Seeing the Power of God Sidney St. James, 2020-04-21 God s Word is a fiery exploding all pervading and living message that should cause us all to fall down to the ground and tremble yet that is rarely the experience for so many dispirited people of God Some people believe questioning the Bible the direction God is going or even God himself is blasphemy Some think it s a sign of disbelief Daniel Thornton believes his son Rusty Thornton is lost without God and takes him to a faraway place in the early 1950s near Spicewood Texas where he would never come in contact with people He has an old King James Version of the Bible and begins to try and cure his son s affliction of skepticism Rusty Thornton remembered nothing before his eighteenth birthday The first book he read after learning to read and write was on Hinduism His father didn t know how such a book ended up in his library He took it and hid it from his son but not until he had read it from cover to cover Was it too late for his son Did what he learned about Vishnu and Krishna absorb his entire thought process where he never recognized Jesus Christ as the one and only son of God Who s right Daniel Thornton or his son Rusty questioned his ability to communicate with animals Was it a God given talent Why can t he remember anything in his life before his eighteenth birthday Who is his cousin Carolyn Thornton who comes strangely into his life on his twenty first birthday Who is the stranger Billy Joe Briscoe who is hired to become Rusty s companion and teach him about Jesus Christ and the Bible Is it wrong for Christians to Question God

One should not ask a question of the Lord because they think they know better than Him One should never question God's authority a big No No We should never ask questions of God to try and stall our obedience to the Lord If we are questioning the scriptures in the Bible because we desperately want to know the answer we are searching for then that should be okay In the mind and thoughts of Rusty Thornton it is perfectly fine to do so Snippets from Seeing the Power of God My father taught me that God is merciful and caring for all human beings Yet what I read in the Bible here he turns a few more pages can hardly be so if this is true He stopped turning the pages at the Book of Joshua and began reading aloud Jericho is shut up God instructed Joshua how to besiege it He paused a moment torn by conflicting emotions Does that make any sense to you Billy Joe It causes me to have grave concern over God's plans If he is for sure the Creator of all things how could he possibly instruct one of his own human beings his own creation to besiege a city that's filled with others of his creation and kill men women children and animals all his creations Let me ask it this way of you Billy Joe If God has the power to take out Satan and love us why doesn't he do it Why did the Lord have to come down and die on the cross to save us from the grasp of Satan who was a creation and subject of God in the first place Why does Satan still exist if he has disobeyed God more than anyone else Rusty Thornton wanted to know what someone who died saw in the afterlife Many say Billy Joe jumps in and mixes up the conversation that when you die you will meet a skeleton holding a scythe Some say you go to Heaven Some say you go to Hell Others say you are reincarnated or that you turn into a ghost Some even say that you sleep for all eternity The problem with death my dear friend is that we will never know until after we die

**Jack the Fish Boy** Jesse H. Colbath IV, 2009-11 Jack the Fish Boy Vessel of Life Our world holds two bodies of water with the same echoing name. The first Dead Sea is a Jordanian lake of salt located in the heart of the Middle East. The second Dead Sea is located somewhere in the inner world south of the Atlantic sea between Africa and Antarctica. It is a place of mystery and wonder for Jack William Thomas, a young British boy grieving with emotions from the loss of his mother while a distant father searches for means of communication with his son. The year of the Great War is born. Jack secretly boards his father's sailing ship during Germany's declaration of war upon the great British Isles. During a menacing storm, Jack is lost at sea before he is befriended by many different sea creatures, including a beautiful girl named LiLi, whom he is half human and half fish. With daring escapes, Jack's life is quickly turned upside down when he's forced to engage in two very different wars at sea. Join Jack as both grueling wars come together in one grand dueling spectacle. Follow his newfound faith as it is tested in the blackness of a mad underworld filled with fiendish creatures preventing his return to his native Welsh homeland. This is Jack's first journey for all ages to enjoy. It is the very essence of a well-defined classic story of good versus evil set in the past, present, and future. A magical fable with a twist of faith to help guide the human spirit.

Calico Girl Jerdine Nolen, 2018-02-13 A Kirkus Best Book of the Year. A poignant and hopeful glimpse at the past for today's curious readers. Rita Williams Garcia, Newbery Honor author. Twelve-year-old Callie Wilcomb and her family are enslaved, and the Civil War gives them hope that freedom may be on the horizon. On May 23, 1861, the State of Virginia ratified their vote to secede from the Union. In Virginia, a window was opened where the laws of the land no longer applied. Because of the Contraband Law, enslaved people no longer had to be returned to their owners, granting them a measure of protection and safety. With the possibility of Callie and her family escaping their bonds forever, Callie is eager to learn and become educated and hopes to teach others one day. Through hardship and loss with love and strong family ties, Callie proves that freedom is in her stars.
