## **Missions In A New Millennium Change And Challenges In World Missions:**

**Missions in a New Millennium** W. Edward Glenny, William H. Smallman, What does the changing face of missions look like What challenges will appear in the years to come A number of key missionaries mission agency leaders seminary professors and pastors present insightful presentations of missions past and present seeking to revitalize the future of world evangelism *Introducing World Missions* A. Scott Moreau, Gary R. Corwin, Gary Corwin, Gary B. McGee, 2004 This overview considers issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face *Equipping for Global Mission* Linda P. Saunders, Gregory Mathias, Edward L. Smither, 2024-08-13 From Cognitive Teaching to Connected Learning Given the landscape of global Christianity and the variety of approaches to theological and missiological training today how do we equip the global church for the mission of God Should mission organizations or sending churches conduct their own in house training What is the role of Bible colleges and seminaries in equipping for mission today What about informal approaches to theological and ministry training *Equipping for Global Mission* offers insights from seasoned scholars and practitioners Beginning with theological convictions and practical reflections our authors make a case for what equipping for mission could look like in the present global church Case studies from India China North America and Britain further challenge the reader to reflect on this critical issue The full scope of educating for mission is far too broad of a task for any single organization This is why the contributors serve the church so well by enlarging a much needed conversation This book is a clarion call to all who care about missions and the global church Join world leaders in reshaping missions education today by using the practical and strategic wisdom in these pages *Yahweh's Elegant Speeches of the Abrahamic Narratives* Matthew Michael, 2014-05-14 This work is a study in the attribution aesthetics and representations of Yahweh's speeches in the Hebrew Bible It describes the literary elegance and beauty of the speeches of Yahweh in the Abrahamic narratives Employing a synchronic reading of the Abrahamic cycle it underscores the presence of various literary devices in the divine speeches 12 1 9 13 1 18 15 1 21 17 1 27 18 1 33 and 22 1 19 Specifically it engages the high concentration literary effects and use of metaphors metaphoric language similes alliterations wordplays euphemisms hyperboles repetitions allusions and other distinctive literary features in the speeches of Yahweh which are deliberately denied and glaringly absent in the speeches of the other main characters of the Abrahamic narratives e g Abraham Sarah and Hagar Similarly it demonstrates the importance of these elevated speeches in the narrative world of Abrahamic epic Most importantly it also highlights the ideological significance of these decorated speeches of Yahweh to the original audience of the narrator who presumably identified with their excessive optimism and rhetoric Consequently this book is a pioneering work in the contemporary study of stylistics characterizations and functions of attributed speeches in the Hebrew narratives **Hell** Eldon Woodcock, 2012-09-10 You look like hell gasped a woman on TV to a disheveled man What did she mean What did she think hell looked like What did the term hell contribute to her

portrait This is an example of the widespread trivializing of a once powerful term to depict eternal damnation to mere minutia Why does God damn the wicked to eternal punishment Or does He How is His judgment just Why and how do theologians strive to modify the results of his judgment How are we to evaluate views of hell that either soften or deny it The doctrine of punishment of the unredeemed after death originates in the Old Testament is developed in the intertestamental Jewish literature and culminates in the divinely authoritative New Testament doctrine of hell How can people avoid that dreadful fate If they should escape from it what should they then do What is involved in their saving others by snatching them out of the fire Jude 23 How does the deliverance from eternal punishment enhance our appreciation of what Jesus Christ accomplished on the cross What effect should it have on our Christian witness Distinctive contributions include 1 a careful exegesis of key biblical texts containing a thorough analysis of the doctrine of hell 2 a rationale of Gods punishment of the unredeemed 3 examination of the tours of hell genre 4 biblical and historical theological themes of witness and evangelism 5 ramifications of eternal damnation of the unsaved in terms of the urgency of witness

*Polygamy in Northern Malawi* Moses Mlenga, 2016-01-14 The early missionaries brought Christianity from the monogamous West to the polygamous societies of Africa Were the missionaries right in demanding that converts dismiss all but one wife Was this the demand of the Christian faith or of Western civilization And were the converts right to dismiss their wives though they had married them according to the laws of the land And who asked the children if they wanted their mothers to be dismissed and may or may not be married to another man The book argues that while polygamy is an African reality it is below Christian moral standards However is stopping converted polygamous men and women from baptism best practice if we believe that sin can be forgiven for the one who repents Can the shedding of responsibility for wives and children be made a precondition for such forgiveness
