## **Mitteleuropa And German Politics 1848 To The Present:**

**Mitteleuropa and German Politics** J. Brechtefeld, 1996-09-11 The revival of the region of east central Europe known as Mitteleuropa began in Hungary and Czechoslovakia For Germany Mitteleuropa became a renewed geopolitical concept Since 1990 Mitteleuropa has increasingly become a region of German economic engagement However German elites failed however to develop a coherent political approach to that region while simultaneously conducting an eclectic Mitteleuropa policy outside a broader framework of foreign policy This book traces Germany's Mitteleuropa politics and puts them into an historical context and into a framework for future foreign policy The Third Reich and Yugoslavia Perica

Hadzi-Jovancic, 2020-08-06 The Third Reich and Yugoslavia focuses on economic and political affairs between the Third Reich and Yugoslavia before Germany attacked in April 1941 It observes the relations between the two countries primarily from an economic perspective with the political dimension forming a backdrop within which the economy operated Perica Hadzi Jovancic challenges the conventional scholarly wisdom which recognises economics as mainly being a tool of German foreign policy towards Yugoslavia Instead he successfully places economic dealings on both sides within the broader context of both the German economic and financial plans and policies of the 1930s as well as the existing trading ties between the two countries as they had been developing since the 1920s At the same time through detailed analysis of unpublished archival material Hadzi Jovancic explores the shared political relations from a new perspective one from which there is a much deeper understanding of Yugoslavia's motives and the resulting implications for the other great powers and the wider regional framework The book concludes that contrary to the traditional view in historiography and despite the dependency of Yugoslavia's foreign trade on the German market at the dawn of the Second World War Yugoslavia maintained both its economic and political agency in the shadow of the Third Reich It was only international political developments beyond Yugoslavia's control in the years ahead that lead to a more receptive stance towards German demands The First World

War and German National Identity Jan Vermeiren, 2016-07-18 An innovative study of the impact of the wartime alliance between Imperial Germany and Austria Hungary on German national identity Germany and the Modern World,

1880-1914 Mark Hewitson, 2018-07-05 The German Empire before 1914 had the fastest growing economy in Europe and was the strongest military power in the world Yet it appeared from a reading of many contemporaries accounts to be lagging behind other nation states and to be losing the race to divide up the rest of the globe This book is an ambitious re assessment of how Wilhelmine Germans conceived of themselves and the German Empire's place in the world in the lead up to the First World War Mark Hewitson re examines the varying forms of national identification allegiance and politics following the creation and consolidation of a German nation state in light of contemporary debates about modernity race industrialization colonialism and military power Despite the new claims being made for the importance of empire to Germany's development he reveals that the majority of transnational networks and contemporaries interactions and horizons remained intra

European or transatlantic rather than truly global      Between Occultism and Nazism Peter Staudenmaier, 2014-04-03 The relationship between Nazism and occultism has been an object of fascination and speculation for decades Peter Staudenmaier's *Between Occultism and Nazism* provides a detailed historical examination centered on the anthroposophist movement founded by Rudolf Steiner Its surprising findings reveal a remarkable level of Nazi support for Waldorf schools biodynamic farming and other anthroposophist initiatives even as Nazi officials attempted to suppress occult tendencies The book also includes an analysis of anthroposophist involvement in the racial policies of Fascist Italy Based on extensive archival research this study offers rich material on controversial questions about the nature of esoteric spirituality and alternative cultural ideals and their political resonance      **The Politics of Immortality in Rosenzweig, Barth and Goldberg** Mårten Björk, 2022-04-21 Highlighting the central importance of theological configurations of immortality and eternal life from 1914-1945 Mårten Björk explores the key writings of Franz Rosenzweig Karl Barth and Oskar Goldberg to situate their ideas in relation to the political turmoil of the period including the rise of social Darwinism nationalism and fascism The conversations happening among Christian and Jewish theologians and philosophers on the nature of immortality and eternal life during the period constitute what Björk calls a politics of immortality The speculative question of eternal life became a way to address the meaning of a good life in a period when millions of lives were lost to war camps and prisons This book shows how theology was related to central political concepts and ideas of the era revealing how the question of immortality pursued by Rosenzweig Barth and Goldberg became a way to resist the reduction of life to race blood and soil By situating the exact political consequences of theological and metaphysical theories of immortality and eternal life Björk's discussion of Rosenzweig Barth and Goldberg confronts the perennial question on the relation between life and death and exposes the important connections between political theology and philosophical posthumanism      **Mahler's Nietzsche** Leah Batstone, 2023 Examines how Nietzschean ideas influenced the composition of Mahler's first four so-called Wunderhorn symphonies Gustav Mahler and Friedrich Nietzsche both exercised a tremendous influence over the twentieth century All the more fascinating then is Mahler's intellectual engagement with the writings of Nietzsche Given the limited and frequently cryptic nature of the composer's own comments on Nietzsche Mahler's specific understanding of the elusive thinker is achieved through the examination of Nietzsche's reception amongst the people who introduced composer to philosopher members of the Pernerstorfer Circle at the University of Vienna Mahler's *Nietzsche* draws on a variety of primary sources to answer two key questions The first is hermeneutic what do Mahler's allusions to Nietzsche mean The second is creative how can Mahler's own characterization of Nietzsche as an epoch-making influence be identified in his compositional techniques By answering these two questions the book paints a more accurate picture of the intersections of the arts philosophy and politics in fin de siècle Vienna Mahler's *Nietzsche* will be required reading for scholars and students of nineteenth and early twentieth century German music and philosophy      German Politics and Society, 1998      **Imagining European Unity**

**since 1000 AD** Patrick Pasture, 2015-05-28 European unity is a dream that has appealed to the imagination since the Middle Ages Its motives have varied from a longing for peace to a deep rooted abhorrence of diversity as well as a yearning to maintain Europe's colonial dominance This book offers a multifaceted history that takes in account the European imagination in a global context

**Europe's Utopias of Peace** Bo Stråth, 2016-01-28 Europe's Utopias of Peace explores attempts to create a lasting European peace in the aftermath of the Napoleonic wars and the two world wars The book charts the 250 year cycle of violent European conflicts followed by new utopian formulations for peace The utopian illusion was that future was predictable and rules could prescribe behaviour in conflicts to come Bo Stråth examines the reiterative bicentenary cycle since 1815 where each new postwar period built on a design for a project for European unification He sets out the key historical events and the continuous struggle with nationalism linking them to legal political and economic thought Biographical sketches of the most prominent thinkers and actors provide the human element to this narrative Europe's Utopias of Peace presents a new perspective on the ideological legal economic and intellectual conditions that shaped Europe since the 19th century and presents this in a global context It challenges the conventional narrative on Europe's past as a progressive enlightenment heritage highlighting the ambiguities of the legacies that pervade the institutional structures of contemporary Europe Its long term historical perspective will be invaluable for students of contemporary Europe or modern European history

**Geopolitical Traditions** David Atkinson, Klaus Dodds, 2002-09-26 Condemned as an intellectual poison by the late American geographer Richard Hartshorn geopolitics has confounded its critics Today it remains a popular and important intellectual field despite the persistent allegations that geopolitics helped to legitimate Hitler's policies of spatial expansionism and the domination of place Using insights from critical geopolitics and cultural history the contributors focus on how geopolitics has been created negotiated and contested within a variety of intellectual and popular contexts Geopolitical Traditions argues that geopolitics has to take responsibility for the past whilst at the same time reconceptualising geopolitics in a manner which accounts for the dramatic changes in the late twentieth century The book is divided into three sections firstly Rethinking Geopolitical Histories concentrates on how geopolitical conversations between European scholars and the wider world unfolded secondly Geopolitics Nation and Spirituality considers how geopolitical writings have been strongly influenced by religions iconography and doctrine with examples drawn from Catholicism Judaism and Hinduism and thirdly Reclaiming and Refocusing Geopolitics contemplates how geopolitics has been reformulated in the post war period with illustrations from France and the United States Geopolitical Traditions brings together scholars working in a variety of disciplines and locations in order to explore a hundred years of geopolitical thought Sanjay Chaturvedi Punjab University India Paul Claval Eaubonne France Michael J Heffernan Nottingham University UK Les Hepple University of Bristol

**The Foundations of Ostpolitik** Julia von Dannenberg, 2008-01-10 Based on recently released archival sources this book is the first systematic analysis of the German Soviet negotiations leading to the

conclusion of the Moscow Treaty of August 1970 This treaty was the linchpin of the New Ostpolitik launched by Chancellor Willy Brandt's government as a policy of reconciliation and an attempt to normalize relations with the countries of the Eastern bloc Focusing on the decision making processes both within the German domestic political system as well as within the international context this study offers a new interpretation of the shift from confrontational to détente politics at this time arguing that the Moscow Treaty was the product of various interrelated domestic and external factors As Dannenberg shows the change of government to a Social Liberal coalition was the first important precondition for Ostpolitik while the speedy conclusion of the Moscow Treaty owed much to the high degree of secrecy and centralization that characterized Brandt's policy making and that of his small coterie of advisors However Brandt's predominance in the decision making process does not mean that he alone determined the direction of policy His room for manoeuvre was amongst other things constrained by his coalition's narrow parliamentary majority as well as the Western Allies' special rights On the other hand German Soviet trade expansion public opinion and the emerging international interest in détente in the mid 1960s were crucial factors favouring Ostpolitik It was in this configuration of circumstances that Brandt placed himself at the forefront of the movement towards détente between East and West by introducing his bold diplomatic design one that had the reunification of Germany as its ultimate goal

**Between Yesterday and Tomorrow** Christian Bailey, 2013-10-01 An intellectual and cultural history of mid twentieth century plans for European integration this book calls into question the usual pre and post war periodizations that have structured approaches to twentieth century European history It focuses not simply on the ideas of leading politicians but analyses debates about Europe in civil society and the party political sphere in Germany asking if and how a permissive consensus was formed around the issue of integration Taking Germany as its case study the book offers context to the post war debates analysing the continuities that existed between interwar and post war plans for European integration It draws attention to the abiding scepticism of democracy displayed by many advocates of integration indeed suggesting that groups across the ideological spectrum converged around support for European integration as a way of constraining the practice of democracy within nation states

**The Impossible Border** Annemarie H. Sammartino, 2014-03-17 Between 1914 and 1922 millions of Europeans left their homes as a result of war postwar settlements and revolution After 1918 the immense movement of people across Germany's eastern border posed a sharp challenge to the new Weimar Republic Ethnic Germans flooded over the border from the new Polish state Russian migrants poured into the German capital and East European Jews sought protection in Germany from the upheaval in their homelands Nor was the movement in one direction only German Freikorps sought to found a soldiers colony in Latvia and a group of German socialists planned to settle in a Soviet factory town In *The Impossible Border* Annemarie H Sammartino explores these waves of migration and their consequences for Germany Migration became a flashpoint for such controversies as the relative importance of ethnic and cultural belonging the interaction of nationalism and political ideologies and whether or not

Germany could serve as a place of refuge for those seeking asylum Sammartino shows the significance of migration for understanding the difficulties confronting the Weimar Republic and the growing appeal of political extremism Sammartino demonstrates that the moderation of the state in confronting migration was not merely by default but also by design However the ability of a republican nation state to control its borders became a barometer for its overall success or failure Meanwhile debates about migration were a forum for political extremists to develop increasingly radical understandings of the relationship between the state its citizens and its frontiers The widespread conviction that the democratic republic could not control its impossible Eastern borders fostered the ideologies of those on the radical right who sought to resolve the issue by force and for all time

**A Brief History of The Third Reich** Martyn Whittock, 2011-06-23 The abuse of power genocide the destruction of total war unimaginable cruelty and the suffering of millions were all central features of Hitler's Nazi regime Yet the Nazis were also highly successful in manipulating images and information they mobilized and engaged vast numbers of people caught the imagination of the young and appeared remarkably modern to many contemporary observers Was the Third Reich a throwback to a mythical past or a brutally modern and technologically advanced state Was Hitler a strong dictator who achieved his clear goals or was his chaotic style of government symptomatic of a weak dictator unable to control the complex and contradictory forces that he had unleashed Was the Third Reich ruled by terror or largely supported by a compliant German population Was the genocide against the Jews a peculiarly German phenomenon or a uniquely German expression of a terrible wider trend Whittock explores these and other key questions interrogating the views of different historians and drawing on a wealth of primary sources from state sponsored art to diaries letters and memoirs of both perpetrators and victims to provide an overview of the complex evidence History should aim to put us firmly in touch with the lives of people living in the past and the issues they faced Whittock never loses sight of the individuals whose lives were caught up in these extraordinary events while also giving a lucid overview of the bigger picture

The Dictators: Hitler's Germany, Stalin's Russia Richard Overy, 2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze

the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils **Pan-Slavism and Slavophilia in Contemporary Central and Eastern Europe** Mikhail Suslov, Marek Čejka, Vladimir Dorđević, 2023-02-13 This book explores origins manifestations and functions of Pan Slavism in contemporary Central and Eastern Europe arguing that despite the extinction of Pan Slavism as an articulated Romantic era geopolitical ideology a number of related discourses metaphors and emotions have spilled over into the mainstream debates and popular imagination Using the term Slavophilia to capture the range of representations the volume analyses how geopolitical discourses shape the identity and policies of a community providing a comparative analysis that covers a range of Slavic countries in order to understand how Pan Slavism works and resonates across geographic and political contexts The Orientalist Tom Reiss, 2006-03-14 A thrilling page turner of epic proportions Tom Reiss s panoramic bestseller tells the true story of a Jew who transformed himself into a Muslim prince in Nazi Germany Lev Nussimbaum escaped the Russian Revolution in a camel caravan and as Essad Bey became a celebrated author with the enduring novel Ali and Nino as well as an adventurer a real life Indiana Jones with a fatal secret Reiss pursued Lev s story across ten countries and found himself caught up in encounters as dramatic and surreal and sometimes as heartbreaking as his subject s life **Europe as the Western Peninsula of Greater Eurasia** Glenn Diesen, 2021-09-27 Will the increased economic connectivity across the Eurasian supercontinent transform Europe into the western peninsula of Greater Eurasia The unipolar era entailed the US organising the two other major economic regions of the world Europe and Asia under US leadership The rise of the rest primarily Asia with China at the centre has ended the unipolar era and even 500 years of Western dominance China and Russia are leading efforts to integrate Europe and Asia into one large region The Greater Eurasian region is constructed with three categories of economic connectivity strategic industries built on new and disruptive technologies physical connectivity with bimodal transportation corridors and financial connectivity with new development banks trading currencies and payments systems China strives for geoeconomic leadership by replacing the US leadership position while Russia endeavours to reposition itself from the dual periphery of Europe and Asia to the centre of a grand Eurasian geoeconomic constellation Europe positioned between the trans Atlantic region and Greater Eurasia has to adapt to the new international distribution of power to preserve its strategic autonomy

### **Mittleuropa And German Politics 1848 To The Present Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Mittleuropa And German Politics 1848 To The Present PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Mitteleuropa And German Politics 1848 To The Present PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Mitteleuropa And German Politics 1848 To The Present free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Mitteleuropa And German Politics 1848 To The Present Books**

1. Where can I buy Mitteleuropa And German Politics 1848 To The Present books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
