Mobilizing For Compassion Moving People Into Ministry:

Mobilizing for Compassion Robert E. Logan, Larry Short, 1994 *Church Administration* Clifford Mushishi, 2010-07-14

This book on church administration is a tool for all pastors and leaders in all churches. It provides ideas, methods, guidelines, and styles of administering and supervising modern day congregations and religious organizations in an easy to follow language. It can be used for any clergy or lay training, retreat, spiritual formation workshops and seminars. Theological or Bible institutions or universities which offer courses in church administration will find this book most helpful. Individuals can use it for their personal spiritual development. It also carries a devotional and motivational aspect which every spiritual leader cannot afford to miss.

Finding a Vision for Your Church Michael A. Milton, 2024-10-18 The church is more than a building; it is an assembly of people joined together across distances and even through time to fulfill God's purposes in the world. Each local gathering of that assembly needs a vision to help its members accomplish the work God has called them to do. But how do you inspire your church to create and follow through on a vision? Mike Milton provides tested biblical ideas to get everyone in the church involved in a plan to help the congregation grow. Each chapter develops an awareness of what needs to be done, provides questions for review, and includes prayers by elders and ministers of churches that have put these ideas to use.

The Mirage Shall Become a Pool Ondrej Hron, 2012-11-01 Few things are as important as our notions of justice and mercy. Yet how are we to make sense of our moral treatment of the poor given all the political, philosophical, and theological voices? While Christian Scripture is not silent on the matters of social justice and charity, even here our variously conditioned presuppositions cause us significant interference. Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness. This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses. So how would the New Testament witness have us treat the materially needy? How do we act justly and love mercy in walking humbly with our God?

A Strategy For Reaching Secular People Ernan A. Norman, D. Min., 2007-05-11 Dr. Ernan A. Norman D. Min has identified strategies to implement John 13:35. All people will know that you are my followers if you love each other. An excellent source for the essential principles of discipleship in a postmodern world. This book is written in nontechnical language based on the experiences as a student pastor and professor. I believe that the concepts presented are fundamental and are in harmony with the model demonstrated by Jesus during His ministry on earth. Meeting people at their level, putting their needs ahead of His own, treating people with respect, befriending the nonreligious, and inviting them into a relationship with Himself are some of the concepts that are identified and supported as strategies for reaching secular people. This book is an outstanding and important piece of work and easily readable. I would urge *A Strategy for Reaching Secular People* on members and leaders in every church if they are willing to challenge basic assumptions and embrace change relative to reaching lost people. Strategies that remove the barriers that keep people from hearing about God's love and to create a warm, friendly, uncritical, and non-judgmental attitude of acceptance are clearly presented. Full of

practical how to s and watch out s this book by Ernan Norman is for individuals serious about sharing the love of God As we interact with and minister to secular people matters such as marriage and family academics employment addictions and human rights must be addressed Norman clearly gives strategies for intentional efforts to reach secular postmodern men and women in our day The central concept is the example of Jesus that we should follow A must read Weymouth Spence Ed D President of Washington Adventist University **Enemies with Smiling Faces** Donald C. Posterski,2009-08 The world is a dangerous place Enemies lurk in all corners in our churches and in the world Their faces are different but they are equally deceptive We must learn to recognize the enemies before our minds are twisted by their ungodly concepts Some enemies come in the form of popular Christian concepts that are not truly biblical such as QUICK FIX FAITH FEELING ONLY FAITH ONE SIDED FAITH SPIRITUAL SUPERIORITY Other enemies are the common notions we absorb from our world such as SELF RELIANCE AFFLUENZA SHALLOW CHARACTER DEVELOPMENT PRIVATIZED FAITH In this book Don Posterski offers sound counsel in learning to be wise as serpents and innocent as doves Ultimately we need not simply to resist but to love our enemies and Posterski helps us find strategies for relating to and living among enemies with smiling faces
