Mission Alive! Gailyn Van Rheenen, 1994-03-01      *Missional Life in Practice and Theory* Christopher L. Flanders, Greg McKinzie, 2024-01-19 Few missiologists have impacted mission theory and practice among Churches of Christ as significantly as has Dr Gailyn Van Rheenen yet his global missiological influence has extended far beyond the boundaries of his denominational heritage This Festschrift in honor of Gailyn Van Rheenen contains original missiological contributions from colleagues and former students Most chapters were presentations at the inaugural Gailyn Van Rheenen Sessions in Mission and World Christianity at the 2021 Christian Scholars Conference in Nashville Tennessee The volume is organized to parallel the phases of Van Rheenen s career Africa academic missiology and Mission Alive a North American church planting organization His legacy is one that wonderfully embodies critical theory and robust practice      **Directory of American Scholars: Philosophy, religion and law** ,1999      *A Time for Mission* Samuel Escobar, 2013-07-14 Christian mission in the twenty first century has become the responsibility of a global church The heart of mission is the drive to cross geographical cultural and social barriers in order to share the good news of Jesus Christ with all peoples Drawing on his involvement in missionary work over many years Samuel Escobar explores how the church spreads the Christian faith God s Word forms the foundation for his reflections while he uses insights from theological and historical studies as well as from the social sciences to gain a clearer understanding of the church s missionary calling His stimulating and challenging analysis contributes significantly to a global evangelical dialogue on mission today and in the future      **Missionary Society of the Methodist Episcopal Church** Methodist Episcopal Church. Board of Foreign Missions, 1895      **Exploring Church Growth** Wilbert R. Shenk, 2010-08-01 During the past twenty years the phenomenon of church growth especially as it has been known under the dynamic leadership of Donald McGavran and the School of World Mission Fuller Theological Seminary has resulted in an impressive array of books articles reports and theses While freely acknowledging their debt to the church growth school the contributors to this volume wish to explore further the premises principles and goals of church growth Firmly convinced that church growth is more than empirical data and effective methods and that there is nothing approaching a complete book of church growth they aim not simply to offer definitive answers but rather to open up fresh lines of inquiry historical experiential methodological and theological Thus while interacting with previous studies the authors view their work as a constructive contribution to the search for a more adequate understanding of church growth patterns Contributors to this volume include Alfred C Krass Harvie M Conn Orlando E Costas John H Yoder Harry R Boer and C Ren Padilla      The Acts & Proceedings of the ... Regular Session of the General Synod, Reformed Church in America Reformed Church in America. General Synod, 2008 Issues for 1868 include index      **Revitalize** Andrew M. Davis, 2017-04-04 Church health is measured by more than just numbers but declining membership is often a key symptom of a church in crisis The pastor of a dying church doesn t need to be told it is dying he needs to find the way forward and he needs hope Author and pastor Andrew Davis offers

readers the lessons he s learned in his own journey of leading church transformation including keeping Christ s ownership of the church central being humble choosing your battles wisely empowering godly men to join in leadership making prayer a priority focusing on the Word and more Church decline is not inevitable Revitalize gives pastors the spiritual support they long for and the practical advice they need to turn their churches around and position them for greater health in the future
