 Years of IFMA, 1917-1992** E. L. Frizen,1992 Author is an alumnus of Evanston Township High School class of 1943 *A Light to the Nations* Stanley M. Burgess,Paul W. Lewis,2017-03-02 The essays in this volume which are written by friends colleagues and former students are dedicated to Gary B McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College Des Moines Iowa Central Bible College Springfield Missouri and the Assemblies of God Theological Seminary Springfield Missouri He exuded the understanding that quality teaching superior scholarship a genuine Pentecostal spirituality and an irenic spirit can and should go together Within the title of this volume A Light to the Nations two aspects become clear First each person is called to be a light to the nations as Gary McGee modeled Second and foundational to the first is the reality that Jesus Christ is the ultimate light and our energies study discussions and life in general should rely on this fact As a reflection of Gary McGee s life and ministry these two aspects are focused through three lenses which are the three sections of this volume Ecumenism Missions and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B McGee *The Good News of The Kingdom* Charles E. Van Engen,Dean S. Gilliland,1999-09-17 *Discerning the Spirit(s)* Amos Yong,2019-03-08 Efforts to construct a Christian theology of religions have inevitably stumbled on the Christian scandal of particularity the historical Jesus of Nazareth What however if we began by focusing on the universal presence and activity of God in the world as symbolized by the Holy Spirit Yong develops just such a pneumatological approach to religions drawing by way of resource on the Pentecostal charismatic experience of the Spirit This book thus invites Pentecostals

charismatics and other Christians to conceive of how a pneumatological approach to religions can invigorate the wider ecumenical conversation At the same time it also brings recent Pentecostal charismatic scholarship into dialogue with a broader audience including those interested in philosophical theology world religions global spiritualities and comparative religion and theology

Global Renewal Christianity Vinson Synan, Amos Yong, Miguel Alvarez, 2016 This book gives an overview of one hundred years of Pentecostal history in Latin America and addresses the move of the Holy Spirit in nations such as Brazil Columbia Argentina Guatemala Costa Rica Nicaragua and Mexico as well as the Caribbean
