American Women's Autobiography Margo Culley, 1992 Focus on the works of Harriet Jacobs Elizabeth Cady Stanton Gertrude Stein Mary McCarthy Maxine Hong Kingston and others The Truth About Watergate Nick Bryant, 2024-02-22 A delusion is a strong belief or conviction despite superior evidence to the contrary The Watergate delusion embraced by millions is that swashbuckling Bob Woodward and the left confronted the malevolent Nixon administration as it cast a sinister pall over America and slayed it with the lance of truth thereby saving democracy But the actual evidence demonstrates that Watergate was not a shining example of democracy and Bob Woodward's place among the pantheon of journalistic immortals is a grift One of the grand deceptions of Watergate is that Nixon s enemies on the left razed his presidency but it was actually his enemies on the right the far right who initially had the means motive and opportunity And although Bob Woodward and Carl Bernstein told numerous lies throughout their Watergate reporting Woodward's Big Lie was that he didn't meet Alexander Haig until 1973 As The Truth About Watergate takes the reader on a guided tour of the extraordinary lies and liars of Watergate it demonstrates that Woodward's fabrication about Haig has seismic implications If Woodward s Big Lie about Haig had been exposed then the synergistic mythologies of Bob Woodward and Deep Throat would have been shattered and swept away by gusts of veracity The Washington Post has scorned prior Watergate revisionist books like Silent Coup The Removal of a President as a conspiracy theory but The Truth About Watergate shows The Washington Post has fervent utilitarian motives for banishing Silent Coup to the conspiracy theory ghetto "MO" A Woman's View of "Mo" Maureen Dean, Hays Gorey, 1975 Watergate Maureen Dean, 1975 Tricky Dick Roger Stone, 2017-07-11 Finally there is a warts and all biography of the most enduring American politician of the 20th century Richard Milhous Nixon written by an author with unprecedented access and insight about our 37th President New York Times Bestselling Author Roger Stone Stone and his co author award winning Investigative reporter Michael Colapietro look at the totality of Nixon s entire career utilizing stunning new information either suppressed or unknown by the main stream media of the time Tricky Dick includes new and never before published documentation that the CIA infiltrated the original Watergate burglary team in order to purposely botch the break in that White House Counsel John Dean consistently lied about his true role in planning execution and cover up of the Watergate break lying to Nixon about White House involvement for nine months and concealing ties between Dean and his wife and a high priced call girl ring utilized by the Democratic National Committee to entertain visiting Democrat dignitaries Building on the blockbuster revelations of Roger Stone's previous book on the Nixon's presidency Nixon's Secrets the longtime Nixon intimate and his co author have added shocking new material that proves that the Watergate Special Prosecutor met secretly repeatedly and illegally with Watergate Trial Judge John Sirica in a successful effort to railroad Nixon and rig any appeal to a higher court Stone and his co author Colapietro trace Nixon meteoric climb from his first race for the House in 1947 his dogged pursuit of Soviet spy Alger Hiss classified Russian documents released

Farrell, 2018-02-06 From a prize winning biographer comes the defining portrait of a man who led America in a time of turmoil and left us a darker age We live today John A Farrell shows in a world Richard Nixon made At the end of WWII navy lieutenant Nick Nixon returned from the Pacific and set his cap at Congress an idealistic dreamer seeking to build a better world Yet amid the turns of that now legendary 1946 campaign Nixon s finer attributes gave way to unapologetic ruthlessness The story of that transformation is the stunning overture to John A Farrell's magisterial biography of the president who came to embody postwar American resentment and division Within four years of his first victory Nixon was a U S senator in six the vice president of the United States of America Few came so far so fast and so alone Farrell writes Nixon s sins as a candidate were legion and in one unlawful secret plot as Farrell reveals here Nixon acted to prolong the Vietnam War for his own political purposes Finally elected president in 1969 Nixon packed his staff with bright young men who devised forward thinking reforms addressing health care welfare civil rights and protection of the environment It was a fine legacy but Nixon cared little for it He aspired to make his mark on the world stage instead and his 1972 opening to China was the first great crack in the Cold War Nixon had another legacy too an America divided and polarized He was elected to end the war in Vietnam but his bombing of Cambodia and Laos enraged the antiwar movement It was Nixon who launched the McCarthy era who played white against black with a southern strategy and spurred the Silent Majority to despise and distrust the country's elites Ever insecure and increasingly paranoid he persuaded Americans to gnaw as he did on grievances and to look at one another as enemies Finally in August 1974 after two years of the mesmerizing intrigue and scandal of Watergate Nixon became the only president to resign in disgrace Richard Nixon is a gripping and unsparing portrayal of our darkest president Meticulously researched brilliantly crafted and offering fresh revelations it will be hailed as a master work Ms. Magazine ,1975
