

MISTER SATAN'S APPRENTICE

A BLUES MEMOIR

Adam Gussow

Mister Satans Apprentice

Robert Ford

Mister Satans Apprentice:

Mister Satan's Apprentice Adam Gussow, Adam Gussow is a writer and blues harmonica player He is associate professor of English and southern studies at the University of Mississippi in Oxford **Journeyman's Road** Adam Gussow, 2007 Journeyman's Road offers a bold new vision of where the blues have been in the course of the twentieth century and what they have become at the dawn of the new millennium a world music rippling with postmodern contradictions Author Adam Gussow brings a unique perspective to this exploration Not just an award winning scholar and memoirist he is an accomplished blues harmonica player a Handy award nominee and veteran of the international club and festival circuit With this unusual depth of experience Gussow skillfully places blues literature in dialogue with the music that provokes it vibrantly articulating a vital American tradition At the heart of Gussow's story is his own unlikely yet remarkable streetside partnership with Harlem bluesman Sterling Mr Satan Magee a musical collaboration marked not just by a series of polarities black and white Mississippi and Princeton hard won mastery and youthful apprenticeship but by creative energies that pushed beyond apparent differences to forge new dialogues and new sounds Undercutting familiar myths about the down home sources of blues authenticity Gussow celebrates New York's mongrel blues scene the artists the jam sessions the venues the street performers and the eccentrics At once elegiac and forward looking Journeyman's Road offers a collective portrait of the New York subculture struggling with the legacy of 9 11 and healing itself with the blues *Deep Blues* Mark Winborn, 2011 Deep Blues explores the archetypal journey of the human psyche through an examination of the blues as a musical genre The genesis history and thematic patterns of the blues are examined from an archetypal perspective and various analytic theories Mythological and shamanistic parallels are used to provide a deeper understanding of the role of the bluesman the blues performance and the innate healing potential of the blues Universal aspects of human experience and transcendence are revealed through the creative medium of the blues The atmosphere of Deep Blues is enhanced by the black and white photographs of Tom Smith which capture striking blues performances in the Maxwell Street section of Chicago Jungian analysts therapists and psychoanalytic practitioners with an interest in the interaction between creative expression and human experience should find Deep Blues satisfying Deep Blues should also appeal to enthusiasts of music ethnomusicology and the blues **Princeton Alumni Weekly**, 1998 **My Family and I** Adam Gussow, 2025-02-25 An inspiring memoir about the author's lifelong quest for racial reconciliation the love that sustains his interracial family in contemporary Mississippi and the Yes we can hope for American renewal that fades after the deaths of Trayvon Martin Michael Brown and the despair driven rise of Black Lives Matter What has happened to the dream of beloved community embraced by Martin Luther King Jr and the civil rights movement of the early 1960s the vision of a just humane and colorblind America a nation of black and white together animated by the spirit of mutual respect and strengthened by the bonds of brotherly love As Adam Gussow shows in this urgently needed new book the dream although pressured on every

front remains alive At the heart of *My Family and I* is Gussow's determination in King's terms to live out the true meaning of America's creed a quest for transracial brotherhood that takes him from a blues partnership forged on the streets of 1980s Harlem through graduate training at Princeton and decades later a transformative course on the blues literary tradition that he shares with inmates at Mississippi's notorious Parchman Farm Anchoring Gussow's quest is a story of enduring love a playful soulful interracial romance between the newly hired professor at Ole Miss and his soon to be wife Sherrie that blossoms with the birth of a musically gifted son Shaun As America explodes with protest and riots in the summer of 2020 after the death of George Floyd as social justice fundamentalists insist on stigmatizing whiteness and hardening the color line rather than healing the divisions that plague us Gussow is forced to fight for what he loves not just the sanctity of his family circle but King's dream of beloved community *My Family and I* gifts the reader with hope for a future beyond America's seemingly insoluble racial dilemmas

A Blues Bibliography Robert Ford, 2008-03-31 This revised and updated definitive blues bibliography now includes 6 000 7 000 entries to cover the last decade's writings and new figures to have emerged on the Country and modern blues to the R B scene

Blues, Funk, Rhythm and Blues, Soul, Hip Hop, and Rap Eddie S. Meadows, 2010-06-10 Despite the influence of African American music and study as a worldwide phenomenon no comprehensive and fully annotated reference tool currently exists that covers the wide range of genres This much needed bibliography fills an important gap in this research area and will prove an indispensable resource for librarians and scholars studying African American music and culture

Music, Wellness, and Aging Scott F. Madey, Dean D. VonDras, 2021-10-21 This definitive account of the intersection between music wellness and aging explores deeper aspects of human nature and later life

Living Blues, 2000

Whose Blues? Adam Gussow, 2020-09-28 Mamie Smith's pathbreaking 1920 recording of *Crazy Blues* set the pop music world on fire inaugurating a new African American market for race records Not long after such records also brought black blues performance to an expanding international audience A century later the mainstream blues world has transformed into a multicultural and transnational melting pot taking the music far beyond the black southern world of its origins But not everybody is happy about that If there's No black No white Just the blues as one familiar meme suggests why do some blues people hear such pronouncements as an aggressive attempt at cultural appropriation and an erasure of traumatic histories that lie deep in the heart of the music Then again if blues is black music as some performers and critics insist what should we make of the vibrant global blues scene with its all comers mix of nationalities and ethnicities In *Whose Blues* award winning blues scholar and performer Adam Gussow confronts these challenging questions head on Using blues literature and history as a cultural anchor Gussow defines interprets and makes sense of the blues for the new millennium Drawing on the blues tradition's major writers including W C Handy Langston Hughes Zora Neale Hurston and Amiri Baraka and grounded in his first person knowledge of the blues performance scene Gussow's thought provoking book kickstarts a long overdue conversation

Robert Johnson, Mythmaking, and Contemporary American Culture Patricia R.

Schroeder,2004-06-14 Suddenly Robert Johnson is everywhere Though the Mississippi bluesman died young and recorded only twenty nine songs the legacy legend and lore surrounding him continue to grow Focusing on these developments Patricia R Schroeder s Robert Johnson Mythmaking and Contemporary American Culture breaks new ground in Johnson scholarship going beyond simple or speculative biography to explore him in his larger role as a contemporary cultural icon Part literary analysis part cultural criticism and part biographical study Robert Johnson Mythmaking and Contemporary American Culture shows the Robert Johnson of today to be less a two dimensional character fixed by the few known facts of his life than a dynamic and contested set of ideas Represented in novels in plays and even on a postage stamp he provides inspiration for highbrow cultural artifacts such as poems as well as Hollywood movies and T shirts Schroeder s detailed and scholarly analysis directly engages key images and stories about Johnson such as the Faustian crossroads exchange of his soul for guitar virtuosity navigating the many competing interpretations that swirl around him to reveal the cultural purposes these stories and their tellers serve Unprecedented in both range and depth Schroeder s work is a fascinating examination of the relationships among Johnson s life its subsequent portrayals and the cultural forces that drove these representations With penetrating insights into both Johnson and the society that perpetuates him Robert Johnson Mythmaking and Contemporary American Culture is essential reading for cultural critics and blues fans alike *The New Encyclopedia of Southern Culture*

M. Thomas Inge,2014-02-01 Offering a comprehensive view of the South s literary landscape past and present this volume of The New Encyclopedia of Southern Culture celebrates the region s ever flourishing literary culture and recognizes the ongoing evolution of the southern literary canon As new writers draw upon and reshape previous traditions southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures a development thoughtfully explored in the essays here Greatly expanding the content of the literature section in the original Encyclopedia this volume includes 31 thematic essays addressing major genres of literature theoretical categories such as regionalism the southern gothic and agrarianism and themes in southern writing such as food religion and sexuality Most striking is the fivefold increase in the number of biographical entries which introduce southern novelists playwrights poets and critics Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship **Beyond the Crossroads**

Adam Gussow,2017-09-05 The devil is the most charismatic and important figure in the blues tradition He s not just the music s namesake the devil s music but a shadowy presence who haunts an imagined Mississippi crossroads where it is claimed Delta bluesman Robert Johnson traded away his soul in exchange for extraordinary prowess on the guitar Yet as scholar and musician Adam Gussow argues there is much more to the story of the devil and the blues than these clich d understandings In this groundbreaking study Gussow takes the full measure of the devil s presence Working from original transcriptions of more than 125 recordings released during the past ninety years Gussow explores the varied uses to which black southern blues people have put this trouble sowing love

wrecking but also empowering figure The book culminates with a bold reinterpretation of Johnson's music and a provocative investigation of the way in which the citizens of Clarksdale Mississippi managed to rebrand a commercial hub as the crossroads in 1999 claiming Johnson and the devil as their own *Seems Like Murder Here* Adam Gussow, 2010-03-15 Winner of the 2004 C. Hugh Holman Award from the Society for the Study of Southern Literature *Seems Like Murder Here* offers a revealing new account of the blues tradition Far from mere laments about lost loves and hard times the blues emerge in this provocative study as vital responses to spectacle lynchings and the violent realities of African American life in the Jim Crow South With brilliant interpretations of both classic songs and literary works from the autobiographies of W. C. Handy, David Honeyboy Edwards and B. B. King to the poetry of Langston Hughes and the novels of Zora Neale Hurston *Seems Like Murder Here* will transform our understanding of the blues and its enduring power *New Thoughts on the Black Arts Movement* Lisa Gail Collins, Margo Natalie Crawford, 2006-05-16 During the 1960s and 1970s a cadre of poets, playwrights, visual artists, musicians and other visionaries came together to create a renaissance in African American literature and art This charged chapter in the history of African American culture which came to be known as the Black Arts Movement has remained largely neglected by subsequent generations of critics *New Thoughts on the Black Arts Movement* includes essays that reexamine well-known figures such as Amiri Baraka, Larry Neal, Gwendolyn Brooks, Sonia Sanchez, Betye Saar, Jeff Donaldson and Haki Madhubuti In addition the anthology expands the scope of the movement by offering essays that explore the racial and sexual politics of the era, links with other period cultural movements, the arts in prison, the role of Black colleges and universities, gender politics and the rise of feminism, color fetishism, photography, music and more An invigorating look at a movement that has long begged for reexamination, this collection lucidly interprets the complex debates that surround this tumultuous era and demonstrates that the celebration of this movement need not be separated from its critique **Franchising Dreams** Peter M. Birkeland, 2004-04 Franchises have become an ever-present feature of American life both in our landscapes and our economies Peter M. Birkeland worked for three years in the front-line operations of franchise units for three companies, met with CEOs and executives and attended countless trade shows, seminars and expositions Through this extensive fieldwork Birkeland not only discovered what makes franchisees succeed or fail he uncovered the difficulties in running a business according to someone else's system and values Bearing witness to a market flooded with fierce competitors and dependent on the inscrutable whims of consumers he revealed the numerous challenges that franchisees face in making their businesses succeed Book jacket Hoodlums William L. Van Deburg, 2013-10-21 Martin Luther King Jr., Malcolm X, Muhammad Ali When you think of African American history you think of its heroes individuals endowed with courage and strength who are celebrated for their bold exploits and nobility of purpose But what of black villains Villains just as much as heroes have helped define the black experience Ranging from black slaveholders and frontier outlaws to serial killers and gangsta rappers *Hoodlums* examines the pivotal role of black villains in American society

and popular culture Here William L Van Deburg offers the most extensive treatment to date of the black badman and the challenges that this figure has posed for race relations in America He first explores the evolution of this problematic racial stereotype in the literature of the early Republic documents in which the enslavement of African Americans was justified through exegetical claims Van Deburg then probes antebellum slave laws minstrel shows and the works of proslavery polemicists to consider how whites conceptualized blacks as members of an inferior and dangerous race Turning to key works by blacks themselves from the writings of Frederick Douglass and W E B Du Bois to classic blaxploitation films like Black Caesar and The Mack Van Deburg demonstrates how African Americans have combated such negative stereotypes and reconceptualized the idea of the badman through stories of social bandits controversial individuals vilified by whites for their proclivity toward evil but revered in the black community as necessarily insurgent and revolutionary Ultimately Van Deburg brings his story up to date with discussions of prison and hip hop culture urban rioting gang warfare and black on black crime What results is a work of remarkable virtuosity a nuanced history that calls for both whites and blacks to rethink received wisdom on the nature and prevalence of black villainy

African American Folklore Anand Prahlad, 2016-08-08

African American folklore dates back 240 years and has had a significant impact on American culture from the slavery period to the modern day This encyclopedia provides accessible entries on key elements of this long history including folklore originally derived from African cultures that have survived here and those that originated in the United States Inspired by the author's passion for African American culture and vernacular traditions African American Folklore An Encyclopedia for Students thoroughly addresses key elements and motifs in black American folklore especially those that have influenced American culture With its alphabetically organized entries that cover a wide range of subjects from the word conjure to the dance style of twerking this book provides readers with a deeper comprehension of American culture through a greater understanding of the contributions of African American culture and black folk traditions This book will be useful to general readers as well as students or researchers whose interests include African American culture and folklore or American culture It offers insight into the histories of African American folklore motifs their importance within African American groups and their relevance to the evolution of American culture The work also provides original materials such as excerpts from folktales and folksongs and a comprehensive compilation of sources for further research that includes bibliographical citations as well as lists of websites and cultural centers

More Blues Singers David Dicaire, 2015-11-05

The first book by David Dicaire Blues Singers Biographies of 50 Legendary Artists of the Early 20th Century McFarland 1999 included pioneers innovators superstars and cult heroes of blues music born before 1940 This second work covers those born after 1940 who have continued the tradition This work has five sections each with its own introduction The first Modern Acoustic Blues covers artists that are major players on the acoustic blues scene of recent time such as John Hammond Jr The second Contemporary Chicago Blues features artists of amplified citified gritty blues Paul Butterfield and Melvin Taylor among others Section three

Modern American Electric Blues includes some Texas blues singers such as Stevie Ray Vaughan and Jimmie Vaughan and examines how the blues have spread throughout the United States Contemporary Blues Women are in section four Section five Blues Around the World covers artists from four different continents and twelve different countries Each entry provides biographical and critical information on the artist and a complete discography A bibliography and supplemental discographies are also provided Time in the Blues Julia Simon, 2017 Immediate and spontaneous the blues focuses on the present moment creating an experience of time for performer and listener Time in the Blues offers an interdisciplinary analysis of the forms of temporality produced by and reflected in the blues within the historical context of Jim Crow segregation sharecropping racist violence and migration
