**The Mistress Scandal** Kim Lawrence, 2010-12-27 Ally doesn't regret her one night of passion with Gabe MacAllister. But now he's back demanding to know why Ally has kept their son a secret and determined that she should be in his life permanently. But as his mistress or his wife? *A Courtesan's Scandal* Julia London, 2024-09-03 New York Times bestselling author Julia London is at her best in this sensual Regency where a Duke must pretend his mistress is his wife. Kate Bergeron is the beautiful and mysterious former mistress of a cloth merchant and the latest beauty to capture the interest of the Prince of Wales. Mired in a disastrous divorce, the Prince attempts to distract attention from his next amorous pursuit by ordering Grayson Christopher, the eligible Duke of Darlington, to pretend to London society that he is having an affair with Kate. When Grayson reluctantly agrees to his Prince's demand, he finds the lady no more willing than he is. Kate will grudgingly act the part in public, but her favors are not for sale to any man. As Grayson and Kate mimic ardor for the world to see, they find what started as a deception becoming all too real. And when passion flames into love, their predicament becomes extreme. For while marriage between a duke and a courtesan could never happen, Kate knows in her heart that she is willing to accept nothing less. *Sex Scandals, Gender, and Power in Contemporary American Politics* Hinda Mandell, 2017-04-17 Examining how gender impacts political sex scandals in the United States, this book explains how political sex scandals contribute to the mistrust of government and identifies why these events have serious consequences for our political system. The increasing tabloidization of politics and focus on politicians involved in sex scandals is both problematic and important. When a major political sex scandal occurs, it occupies as much as 25 percent of all news coverage in the United States. Even if people may deny it, they enjoy consuming and talking about political sex scandals. Written by a former journalist who has frequently explored the intersections of politics, sex, and gender in the United States, *Sex Scandals, Gender, and Power in Contemporary American Politics* investigates how political sex scandals contribute to the mistrust of government and why these events have great significance in our frenzied media environment. The book makes use of comprehensive descriptive data, including statistics, to explain how political sex scandals are a representation of society's broader gender dynamics, conveying subtle messages about power and morality. It addresses the roles of men and women in political sex scandals over time, the increasing tabloidization of politics, and the often overlooked consequences of sex scandals for the political system. Author Hinda Mandell also documents how scandals' multiple negative effects for the politicians themselves and for society include turning politics into a spectator sport, contributing to the mistrust of government, the questioning of politicians' competence and judgment as a group, and politicians' diminishing effectiveness in office. **Spaniard's Seduction** Tessa Radley, 2008-11-01 The white-hot desire for vengeance had driven Rafaelo Carreras, Marques de Las Carreras, for years. Now at last, the ruthless Spanish aristocrat had come to New Zealand to take what was rightfully his from the wealthy, powerful, hated Saxon family. Seducing Caitlyn Ross, the Saxons' beautiful young winemaker, was child's play for a man like

him and the perfect way to get what he wanted But as he came to know this woman to taste her beguiling blend of innocence and passion he wondered if he was the one being seduced The Untamed Sheikh Tessa Radley,2009-03-31 Mr April Prince Shafir Al Dhahar desert sheik His Creed Family first last always His Challenge One obstinate foreign beauty The wedding would go on Prince Shafir would not let Megan Saxon steal away his cousin's groom to be Stopping her by seduction seemed the easiest plan He'd simply make Megan fall in love with another man him But what would happen if the seducer found himself falling for a woman he couldn't by royal rights truly keep MAN OF THE MONTH A royal sheik with an iron clad destiny until love changed the rules **88 Ways to Die** Johnnie Mitchell,2014-02-25 In the year 1988 black private
