**Stephen Andrew Cooper**

## **Mixed Marriage Between Jew And Christian:**

*Mixed Marriage Between Jew and Christian* Samuel M. Silver, 1977      Love & Tradition Egon Mayer, 2013-11-11

*Intermarriage* Susan Weidman Schneider, 1989 Intermarriage need not entail either irreconcilable conflict or a meaningless blending of two faiths Susan Schneider demonstrates that it is possible to build a successful marriage without futilely attempting to erase differences      **Mixed Blessings** Paula Ripple Comin, 1999 Here is a collection of thoughts reflections and stories from Paula's own life She shares some of the joys and struggles she has encountered as she has faced her memories as well as some of the insights she has found along the way She encourages readers to reflect on their own memories and to open their lives to both themselves and others      **Mixed Marriage Between Jew and Christian** Samuel M. Silver, 1977      **Interfaith Families** Jane Kaplan, 2005-03-01 As the number of Jewish Christian marriages in America continue to rise couples find themselves searching for ways to reconcile love and religion Even when each partner has no particular religious life they are confronted with related conflicts Should children be raised in one faith and not the other Who decides which holidays to celebrate and how How can couples deal with extended family members who may not understand or accept their interfaith marriage Readers will find an array of reactions and approaches as the couples profiled in this book describe how they tackled these topics Each personal narrative offers fresh insight into interfaith families by giving examples of the successes and failures struggles and triumphs of everyday situations and major life decisions

**Jews, Race, and Environment** Maurice Fishberg, 2017-07-05 Originally published in 1911 *Jews Race and Environment* presents the results of anthropological demographic pathological and sociological investigations of people who identify themselves as Jews At the time Fishberg wrote this book there was widespread interest in the idea of Jews as a race and in the ethnic relationship of Jews to each other The early twentieth century was a period of heavy Eastern European immigration to the United States Many questioned if it were possible for Jews to assimilate into American culture particularly into what was termed the body politic of Anglo Saxon communities Fishberg addresses these questions in this classic study      *Hitler's Jewish Soldiers* Bryan Mark Rigg, 2002 On the murderous road to racial purity Hitler encountered unexpected detours largely due to his own crazed views and inconsistent policies regarding Jewish identity After centuries of Jewish assimilation and intermarriage in German society he discovered that eliminating Jews from the rest of the population was more difficult than he'd anticipated As Bryan Rigg shows in this provocative new study nowhere was that heinous process more fraught with contradiction and confusion than in the German military Contrary to conventional views Rigg reveals that a startlingly large number of German military men were classified by the Nazis as Jews or partial Jews Mischlinge in the wake of racial laws first enacted in the mid 1930s Rigg demonstrates that the actual number was much higher than previously thought perhaps as many as 150 000 men including decorated veterans and high ranking officers even generals and admirals As Rigg fully documents for the first time a great many of these men did not even consider themselves Jewish and had embraced the

military as a way of life and as devoted patriots eager to serve a revived German nation In turn they had been embraced by the Wehrmacht which prior to Hitler had given little thought to the race of these men but which was now forced to look deeply into the ancestry of its soldiers The process of investigation and removal however was marred by a highly inconsistent application of Nazi law Numerous exemptions were made in order to allow a soldier to stay within the ranks or to spare a soldier s parent spouse or other relative from incarceration or far worse Hitler s own signature can be found on many of these exemption orders But as the war dragged on Nazi politics came to trump military logic even in the face of the Wehrmacht s growing manpower needs closing legal loopholes and making it virtually impossible for these soldiers to escape the fate of millions of other victims of the Third Reich Based on a deep and wide ranging research in archival and secondary sources as well as extensive interviews with more than four hundred Mischlinge and their relatives Rigg s study breaks truly new ground in a crowded field and shows from yet another angle the extremely flawed dishonest demeaning and tragic essence of Hitler s rule

**Jews and Christians in the Holy Land** Gunter Stemberger,1999-12-01 The fourth century is often referred to as the first Christian century and for the Jews a period of decline and persecution But was this change really so immediate and irreversible What was the real impact of the Christianisation of the Roman Empire on the Jews especially in their own land Stemberger draws on all available sources literary and archaeological Christian as well as pagan and Jewish to reconstruct the history of the different religious communities of Palestine in the fourth century This book demonstrates how lively creative and resourceful the Jewish communities remained

**The Australian Jewish Herald** ,1926

Canada's Jews Louis Rosenberg,1993 Louis Rosenberg s Canada s Jews is a pioneering study of the demographic sociological cultural and economic dimensions of Canadian Jewish life in the 1930s It provides a comprehensive portrait of a community struggling with the insecurities of recent

**Jews and Other Germans** Till van Rahden,2008 Examines the integration of Jews into German society between 1860 1925 taking as an example the city of Breslau then Germany now Wrocław Poland Questions whether there was a continuous line from the German treatment of Jews before World War I to Nazi antisemitism During and after World War I relations between Jews and non Jews worsened and the high level of Jewish integration eroded between 1916 25 Although the constitution of the Weimar Republic accorded Jews equality they experienced acts of violence and discrimination Argues that antisemitism became stronger as the economic situation of the Jews deteriorated due to inflation and the emigration to Germany of 4 273 impoverished Jews from Poland and Russia between 1919 23 Concludes nevertheless that no direct line can be drawn between the antisemitism in Imperial Germany and that of the Nazi period

*Histories of the Jews of Egypt* Dario Miccoli,2015-03-24 Up until the advent of Nasser and the 1956 War a thriving and diverse Jewry lived in Egypt mainly in the two cities of Alexandria and Cairo heavily influencing the social and cultural history of the country Histories of the Jews of Egypt argues that this Jewish diaspora should be viewed as an imagined bourgeoisie It demonstrates how from the late nineteenth century up to the 1950s a resilient bourgeois

imaginary developed and influenced the lives of Egyptian Jews both in the public arena in institutions such as the school and in the home From the schools of the Alliance Israélite Universelle and the Cairo lycée français to Alexandrian marriage contracts and interwar Zionist newspapers this book explains how this imaginary was characterised by a great capacity to adapt to the evolutions of late nineteenth and early twentieth century Egypt but later deteriorated alongside increasingly strong Arab nationalism and the political upheavals that the country experienced from the 1940s onwards Offering a novel perspective on the history of modern Egypt and its Jews and unravelling too often forgotten episodes and personalities which contributed to the making of an incredibly diverse and lively Jewish diaspora at the crossroads of Europe and the Middle East this book is of interest to scholars of Modern Egypt Jewish History and of Mediterranean History **Marius Victorinus'**

**Commentary on Galatians** Stephen Andrew Cooper, 2005-03-24 This is the first English translation of Marius Victorinus' commentary on Galatians Analytical notes full bibliography and a lengthy introduction make this book a valuable resource for the study of the first Latin commentator on Paul No such comparable work exists in English and this volume engages fully with German French and Italian scholarship on Victorinus' commentaries A number of themes receive special treatment in a lengthy introduction the relation of Victorinus' exegetical efforts to the trinitarian debates the iconography of the apostle Paul in mid fourth century Rome Victorinus' exegetical methodology his intentions as a commentator and the question of his influence on later Latin commentators Ambrosiaster and Augustine *America and the Challenges of Religious Diversity*

Robert Wuthnow, 2005 Muslims Hindus Buddhists and adherents of other non Western religions have become a significant presence in the United States in recent years Yet many Americans continue to regard the United States as a Christian society How are we adapting to the new diversity Are we willing to do the hard work required to achieve genuine religious pluralism Award winning author Robert Wuthnow tackles these and other difficult questions surrounding religious diversity Wuthnow contends that responses to religious diversity are fundamentally deeper than polite discussions about civil liberties and tolerance would suggest Rather he writes religious diversity strikes at the very core of our personal and national theologies Only by understanding this important dimension of our culture will we be able to move toward a more reflective religious pluralism From publisher's description *Mixed Blood* Paul R. Spickard, 1989 *Mixed Blood* serves an important function in drawing together a far ranging set of experiences all of which bear on the phenomenon of intermarriage from publisher's site

**The History of the Jews in the Greco-Roman World** Peter Schäfer, 2003-09-02 Examines Judaism in Palestine throughout the Hellenistic period from Alexander the Great's conquest in 334 BC to its capture by the Arabs in AD 636

**Interfaith Marriage in America** E. Seamon, 2012-11-09 Seamon explores the historical theological and societal dynamics of religious intermarriage as a way to introduce scholars to the myriad of factors that have contributed and will continue to contribute to the complete transformation of religion and Christianity in the twenty first century *Greek Jewry in the Twentieth Century, 1913-1983* Joshua Eli Plaut, 2000 This book is a study of post Holocaust Jewish survival in the

Greek provinces      **Still Jewish** Keren R. McGinity, 2012 Over the last century American Jews married outside their religion at increasing rates By closely examining the intersection of intermarriage and gender across the twentieth century Keren R McGinity describes the lives of Jewish women who intermarried while placing their decisions in historical context The first comprehensive history of these intermarried women Still Jewish is a multigenerational study combining in depth personal interviews and an astute analysis of how interfaith relationships and intermarriage were portrayed in the mass media advice manuals and religious community generated literature Still Jewish dismantles assumptions that once a Jew intermarries she becomes fully assimilated into the majority Christian population religion and culture Rather than becoming lost to the Jewish community women who intermarried later in the century were more likely to raise their children with strong ties to Judaism than women who intermarried earlier in the century Bringing perennially controversial questions of Jewish identity continuity and survival to the forefront of the discussion Still Jewish addresses topics of great resonance in a diverse America
