

## Summary

*Back Roads* is a 1999 novel by Tawani O'Dell. It follows the story of Harley Atmeyer, a 19-year-old boy who takes custody of his three sisters after his mother murders his abusive father. As Harley struggles with day-to-day life, truths about the past are revealed, forcing him to face a reality he worked hard to suppress. *Back Roads* was an Oprah's Book Club selection in March 2000. The novel was also adapted into a 2018 film of the same name starring Anna Pettyfer as Harley.

This guide utilizes the 2000 Signet Book eBook.

**Content Warning:** The source material and this guide contain discussions of sexual and physical abuse, and incest.

### Plot Summary

Harley Atmeyer is interrogated by police about the murder of an unnamed individual, later revealed to be Calter Mercer. He has trouble focusing on or answering their questions, and one of police officers hits him in frustration. He decides to tell them the truth.

The novel goes back in time to a few months earlier. Harley, 19, meets with his therapist, Betty, and talks about the daily struggles of raising his three younger sisters, Amber, Misty, and Jody. Harley's mother, Denise, is in prison for murdering his father. As he drives home, Harley reflects on his father's abuse toward him and Amber and recalls how close his father was to Misty because she was the only one of the children who was good at hunting. At home, Harley finds Amber preparing to go out. Harley and Amber argue. Harley is unhappy with Amber's sexual activity and worries she'll become pregnant. He also does not want her to go out, since Harley had to work and someone needs to watch the younger girls. Harley has two jobs: one as a bagger at a local grocery store and one as a deliveryman for Barclay's Appliance store. That night, Harley is at the grocery store when he runs into the family's neighbor, Calter Mercer, a married mother.

After work, Harley returns home to find Amber gone. He goes to bed, reflecting on how they have yet to clean out their parents' bedrooms, even after their father's sister came and took away all their father's things. Their father's family has disowned them, leaving them on their

Hanging Bridge Jason Morgan Ward,2016-04-01 Lying just south of Neshoba County where three civil rights workers were murdered during Freedom Summer Clarke County lay squarely in Mississippi's and America's meanest corner Even at the height of the civil rights movement in the 1960s when the clarion call for equality and justice echoed around the country few volunteers ventured there Fewer still remained Local African Americans knew why the movement had taken so long to reach them Some spoke of a bottomless pit in the snaking Chickasawhay River in the town of Shubuta into which white vigilantes dumped bodies Others pointed to old steel framed bridge across that same muddy creek Spanning three generations Hanging Bridge reconstructs two wartime lynchings the 1918 killing of two young men and two pregnant women and the 1942 slaying of two adolescent boys that propped up

Mississippi's white supremacist regime and hastened its demise. These organized murders reverberated well into the 1960s when local civil rights activists again faced off against racial terrorism and more refined forms of repression. Connecting the lynchings at Hanging Bridge to each other and then to civil rights era struggles over segregation, voting poverty, Black Power, and Vietnam, Jason Morgan Ward's haunting book traces the legacy of violence that reflects the American experience of race from the depths of Jim Crow to the emergence of a national campaign for racial equality. In the process, it creates a narrative that links living memory and meticulous research, illuminating one of the darkest places in American history and revealing the resiliency of the human spirit. *A Literary History of Mississippi* Lorie Watkins, 2017-05-31. With contributions by Ted Atkinson, Robert Bray, Patsy J. Daniels, David A. Davis, Taylor Hagood, Lisa Hinrichsen, Suzanne Marrs, Greg O'Brien, Ted Ownby, Ed Piacentino, Claude Pruitt, Thomas J. Richardson, Donald M. Shaffer, Theresa M. Towner, Terrence T. Tucker, Daniel Cross, Turner Lorie Watkins, and Ellen Weinauer. Mississippi is a study in contradictions. One of the richest states when the Civil War began, it emerged as possibly the poorest and remains so today. Geographically diverse, the state encompasses ten distinct landform regions. As people traverse these, they discover varying accents and divergent outlooks. They find pockets of inexhaustible wealth within widespread grinding poverty. Yet the most illiterate, disadvantaged state has produced arguably the nation's richest literary legacy. Why Mississippi? What does it mean to write in a state of such extremes? To write of racial and economic relations so contradictory and fraught as to defy any logic? Willie Morris often quoted William Faulkner as saying, "To understand the world, you must first understand a place like Mississippi." What Faulkner or more likely Morris posits is that Mississippi is not separate from the world. The country's fascination with Mississippi persists because the place embodies the very conflicts that plague the nation. This volume examines indigenous literature, Southwest humor, slave narratives, and the literature of the Civil War. Essays on modern and contemporary writers and the state's changing role in southern studies look at more recent literary trends, while essays on key individual authors offer more information on luminaries including Faulkner, Eudora Welty, Richard Wright, Tennessee Williams, and Margaret Walker. Finally, essays on autobiography, poetry, drama, and history span the creative breadth of Mississippi's literature. Written by literary scholars closely connected to the state, the volume offers a history suitable for all readers interested in learning more about Mississippi's great literary tradition. *Journal of Presbyterian History*, 2000. **Hiking Mississippi** Helen McGinnis, 1994.

The Routledge Companion Literature and the Global South offers a comprehensive overview of the field at a key moment in its development, a snapshot of where Global South literary studies stands in its second decade. As the aftermath of a string of global cataclysms since the rise of neoliberal globalization has demonstrated, it is the poor, the disenfranchised, and the marginalized who consistently bear the brunt of the suffering. What defines the Global South is the recognition across the world that globalization's promised bounties have not materialized. It has failed as a global master narrative. Global South

studies centers on three general areas Globalization its aftermath failure and how those on the economic bottom survive it Organized into three parts this volume consists of original essays by 25 contributors from around the world Part I focuses on the origins and objects of Global South studies and how this field has come to define and historicize its organizing concept Part II considers subsequent critical developments in Global South studies particularly those that embrace interdisciplinary and transdisciplinary approaches Part III features case studies which highlight a range of applications and interventions The contributors critique the boundaries and definitions explored in the earlier parts and push settled literatures or methods into new analytical spaces This innovative collection is an invaluable resource for anyone studying and researching Global South studies and literature but also those interested in world literature contemporary literature postcolonialism decolonizing the curriculum critical race studies gender studies and politics
