Mitchum Jerry Roberts, 2000 Mitchum s tales include beatings hanging producers by their shoelaces killings in Mexican bars and slapping Teutonic helmer Otto Preminger And there are classic observations such as his quip to Variety that the best producer is an absent one Mitchum editor Jerry Roberts conducted one of the interviews and has done a terrific job piecing together vintage conversations with David Frost Dick Lochte Richard Schickel and Charles Champlin as well as collecting a wonderful array of prize guotes by and about Mitchum Steven Gaydos Variety Lion of Hollywood Scott Eyman, 2008-06-23 Lion of Hollywood is the definitive biography of Louis B Mayer the chief of Metro Goldwyn Mayer MGM the biggest and most successful film studio of Hollywood's Golden Age An immigrant from tsarist Russia Mayer began in the film business as an exhibitor but soon migrated to where the action and the power were Hollywood Through sheer force of energy and foresight he turned his own modest studio into MGM where he became the most powerful man in Hollywood bending the film business to his will He made great films including the fabulous MGM musicals and he made great stars Garbo Gable Garland and dozens of others Through the enormously successful Andy Hardy series Mayer purveyed family values to America At the same time he used his influence to place a federal judge on the bench pay off local officials cover up his stars indiscretions and on occasion arrange marriages for gay stars Mayer rose from his impoverished childhood to become at one time the highest paid executive in America Despite his power and money Mayer suffered some significant losses He had two daughters Irene who married David O Selznick and Edie who married producer William Goetz He would eventually fall out with Edie and divorce his wife Margaret ending his life alienated from most of his family His chief assistant Irving Thalberg was his closest business partner but they quarreled frequently and Thalberg's early death left Mayer without his most trusted associate As Mayer grew older his politics became increasingly reactionary and he found himself politically isolated within Hollywood's small conservative community Lion of Hollywood is a three dimensional biography of a figure often caricatured and vilified as the paragon of the studio system Mayer could be arrogant and tyrannical but under his leadership MGM made such unforgettable films as The Big Parade Ninotchka The Wizard of Oz Meet Me in St Louis and An American in Paris Film historian Scott Eyman interviewed more than 150 people and researched some previously unavailable archives to write this major new biography of a man who defined an industry and an era The Cinematic Legacy of Frank Sinatra David Wills, 2025-06-25 In a film career spanning more than five decades Frank Sinatra proved to be a roulette wheel of constantly spinning talent the likes of which Hollywood has rarely seen Film history is filled with stars created by the studio system Occasionally however a performer emerged who against all preconceived odds of what a star should be or look like knocked down the walls of convention by becoming nothing other than what they already were Frank Sinatra was the embodiment of this fundamental truth The legacy of his work stands apart from many of his contemporaries who essentially based their performances on an extension of a core character type Sinatra however was able to take his signature persona

and translate it successfully into many film genres first as the comedic song and dance man then as the dramatic actor and romantic lead and finally as the tough guy and action hero Sinatra also respectfully challenged contemporary ideals of acting technique While being humble enough to learn from his peers he kept his acting style fresh and instinctual and earned an Oscar at a time when many actors were either classically trained or coached in the Method In The Cinematic Legacy of Frank Sinatra author David Wills presents a stunning collection highlighting the work of one of Hollywood's greatest stars in roles as varied as those in the classics Anchors Aweigh From Here to Eternity Suddenly Guys and Dolls The Man With the Golden Arm Ocean's 11 The Manchurian Candidate Von Ryan's Express and The Detective Pairing more than two hundred first generation photos with reflections on Sinatra from costars and work associates and including contributing essays by his children Nancy Sinatra Tina Sinatra and Frank Sinatra Jr it is an unforgettable showcase of the actor's transformation from world famous singer to movie star to Academy Award winner and finally to one of the most enduring icons in cinema history

Buster Keaton Imogen Sara Smith, 2008-09-01 Smith tells of the most dazzling and enigmatic of the silent clowns a man who began his career in vaudeville as one third of the Three Keatons at age four only to fall from grace with shattering swiftness in the early 1930s before eventually making a comeback on television in the 1950s **Hollywood's All-Time** Greatest Stars Andrew J. Rausch, 2003 Both academic and entertaining this quiz book will introduce a whole new generation of film buffs to America's classic movies Each of the 100 individual star entries opens with a quote and follows with a biography and filmography With more than 100 guizzes one for each star and additional master guizzes on general knowledge and quotes this quide covers every aspect of each work from the plot and the star s character to its production Mean...Moody...Magnificent! Christina Rice, 2021-06-15 By the early 1950s Jane Russell 1921 2011 should and reception have been forgotten Her career was launched on what is arguably the most notorious advertising campaign in cinema history which invited filmgoers to see Howard Hughes s The Outlaw 1943 and to tussle with Russell Throughout the 1940s she was nicknamed the motionless picture actress and had only three films in theaters With such a slow inauspicious start most aspiring actresses would have given up or faded away Instead Russell carved out a place for herself in Hollywood and became a memorable and enduring star Christina Rice offers the first biography of the actress and activist perhaps most well known for her role in Gentlemen Prefer Blondes 1953 Despite the fact that her movie career was stalled for nearly a decade Russell's filmography is respectable. She worked with some of Hollywood's most talented directors including Howard Hawks Raoul Walsh Nicholas Ray and Josef von Sternberg and held her own alongside costars such as Marilyn Monroe Robert Mitchum Clark Gable Vincent Price and Bob Hope She also learned how to fight back against Howard Hughes her boss for more than thirty five years and his marketing campaigns that exploited her physical appearance Beyond the screen Rice reveals Russell as a complex and confident woman She explores the star s years as a spokeswoman for Playtex as well as her deep faith and work as a Christian vocalist Rice also discusses Russell's leadership and patronage of the WAIF foundation

which for many years served as the fundraising arm of the International Social Service ISS agency WAIF raised hundreds of thousands of dollars successfully lobbied Congress to change laws and resulted in the adoption of tens of thousands of orphaned children For Russell the work she did to help unite families overshadowed any of her onscreen achievements On the surface Jane Russell seemed to live a charmed life but Rice illuminates her darker moments and her personal struggles including her empowered reactions to the controversies surrounding her films and her feelings about being portrayed as a sex symbol This stunning first biography offers a fresh perspective on a star whose legacy endures not simply because she forged a notable film career but also because she effectively used her celebrity to benefit others Ann Moss, 2011-06-17 Raoul Walsh 1887 1980 was known as one of Hollywood's most adventurous iconoclastic and creative directors He carved out an illustrious career and made films that transformed the Hollywood studio yarn into a thrilling art form Walsh belonged to that early generation of directors along with John Ford and Howard Hawks who worked in the fledgling film industry of the early twentieth century learning to make movies with shoestring budgets Walsh's generation invented a Hollywood that made movies seem bigger than life itself In the first ever full length biography of Raoul Walsh author Marilyn Ann Moss recounts Walsh's life and achievements in a career that spanned more than half a century and produced upwards of two hundred films many of them cinema classics Walsh originally entered the movie business as an actor playing the role of John Wilkes Booth in D W Griffith's The Birth of a Nation 1915 In the same year under Griffith's tutelage Walsh began to direct on his own Soon he left Griffith's company for Fox Pictures where he stayed for more than twenty years It was later at Warner Bros that he began his golden period of filmmaking Walsh was known for his romantic flair and playful persona Involved in a freak auto accident in 1928 Walsh lost his right eye and began wearing an eye patch which earned him the suitably dashing moniker the one eyed bandit During his long and illustrious career he directed such heavyweights as Humphrey Bogart James Cagney Errol Flynn and Marlene Dietrich and in 1930 he discovered future star The Quotable Stoner Holden Blunts, 2011-06-18 I love my FedEx guy cause he s a drug dealer and he don t John Wavne even know it and he s always on time Mitch Hedberg Talking about weed It never gets old There s just a whole lot to be said And in this book you ll find more than a thousand hilarious half baked quotes about marijuana and its medicinal calming overall awesome influence on movies people politics and pop culture from well known stoners like Tommy Chong to closet inhalers like Jennifer Aniston Within these papers er pages you ll be treated to tasty nuggets of wisdom from Jay Leno Forty million Americans smoke marijuana and the only ones who didn t like it were Judge Ginsburg Clarence Thomas and Bill Clinton to Bob Marley When you smoke the herb it reveals you to yourself and every pothead in between As you roll through these words of wisdom picking up new knowledge to drop on your friends you ll wish you thought of these killer buds first So gather around the bong grab some snacks to share and burn through this collection of essential pothead wisdom Hollywood Stunt Performers, 1910s-1970s Gene Scott Freese, 2014-04-04 This biographical dictionary shines the

marketing techniques that were revolutionary including the multimillion dollar blockbuster and the promotion of scandal When Hughes became the first person to completely own a major Hollywood studio he continued his maverick approach to filmmaking as a mogul Most importantly Hughes's role in the federal government's antitrust case against the industry led to the collapse of the entire studio system and the transformation of American cinema Although his contributions are often overlooked Hughes was instrumental in shaping the motion picture industry that exists today Slow Fade to Black Richard B.
