

A MIXTURE OF FRAILTIES

BY

~~Robertson Davies~~
Robertson Davies

*Nothing softens the Arrogance of our Nature like a
Mixture of some Frailties. It is by them that we are best told,
that we must not strike too hard upon others.
Because we ourselves do so often deserve blows, They
pull our Rage by the sleeve and whisper
Gentleness to us in our rancours. MONTAIGNE*

Symmetry Marc J. Straus, 2000 In this second book of poems oncologist Marc J Straus addresses the hopes and the tragedies of his profession The work is a commentary on his experience in the medical field and a collection of rich vivid monologues written from the points of view of both doctor and patient These poems show a rare sensitivity not only to those who are suffering but also to the details that distinguish each life

The Salterton Trilogy Robertson Davies, 2016-05-24 The *Salterton Trilogy* is comprised of the novels *Tempest Tost* *Leaven of Malice* and *A Mixture of Frailties* Robertson Davies first forays into fiction in the 1950s The *Trilogy* is available in eBook format for the first time In the small university town of Salterton Ontario dreams are quietly taking shape or falling apart In *Tempest Tost* Valentine Rich professional director of the Salterton Little Theatre Company is tormented by the amateurish efforts of his actors The families Vambrace and Bridgetower almost go to war over

a fake notice of engagement in the local paper in *Leaven of Malice* And in *A Mixture of Frailties* the fortune of the late Louisa Bridgetower is lavished on an aspiring singer because there is no male heir to claim it Tracing the lives and incidents of a small community *The Salterton Trilogy* peels off the public veneer of geniality and respectability to reveal the private passions simmering beneath Ingenious erudite entertaining Davies displays all the qualities of a latter day Trollope and shows us what modern Canada is like Anthony Burgess in the Observer Books of the Year *Robertson Davies* Camille R. La Bossière, Linda M. Morra, 2001 This collection of essays on the writing of Robertson Davies addresses the basic problems in reading his work by looking at the topics of doubling disguise irony paradox and dwelling in gaps or spaces in between The essays present new insights on a broad range of topics in Davies oeuvre and represent one of the first major discussions devoted to Davies work since his death in 1995 Published in English *Imagining London* John Clement Ball, 2004-01-01 *Imagining London* examines representations of the English metropolis in Canadian West Indian South Asian and second generation black British novels written in the last half of the twentieth century **Mixture of Frailties and King John** Karn A. Junkins, 1985 Miscellanies George Savile Marquis of Halifax, 1751 *Robertson Davies* Val Ross, 2009-02-24 National bestseller and a Globe and Mail Best Book A fascinating larger than life character Davies left a treasure trove of stories about him when he died in 1995 expertly arranged here into a revealing portrait From his student days onward Robertson Davies made a huge impression on those around him He was so clearly bound for a glorious future that some young friends even carefully preserved his letters And everyone remembered their encounters with him Later in life as a world famous writer perhaps Canada's pre eminent man of letters who looked like Jehovah he attracted people eager to meet him who also vividly remembered their meetings So when Val Ross set out in search of people's memories she was faced with a wonderful embarrassment of riches The one hundred or so contributors here range very widely There are family memories of course and memories from colleagues in the academic world who knew him as a professor and the founding master of Massey College at the University of Toronto Predictably there are other major writers like Margaret Atwood and John Irving Less predictably there are people from the world of Hollywood such as Norman Jewison and David Cronenberg who remembers Davies on set peering through a camera lens as he researched his newest novel And we even hear from his barber and from his gardener Theo Henkenhaf Some speakers contribute just a lively paragraph others several pages Yet all of them through the magic of Val Ross's art help to create an intriguing full colour portrait of a complex man beloved by millions of readers around the world **Aspects of Robertson Davies' Novels** Victor J. Lams, 2009 Completing the survey begun in Lams Cornish Trilogy volume *Aspects of Robertson Davies Novels* discusses the *Salterton* and *Deptford* trilogies along with Davies last two novels *Murder* it is best understood as an implicit spiritual history of Canada which is adumbrated in the generational experience of a single Canadian family *The Cunning Man* concludes Davies career with a narrative as rewardingly complex as any of the Cornish trilogy novels *Quest Biographies Bundle — Books 21-30* Julie H.

A Celtic Temperament Robertson Davies, 2015-10-06 Versatile and prolific Robertson Davies was an actor, journalist, and newspaper publisher, playwright, essayist, founding master of Massey College at the University of Toronto, and one of Canada's greatest novelists. He was also an obsessive, complex, and self-revealing diarist. His diaries, which he began as a teenager, grew to over 3 million words and are an astonishing literary legacy. This first published selection of his diaries spans 1959 to 1963, years in which Davies, in mid-life, experienced both daunting failure and unexpected success. Born in Thamesville, Ontario, in 1913, he was educated at local schools, then Upper Canada College, Queen's University, and Oxford University. He worked in England at the famous Old Vic theatre as an actor and literary advisor before returning to Canada, where he became the editor and publisher of the Peterborough Examiner, established himself as a prominent Canadian playwright, and published his first three novels, now known as the Salterton Trilogy. By 1959, at the age of forty-five, Robertson Davies was already one of Canada's leading literary figures. Even so, the diaries show that he was frustrated by the limitations of his literary success, often exasperated with the distractions of his daily life and buffeted by his mental and emotional state. They also show that he enjoyed life, was deeply interested in the society he lived in, and in the people he encountered. More often than not, he found comedy in the world around him and delighted in recording it. He kept not only a daily journal but also more focused diaries, such as his accounts of the Toronto and New York production of his play *Love and Libel* when he worked closely with the great British director Tyrone Guthrie, and of the founding of Massey College, the brainchild of Vincent Massey. The descriptions of backstage and academic politics are invariably entertaining, but in his diaries, Davies also reveals himself as intensely self-critical, frequently insecure, and with a highly changeable nature that he described as his Celtic temperament. We also see him as a partner in an intensely happy and creative marriage and as a man with an astonishing capacity for hard work. By the end of 1963, his life had taken a new direction. As master of Massey College, he finds himself a public figure, but he is increasingly preoccupied with a new novel he wants to write, which he is calling *Fifth Business*. The publication of *A Celtic Temperament* establishes Robertson Davies as one of the great diarists. In their range, variety, intimacy, and honesty, his diaries present an extraordinarily rich portrait of the man and his times.
