Mistreb Of Seduction:

Mistress of Seduction Emma Allan, 2013-03-07 William Briton and Gloria Price employees of Peacham Associates dare not be late Not for an appointment at the home of the woman who rules their lives Clarissa Peacham herself In the office she is the aloof untouchable mistress of all she surveys But in her private time the beautiful Clarissa requires more from William and Gloria than a worker s compliance If they wish to keep their jobs they must submit to her intimate and insatiable desires Part one of the Seduction series Discover Piatkus Entice temptation at your fingertips www.piatkusentice.co.uk

Worldmaking Tom Clark, Emily Finlay, Philippa Kelly, 2017-01-19 In 1978 Nelson Goodman explored the relation of worlds to language and literature formulating the term worldmaking to suggest that many other worlds can as plausibly exist as the world we know right now We cannot catch or know the world as such all we can catch are the world versions descriptions views or workings of the world that are expressed in symbolic systems words music dancing visual representations Over the twenty five years since then creative works have played a crucial role in realigning reshaping and renegotiating our understandings of how worlds can be made and preserved in the face of globalizing trends The volume is divided into three sections each engaging with worlds as malleable constructs Central to all of the contributions is the question how can we understand the relationships between natural political cultural fictional literary linguistic and virtual worlds and why does this matter

The Colonial Rise of the Novel Firdous Azim, 2002-03-11 In this challenging book Firdous Azim provides a feminist critique of orthodox accounts of the rise of the novel and exposes the underlying orientalist assumptions of the early English novel Whereas previous studies have emphasized the universality of the coherent and consistent subject which found expression in the novels of the eighteenth century Azim demonstrates how certain categories women and people of colour were silenced and excluded The Colonial Rise of the Novel makes an important and provocative contribution to post colonial and feminist criticism It will be essential reading for all teachers and students of English literature women s studies and post colonial criticism

Modern Philology, 1926 Vols 30 54 include 1932 1956 of Victorian bibliography prepared by a committee of the Victorian Literature Group of the Modern Language Association of America Dark Airs Brendan Cooper, 2009 In discussions of American poetry since World War II the work of John Berryman has become increasingly neglected and marginalized Critics have overwhelmingly chosen to favour the notion that he is an academic establishment poet whose career can comfortably be described as a move from New Critical traditionalism towards self absorbed confessionalism This study shows how such a narrow understanding of Berryman s work is reflective of a broader critical inclination towards a codification of the literary canon as a duel between competing factions of a formalist establishment mainstream and an experimentalist countercultural avant garde By examining the extent to which Berryman s poetry engages with the complex religiopolitical climate of Cold War American culture this study exposes the inadequacy of the paradigm of mainstream traditionalism in relation to his work In doing so it opens up threads of comparative possibility

between his work and that of poets ordinarily segregated from him by divisive conceptions of the literary canon As such this volume provides a reconsideration of Berryman s work that simultaneously asks broader questions about the nature of the American poetic canon and established definitions of postmodern poetry **The Samburu** Paul Spencer,2023-09-01 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1965 **The Merry Wives of Windsor** Evelyn Gajowski,Phyllis Rackin,2014-09-19 The Merry Wives of Windsor has recently experienced a resurgence of critical interest At times considered one of Shakespeare s weaker plays it is often dismissed or marginalized however developments in feminist ecocritical and new historicist criticism have opened up new perspectives and this collection of 18 essays by top Shakespeare scholars sheds fresh light on the play The detailed introduction by Phyllis Rackin and Evelyn Gajowski provides a historical survey of the play and ties into an evolving critical and cultural context The book s sections look in turn at female community female agency theatrical alternatives social and theatrical contexts desire sexuality nature and performance to provide a contemporary critical analysis of the play **The English Mannerist Poets and the Visual Arts** L. E. Semler,1998 In this study L E Semler begins with a comprehensive historical definition of Mannerism in visual arts from which he derives four key terms that constitute the nucleus of the aesthetic technical precision elegance grazia and the difficulta facilita formula These principles interwoven with one another and with maniera are derived from visual arts but are specifically designed to be transferable to any medium The rest of the book situates the English poets in relation to the visual arts including painting limning gold and silversmithery architecture and garden design and discusses their verse in relation to the key Mannerist principles *The Bedtrick* Wendy Doniger,2022-08-22 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln s truly terrible poem about a bedtrick You will learn that in Hong Kong the film The Crying Game was retitled Oh No My Girlfriend Has a Penis And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can t people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell

Funny sexy and engaging *The Bedtrick* is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

Jericho's Daughters Paul Iselin Wellman, 2022-08-16 Paul Iselin Wellman's *Jericho's Daughters* casts a discerning eye on the trials and tribulations of a pioneering family navigating the vicissitudes of frontier life Wellman's vibrant narrative both evocative and richly detailed weaves a tapestry of interpersonal dynamics against the backdrop of expansive American landscapes The work is distinctive for its commitment to historic authenticity and its lyrical prose which resonates within the broader literary context of mid twentieth century Americana Crafted with meticulous care *Jericho's Daughters* stands as a poignant exploration of human fortitude in the face of adversity and change an enduring theme in Wellman's oeuvre In examining Wellman's oeuvre one discerns a palpable fascination with the American West a testament to his upbringing in the heartland of Kansas and his subsequent career as a journalist and historian *Jericho's Daughters* emerges as a culmination of Wellman's lifelong passion for the foundational stories of America offering a narrative that is both personal and universally resonant His experiences and observations infuse the work with a sense of credibility and depth enriching the historical tapestry with the nuances of lived reality *Jericho's Daughters* is recommended for those who cherish American historical fiction and the exploration of human resilience It will resonate especially with readers who appreciate literary craftsmanship and a deep dive into the cultural and emotional landscapes that define a people and a period Wellman's work invites one to reflect on the broader human experience with each page promising a journey not just through the corridors of history but also through the complex terrain of the human spirit

Other Voices, Other Views Helen Ostovich, Mary V. Silcox, Graham Roebuck, 1999-12 The debate over canon represented by this book is implicit in the broad range of its contents As a whole it argues for expansion the inclusion of other voices to augment the standard university syllabus for the early modern period urging recognition of the period's diversity and reforming the conditions under which we pass judgment on its culture Each of these essays reveals the literary potential of works that have been considered inferior and inappropriate for serious study While such individual discovery is certainly valuable what is even more interesting is their significance as a group All the essays contained here are engaged in opening texts up to different perspectives creating a canon that speaks of diversity rather than uniformity

[The Gardens of Adonis](#) Marcel Detienne, 2021-10-12 Rich with implications for the history of sexuality gender issues and patterns of Hellenic literary imagining Marcel Detienne's landmark book recasts long standing ideas about the fertility myth of Adonis The author challenges Sir James Frazer's thesis that the vegetation god Adonis whose premature death was mourned by women and whose resurrection marked a joyous occasion represented the annual cycle of growth and decay in agriculture Using the analytic tools of structuralism Detienne shows instead that the festivals of Adonis

depict a seductive but impotent and fruitless deity whose physical ineptitude led to his death in a boar hunt after which his body was found in a lettuce patch Contrasting the festivals of Adonis with the solemn ones dedicated to Demeter the goddess of grain he reveals the former as a parody and negation of the institution of marriage Detienne considers the short lived gardens that Athenian women planted in mockery for Adonis s festival and explores the function of such vegetal matter as spices mint myrrh cereal and wet plants in religious practice and in a wide selection of myths His inquiry exposes among many things attitudes toward sexual activities ranging from perverse acts to marital relations **The Ontario Reports**
