Robert Eric Frykenberg

Missionaries Rebellion And Proto Nationalism James Long Of Bengal:

Missionaries, Rebellion and Proto-nationalism Geoffrey A. Oddie, 1999 On the life and achievements of James Long 1814-1887 missionary from Ireland

Missionaries, Rebellion and Proto-nationalism , **Missionaries, Rebellion and Proto-Nationalism** Geoffrey A. Oddie, 2014-03-05 The Rev James Long was one of the most remarkable Protestant missionaries working in India in the nineteenth century Sent to Calcutta at the age of 22 in 1840 he devoted his life to representing what he passionately believed were the best interests of the forgotten poor and oppressed among the Bengali population Long was a central figure in the indigo planting controversy of 1861 and suffered imprisonment as a result His memory is revered even today in modern India where his contribution to the development of Bengali vernacular education literature history and sociology is highly regarded Dr Oddie has produced the first full length biography of Rev Long examining his work and activities in the context of his own background philosophy and motivation as well as the political and cultural climate of the day This book will add significantly to our knowledge of social movements in nineteenth century India and the colonial responses to them

Print and Publishing in Colonial Bengal Tapti Roy, 2018-11-13 This book reconstructs the history of print and publishing in colonial Bengal by tracing the unexpected journey of Bharat Chandra s Bidyasundar the first book published by a Bengali entrepreneur The introduction of printing technology by the British in Bengal expanded the scope of publication and consumption of books significantly This book looks at the developments and the parallel publishing initiatives of that time It examines local enterprises in colonial Bengal engaged in producing and selling books and explores the ways in which they charted out a cultural space in the 19th century The work sheds fresh light on book production and the culture of print and narrates the processes behind the printing of books to understand the multi layered literary practices they sustained A valuable addition to the history of publishing in India this book will be useful to scholars and researchers of South Asian and Indian history Bengali literature media and cultural studies and print and publishing studies It will also appeal to those interested in the history of Bengal and the Bengali diaspora

British Women Missionaries in Bengal, 1793-1861 Sutapa Dutta, 2017-11-30 British Women Missionaries in Bengal 1793-1861 looks at the arrival of the early British women missionaries in Bengal especially when travelling to India or working in missions was neither a spontaneous nor an acceptable career decision for white women The book aims to throw light on a key moment in colonial contact a new interface between two races religions and ways of life From a hesitant beginning as helpmeets to a more confident phase of mission activities in the form of setting up formal educational institutions writing books and so on comprise a long legacy of white women s participation in overseas colonial encounters Historicizing imperial feminism will enable those who choose to use the past to locate and interrogate its ramifications on more modern notions of feminism The advent of the Baptist missionary William Carey in Bengal in 1793 followed by others significantly altered how mission activity was perceived in India From Hannah Marshman who helped her more famous missionary husband Joshua Marshman to open schools for girls

to Mary Ann Cooke the first single British woman missionary to come and work in India to Hannah Mullens's contributions to zenana education were all part of a long journey which helped professionalize women's missionary work in the colonies. With the death of Hannah Mullens in 1861 the early phase of missionary work came to an end and then began a more proactive phase of evangelization and missionary activity in India.

Theatre Cultures within Globalising Empires Joachim Küpper, Leonie Pawlita, 2018-08-06 This volume presents the proceedings of the international conference Theatre Cultures within Globalising Empires Looking at Early Modern England and Spain held in 2012 as part of the ERC Advanced Grant Project Early Modern European Drama and the Cultural Net DramaNet. Implementing the concept of culture as a virtual network it investigates Early modern European drama and its global dissemination. The 12 articles of the volume all written by experts in the field teaching in the United Kingdom, the USA, Russia, Switzerland, India, and Germany focus on a selection of English and Spanish dramas from the sixteenth and seventeenth centuries. Analysing and comparing motifs, formal parameters as well as plot structures, they discuss the commonalities and differences of Early modern drama in England and Spain.

The Bible and Empire R. S. Sugirtharajah, 2005-06-16 At a time of renewed interest in Empire, this stimulating volume explores the complex relationship between the Bible and the colonial enterprise and examines some overlooked aspects of this relationship. These include unconventional retellings of the gospel story of Jesus by Thomas Jefferson and Raja Rammohun Roy; the fate of biblical texts when marshalled by Victorian preachers to strengthen British imperial intentions; after the India uprising of 1857, the cultural-political use of the Christian Old Testament first by the invaders to attack temple practices and rituals, then by the invaded to endorse the temple heritage scorned by missionaries; the dissident hermeneutics of James Long and William Colenso confronting and compromising with colonial ambitions; and finally the subtly seditious deployment of biblical citations in two colonial novels. This innovative book offers both practical and theoretical insights and provides compelling evidence of the continuing importance of postcolonial discourse for biblical studies.

The Changing World of Caste and Hierarchy in Bengal Sudarshana Bhaumik, 2022-08-26 This book challenges the prevalent assumptions of caste hierarchy and social mobility in pre-colonial and colonial Bengal. It studies the writings of colonial ethnographers, Orientalist scholars, Christian missionaries, and pre-colonial literary texts like the *Mangalkavyas* to show how the concept of caste emerged and argues that the jati order in Bengal was far from being a rigidly reified structure but one which had room for spatial and social mobility. The volume highlights the processes through which popular myths and beliefs of the lower caste orders of Bengal were Sanskritized. It delineates the linkages between sedantized peasant culture and the emergence of new agricultural castes in colonial Bengal. Moreover, the author discusses a wide spectrum of issues like marginality and hierarchy, the spread of Brahmanical hegemony, the creation of deities, and the process of Sanskritization, popular Saivism, the cult of Manasa in Bengal, and the revolt of 1857 and the caste question. Rich in archival sources, this book will be an essential read for scholars and researchers of colonial history, Indian history, political sociology, caste studies.

exclusion studies cultural studies social history cultural history and South Asian studies especially those interested in undivided Bengal A History of Global Anglicanism Kevin Ward, 2006-11-23 Anglicanism can be seen as irredeemably English In this book Kevin Ward questions that assumption He explores the character of the African Asian Oceanic Caribbean and Latin American churches which are now a majority in the world wide communion and shows how they are decisively shaping what it means to be Anglican While emphasising the importance of colonialism and neo colonialism for explaining the globalisation of Anglicanism Ward does not focus predominantly on the Churches of Britain and N America nor does he privilege the idea of Anglicanism as an expansion of English Christianity At a time when Anglicanism faces the danger of dissolution Ward explores the historically deep roots of non Western forms of Anglicanism and the importance of the diversity and flexibility which has so far enabled Anglicanism to develop cohesive yet multiform identities around the world

Religion Versus Empire? Andrew Porter, 2004-10-29 This is the only book that addresses the relations between religion Protestant missions and empire building linking together all three fields of study by taking as its starting point the early eighteenth century Anglican initiatives in colonial North America and the Caribbean It considers how the early societies of the 1790s built on this inheritance and extended their own interests to the Pacific India the Far East and Africa Fluctuations in the vigor and commitment of the missions changing missionary theologies and the emergence of alternative missionary strategies are all examined for their impact on imperial expansion Other themes include the international character of the missionary movement Christianity's encounter with Islam and major figures such as David Livingstone the state and politics and humanitarianism all of which are viewed in a fresh light The Bible and the Third World R. S.

Sugirtharajah, 2001-06-11 A comprehensive history of the Bible in the Third World **Empress** Miles Taylor, 2018-10-02 A widely and deeply researched elegantly written and vital portrayal of Queen Victoria's place in colonial Indian affairs *Journal of Modern History* In this engaging and controversial book Miles Taylor shows how both Victoria and Albert were spellbound by India and argues that the Queen was humanely intelligently and passionately involved with the country throughout her reign and not just in the last decades Taylor also reveals the way in which Victoria's influence as empress contributed significantly to India's modernization both political and economic This is in a number of respects a fresh account of imperial rule in India suggesting that it was one of Victoria's successes Readers encounter a detail attentive and independently minded monarch Information offered with verve and occasional humor fills chapters of *Empress* with little known details of Victoria's active rule as Empress Adrienne Munich *Victorian Studies* This is a nuanced portrait of an empire rich in contradiction Catherine Hall author of *Civilising Subjects* Beautifully written and subtly crafted this book provides a critical history of the cultural political and diplomatic significance of Queen Victoria's role as Empress of India Tristram Hunt Director of Victoria and Albert Museum This is a highly intelligent wonderfully lucid and well researched book that rests on an impressive array of Indian as well as European sources It makes a powerful case for re assessing Queen Victoria's own

role and political and religious ideas in regard to the subcontinent Linda Colley author of Britons The Culture of the Publisher's Series, Volume 2 John Spiers, 2011-02-18 This volume explores problems concerning the series national development and the national canon in a range of countries and their international book trade relationships Studies focus on issues such as the fabrication of a national canon and on the book in war time the evolution of Catholic literature imperial traditions and colonial libraries *Missionary Education and Empire in Late Colonial India, 1860-1920* Hayden J A Bellenoit, 2015-09-30 Contributes simultaneously to both British imperial and Indian history This work demonstrates that missionary understandings and interactions with India rather than being party to imperial ideologies often diverged from metropolitan and imperial norms Christians and Missionaries in India Robert Eric Frykenberg, 2013-01-11 The assumption that Christianity in India is nothing more than a European western or colonial imposition is open to challenge Those who now think and write about India are often not aware that Christianity is a non western religion that in India this has always been so and that there are now more Christians in Africa and Asia than in the West Recognizing that more understanding of the separate histories and cultures of the many Christian communities in India will be needed before a truly comprehensive history of Christianity in India can be written this volume addresses particular aspects of cultural contact with special reference to caste conversion and colonialism Subjects addressed range from Sanskrit grammar to populist Pentecostalism Urdu polemics and Tamil poetry **The Making of a Syrian Identity** Fruma Zachs, 2005-05-01 Exploring the origins and development of the Syrian identity during the 18th and 19th centuries through the role of Christian Arab intellectuals and merchants Ottomans and American missionaries this volume examines its background stages of evolution and components It shows that the contribution of these Christian Arabs despite their relatively small number lies in the processes they set in motion being the first to promote territorial concepts along with a secular interpretation of Arab culture This Syrian identity constitutes an innovative case study in the broader discipline of proto national identity and the study of the development of local identities in Middle Eastern countries It is also a vital basis for research of 20th century Syrian nationalism **Critical Readings in the History of Christian Mission** Martha Frederiks, Dorottya Nagy, 2021-06-22 This selection of texts introduces students and researchers to the multi and interdisciplinary field of mission history It appraises them with current discussions insights and theories The four parts of this book acquaint the readers with methodological considerations and recurring themes in the academic study of the history of mission Part one revolves around methods part two documents approaches while parts three and four consist of thematic clusters such as mission and language medical mission mission and education women and mission mission and politics and mission and art The text selection represents a wide variety of disciplines authors and backgrounds The texts were chosen because they address the complexities involved in studying the history of Christian mission Critical Readings in the History of Christian Mission is suitable for course work and other educational purposes **Censors at Work: How States Shaped Literature** Robert Darnton, 2014-09-22 Splendid

Darnton gives us vivid hard won detail illuminating narrative and subtle original insight Timothy Garton Ash New York Review of Books With his uncanny ability to spark life in the past Robert Darnton re creates three historical worlds in which censorship shaped literary expression in distinctive ways In eighteenth century France censors authors and booksellers collaborated in making literature by navigating the intricate culture of royal privilege Even as the king s censors outlawed works by Voltaire Rousseau and other celebrated Enlightenment writers the head censor himself incubated Diderot s great Encyclopedie by hiding the banned project s papers in his Paris townhouse Relationships at court trumped principle in the Old Regime Shaken by the Sepoy uprising in 1857 the British Raj undertook a vast surveillance of every aspect of Indian life including its literary output Years later the outrage stirred by the British partition of Bengal led the Raj to put this knowledge to use Seeking to suppress Indian publications that it deemed seditious the British held hearings in which literary criticism led to prison sentences Their efforts to meld imperial power and liberal principle fed a growing Indian opposition In Communist East Germany censorship was a component of the party program to engineer society Behind the unmarked office doors of Ninety Clara Zetkin Street in East Berlin censors developed annual plans for literature in negotiation with high party officials and prominent writers A system so pervasive that it lodged inside the authors heads as self censorship it left visible scars in the nation s literature By rooting censorship in the particulars of history Darnton s revealing study enables us to think more clearly about efforts to control expression past and present

The Trouble with Empire Antoinette Burton, 2015-09-17 The Trouble with Empire contends that dissent and disruption were constant features of imperial experience and that they should therefore drive narratives of the modern British imperial past Moving across the one hundred years between the first Anglo Afghan war and Gandhi s salt marches the book tracks commonalities between different forms of resistance in order to understand how regimes of imperial security worked in practice This emphasis on protest and struggle is intended not only to reveal indigenous agency but to illuminate the limits of imperial power official and unofficial as well Pax Britannica the conviction that peace was the dominant feature of modern British imperialism remains the working presumption of most empire histories in the twenty first century The Trouble with Empire in contrast originates from skepticism about the ability of hegemony to rule unchallenged and about the capacity of imperial rule to finally and fully subdue those who contested it The book follows various forms of dissent and disruption both large and small in three domains the theater of war the arena of market relations and the realm of political order Tracking how empire did and did not work via those who struggled against it recasts ways of measuring not simply imperial success or failure but its very viability across the uneven terrain of daily power The Trouble with Empire argues that empires are never finally or fully accomplished but are always in motion subject to pressures from below as well as above In an age of spectacular insurgency and counterinsurgency across many of the former possessions of Britain s global empire such a genealogy of the forces that troubled imperial hegemony are needed now more than ever

The East India Company and Religion, 1698-1858 Penelope

Carson, 2012 An overview of the East India Company's policy towards religion throughout its period of rule in India This wide ranging book charts how the East India Company grappled with religious issues in its multi faith empire putting them into the context of pressures exerted both in Britain and on the subcontinent from the Company's early mercantile beginnings to the bloody end of its rule in 1858 Religion was at the heart of the East India Company's relationship with India but the course of its religious policy has rarely been examined in any systematic way The free exercise of religion the policy the Company adopted in its early days in order to safeguard the security of its possessions was challenged by Evangelicals in the late eighteenth century They demanded that the Company should grant free access to Christians of all Protestant denominations and an end to barbaric Indian religious practices This gave rise to an unprecedented petitioning movement in 1813 comparable in strength to that for the abolition of the slave trade the following year It was an important milestone in British domestic politics The final years of the Company's rule were dominated by its attempts to withstand Evangelical demands in the face of growing hostility from Indians In the end it pleased no one and its rule came to a gory and ignominious end In this compelling account Penny Carson examines the twists and turns of the East India Company's policy on religious issues The story of how the Company dealt with the fact that it was a Christian Company trying to be equitable to the different faiths it found in India has resonances for Britain today as it attempts to accommodate the religions of all its peoples within the Christian heritage and structure of the state Penelope Carson is an independent scholar with a doctorate from King's College London

This is likewise one of the factors by obtaining the soft documents of this **Missionaries Rebellion And Proto Nationalism James Long Of Bengal** by online. You might not require more era to spend to go to the ebook commencement as well as search for them. In some cases, you likewise realize not discover the statement Missionaries Rebellion And Proto Nationalism James Long Of Bengal that you are looking for. It will unconditionally squander the time.

However below, next you visit this web page, it will be hence unquestionably simple to acquire as capably as download lead Missionaries Rebellion And Proto Nationalism James Long Of Bengal

It will not believe many mature as we notify before. You can accomplish it while perform something else at house and even in your workplace. fittingly easy! So, are you question?
