Quirarte here draws on decades of on site and archival research to offer the most comprehensive reconstruction and description of the original art and architecture of the six remaining Texas missions San Antonio de Valero the Alamo San Jos y San Miguel de Aguayo Nuestra Se ora de la Pur sima Concepci n San Juan Capistrano and San Francisco de la Espada in San Antonio and Nuestra Se ora del Esp ritu Santo in Goliad Using church records and other historical accounts as well as old photographs drawings and paintings Quirarte describes the mission churches and related buildings their decorated surfaces and the now missing altarpieces whose iconography he extensively analyzes He sets his material within the context of the mission era in Texas and the Southwest so that the book also serves as a general introduction to the Spanish missionary program and to Indian life in Texas
